⁽¹⁾ As of the date of this report, the Registrant has not yet completed its financial close process for the quarter ended September 30, 2022. As a result, the information set forth above is preliminary and based upon information available to the Registrant as of the date of this report. During the course of the Registrant's financial close process for the quarter ended September 30, 2022, it may identify items that would require adjustments to the information set forth above, which may impact growth rates and may be material to the information set forth above.

⁽²⁾ Pro Forma reflects the inclusion of Meredith revenue for all periods prior to the Meredith acquisition on December 1, 2021. Meredith's programmatic advertising revenue has been presented on a net basis to conform to IAC's accounting policies.

⁽³⁾ Angi revenue for August 2022 reflects an unfavorable adjustment related to revenue recognized in prior periods, primarily August 2021. Excluding these amounts from both periods, Angi's August 2022 Ads and Leads revenue growth would have been 9% and total revenue growth would have been 10%.

⁽⁴⁾ Includes revenue from Angi Roofing, which was acquired on July 1, 2021.

⁽⁵⁾ February and May 2021 and August 2022 include revenue from IAC Films projects recognized during the month.
