Slide 2: Important

This presentation contains forward looking statements relating to possible or assumed future results of USAi. It reflects the current views of USAi with respect to future events, and is subject to risks that could cause future results to materially differ. These risks are described in USAi's Securities and Exchange Commission filings. Information contained herein about entities other than USAi has been obtained from sources believed to be reliable, but no independent verification has been made and no representation is made as to its accuracy or completeness. Any statements non-factual in nature constitute current opinions, which are subject to change without notice. The forward looking statements and opinions in this presentation are made as of the date of this presentation, and USAi undertakes no obligation to update or revise them for any reason. These statements do not include the potential impact of any mergers, acquisitions or other business combinations that may be completed in the future other than previously announced pending acquisitions. This presentation reflects estimates that USAi is comfortable releasing to analysts and the public as of the date hereof.
