- (a) Q3 2021 operating income of \$7.1 million and Adjusted EBITDA of \$8.2 million at Dotdash Meredith include \$5.5 million of transaction-related costs associated with the acquisition of Meredith Holdings Corporation ("Meredith"), acquired December 1, 2021. Q4 2021 operating loss of \$37.2 million and Adjusted EBITDA loss of \$15.1 million at Dotdash Meredith include \$73.0 million of transaction-related costs, including charges related to double-trigger change-in-control payments, associated with the acquisition of Meredith. Q1 2022 operating loss of \$56.2 million and Adjusted EBITDA of \$8.5 million at Dotdash Meredith include \$22.4 million of restructuring costs related to the discontinuation of certain print publications, the shutdown of PeopleTV, and the voluntary retirement program announced in the first quarter of 2022, and \$4.0 million of transaction-related costs associated with the acquisition of Meredith. Q2 2022 operating loss of \$27.5 million and Adjusted EBITDA of \$39.2 million at Dotdash Meredith include \$13.7 million of restructuring costs primarily related to the activities announced in the first quarter of 2022 and actions taken to improve efficiencies following the Meredith acquisition, and \$1.2 million of transaction-related costs associated with the acquisition of Meredith. Q3 2022 operating loss of \$95.5 million and Adjusted EBITDA of \$31.2 million at Dotdash Meredith include \$17.7 million of restructuring costs primarily related to the impairment of a right-of-use asset related to the consolidation of certain leased spaces following the Meredith acquisition, and \$0.8 million of transaction-related costs associated with the acquisition of Meredith.
- (b) Q3 2022 operating loss of \$95.5 million and depreciation of \$7.0 million at Dotdash Meredith include \$7.0 million of restructuring costs primarily related to the impairment of leasehold improvements and furniture and equipment related to the consolidation of certain leased spaces following the Meredith acquisition.
- (c) The 2020 operating loss of \$261.9 million and Adjusted EBITDA loss of \$147.4 million at Corporate includes \$52.2 million in stock-based compensation expense due to a modification charge related to the Match Separation, \$18.8 million in costs related to the Match Separation, and \$25.0 million in costs related to the IAC Fellows endowment.
- (d) Adjusted Earnings Before Interest, Taxes, Depreciation and Amortization ("Adjusted EBITDA") is defined as operating income excluding: (1) stock-based compensation expense; (2) depreciation; and (3) acquisition-related items consisting of (i) amortization of intangible assets and impairments of goodwill and intangible assets, if applicable, and (ii) gains and losses recognized on changes in the fair value of contingent consideration arrangements. We believe this measure is useful for analysts and investors as this measure allows a more meaningful comparison between our performance and that of our competitors. Adjusted EBITDA has certain limitations because it excludes the impact of these expenses.
- (e) On May 25, 2021, the Company completed the separation of its Vimeo business from the remaining businesses of the Company through a series of transactions that resulted in the transfer of its Vimeo business to Vimeo, Inc., (formerly named Vimeo Holdings, Inc., "Vimeo"), and Vimeo becoming an independent, separately traded public company through a spin-off from IAC. Vimeo is presented as discontinued operations within IAC's consolidated and combined financial statements for all periods prior to May 25, 2021.
- (f) Quarterly per share amounts for 2021 and 2022 may not add up to the related annual per share amount due to differences in the number of average common shares outstanding during each period.

(a) Includes Digital Advertising revenue, Performance Marketing revenue and Licensing and Other revenue.

- Display Advertising revenue – primarily includes revenue generated from display advertisements sold both directly through our sales team and via programmatic exchanges.

- Performance Marketing revenue – primarily includes revenue generated through affiliate commerce, affinity marketing channels, and performance marketing commissions. Affiliate commerce commission revenue is generated when Dotdash Meredith refers users to commerce partner websites resulting in a purchase or transaction. Affinity marketing programs market and place magazine subscriptions for both Dotdash Meredith and third-party publisher titles. Performance marketing commissions are generated on a cost-per-click or cost-per-action basis.

- Licensing and Other revenue – primarily includes revenue generated through brand and content licensing agreements. Brand licensing generates royalties from multiple long-term trademark licensing agreements with retailers, manufacturers, publishers and service providers. Content licensing royalties are earned from our relationship with Apple News + as well as other content distribution relationships.

(b) Primarily includes subscription, newsstand, advertising and performance marketing revenue.

(c) Reflects programmatic advertising revenue on a net basis.

(d) Reflects the inclusion of Meredith revenue for all periods prior to the Meredith acquisition. Meredith's programmatic advertising revenue has been presented on a net basis to conform to IAC's accounting policies.
