Note: On March 31, 2017, Match Group sold its non-dating business, consisting of The Princeton Review, and has reflected it as a discontinued operation in Q1 2017 in its standalone financial statements
Match Group financial information for prior periods was recast to conform to this presentation. The non-dating business did not meet the threshold to be reflected as a discontinued operation at the
IAC level. IAC moved the non-dating business to its "Other" segment in Q1 2017 and prior period financial information was recast to conform to this presentation. As a result, Match Group's
revenue, operating income and Adjusted EBITDA in IAC's financial results conform to the corresponding amounts in Match Group's standalone financial statements.
a) The Other segment consists of the results of PriceRunner, ShoeBuy and The Princeton Review for periods prior to the sale of these businesses, which occurred on March 18, 2016, December 30, 2016 and March 31, 2017, respectively. Beginning in Q2 2017, as a result of the sale of these businesses, the Other segment does not include any financial results.
(b) In connection with the completion of the HomeAdvisor and Angie's List combination on September 29, 2017, the HomeAdvisor segment was renamed ANGI Homeservices.

Q3 2017 operating loss of $\$ 112.5$ million at ANGI Homeservices includes $\$ 96.9$ million in stock-based compensation expenser related primarily to the modification of previously issued HomeAdvisor vested awards and the acceleration of certain Angie's List awards in connection with the transaction, as well as $\$ 26.0$ million of costs related to the transaction and $\$ 1.0$ million of incremental quarterly public company costs.
$\$ 1.3$ million accrual that was reBTDA and operaing income (loss) for Q3 2016, FYE 2016 and Q2 2017 will not agree to ANGI Homeservices financial information on a standalone basis due to
c) Represents the reduction in Match Group's (with effect from November 24, 2015, the date of its IPO) and ANGI Homeservices (with effect from September 29, 2017, the date of the completion of the HomeAdvisor and Angie's List combination into a publicly-traded company) earnings attributable to IAC from the assumed exercise of Match Group and ANGI Homeservices dilutive securities under the if-converted method.
(d) For GAAP diluted EPS purposes, RSUs, as well as performance-based RSUs and market-based awards for which the applicable performance or market condition(s) have been met, are included on a treasury method basis. For Adjusted EPS purposes, the impact of RSUs on shares outstanding is based on the weighted average number of RSUs outstanding, including performance-based RSUS outstanding that the Company believes are probable of vesting. Adjusted EPS does not include any shares issuable in settlement of Match Group an
ANGI Homeservices denominated equity as such equity is assumed to be settled with Match Group and ANG H Homeerrices common stock, respectively.

(a) North America consists of our businesses for customers located in the United States and Canada
(b) International consists of our businesses for customers located outside of the United States and Canada.
(c) Direct Revenue is revenue that is directly received from an end user of our products.
(d) Average PMC is calculated by summing the number of paid subscribers, or paid member count (PMC), at the end of each day in the relevant measurement period and dividing it by the number of calendar days in that period. PMC as of any given time represents the number of users with a paid membership at that time.
(e) ARPPU, or Average Revenue per Paying User, is defined as Direct Revenue from subscribers in the relevant measurement period (whether in the form of subscription payments
or à la carte payments) divided by the Average PMC in such period divided by the number of calendar days in such period.
