About IAC

IAC (NASDAQ: IAC) builds companies. We are guided by curiosity, a questioning of the status quo, and a desire to invent or acquire new products and brands. From the single seed that started as IAC nearly three decades ago have emerged 10 independent, publicly-traded companies and generations of exceptional leaders. We will always evolve, but our basic principles of financially-disciplined opportunism will never change. IAC is today comprised of category-leading businesses People Inc. and Care.com among others and holds strategic equity positions in MGM Resorts International and Turo Inc. IAC is headquartered in New York City.
