INFORMATION STATEMENT

Dear Stockholders:

We are amending our restated certificate of incorporation in the following respects, the first of which is to increase our authorized number of shares of preferred stock from 15,000,000 to 100,000,000. The amendment will also provide that future increases or decreases in the authorized shares of preferred stock, or any class or series thereof, will require the approval only of the outstanding voting power of the Company, not a separate vote of the holders of preferred stock (so long as such decrease does not reduce the number of preferred shares of any series below the number then outstanding).

Separately, Article XIII of our restated certificate of incorporation contains provisions relating to restrictions in the Communications Act of 1934, as amended (including the rules and regulations promulgated thereunder), limiting the foreign ownership of our capital stock. Because the Company no longer controls any entities that own broadcast television stations in the United States, such provisions are no longer relevant and therefore we are also amending our restated certificate of incorporation to delete in its entirety Article XIII thereof.

This Information Statement more fully describes the terms and conditions of the proposed amendment to our restated certificate of incorporation, sometimes referred to in this Information Statement as the charter amendment. You are urged to read this Information Statement thoroughly.

Our Board of Directors has adopted a resolution that sets forth and declares advisable the charter amendment. In addition, under a stockholders agreement, each of Universal Studios, Inc., a subsidiary of Vivendi Universal S.A., and Liberty Media Corporation has granted to Barry Diller an irrevocable proxy over all Company securities owned by Universal, Liberty and their affiliates for all matters except for a fundamental change, which requires the consent of each of Mr. Diller, Universal and Liberty. As to matters that constitute a fundamental change (which includes the charter amendment), the proxies are only effective upon the receipt of the consent of Mr. Diller, Universal and Liberty, which consent the Company has obtained. As a result, Mr. Diller, through shares owned by him as well as those owned by Liberty and Vivendi Universal, controls 71.5% of the combined voting power of our common stock and Class B common stock, which is sufficient for stockholder approval of the charter amendment. Mr. Diller has signed a written stockholder's consent approving the proposed charter amendment. As a result, no action is required on your part. WE ARE NOT ASKING YOU FOR A PROXY AND YOU ARE REQUESTED NOT TO SEND US A PROXY.

Our common stock will continue to trade on the Nasdaq National Market under the trading symbol "USAI."

This Information Statement is being mailed on or about November 19, 2001, to holders of record on November 9, 2001, of shares of our common stock and Class B common stock.

We intend to take all necessary action to effect the charter amendment on or after December [___], 2001 (20 days from the date of the mailing of this Information Statement).

QUESTIONS AND ANSWERS ABOUT THE CHARTER AMENDMENT

Q. WHY ARE YOU AMENDING THE CHARTER OF USA NETWORKS, INC.?

A. We are amending our restated certificate of incorporation to increase our authorized number of shares of preferred stock from 15,000,000 to 100,000,000. In connection with our proposed acquisition of a controlling interest in Expedia, Inc., we have agreed, among other things, to issue to Expedia stockholders 13,125,000 shares of our preferred stock, subject to the terms and conditions of the acquisition agreement. If we complete the Expedia transaction, only 1,875,000 shares of preferred stock would be

authorized and unissued. The increase in authorized preferred stock will permit USA in the future to issue shares of its preferred stock without requiring further approval from USA's stockholders and will provide USA with greater flexibility in structuring transactions that involve the issuance of preferred stock. In addition, the amendment to allow future increases or decreases in the amount of authorized preferred stock, or the number of shares of any class or series of preferred stock, so long as the holders of a majority of the voting power of USA's stock approve the amendment, will permit USA to further amend the charter in this respect without the separate vote of the holders of preferred stock.

Separately, Article XIII of our restated certificate of incorporation contains provisions relating to restrictions in the Communications Act of 1934, as amended (including the rules and regulations promulgated thereunder), limiting the foreign ownership of our capital stock. Because the Company no longer controls any entities that own broadcast television stations in the United States, these provisions are no longer relevant and therefore we are also amending our restated certificate of incorporation to delete in its entirety Article XIII of our charter.

Q. WILL MY SHARES OF USA STOCK BE AFFECTED BY THE CHARTER AMENDMENT?

A. No. You will continue to own the same number of shares of USA stock immediately before and after the charter amendment.

Q: IS MY VOTE NEEDED TO APPROVE THE CHARTER AMENDMENT?

A. No. The Delaware General Corporation Law allows stockholders to act by written consent instead of holding a meeting, unless prohibited by the company's certificate of incorporation. Our restated certificate of incorporation does not prohibit stockholder action by written consent. Under a stockholders agreement among Barry Diller, Universal Studios, Inc. (a subsidiary of Vivendi Universal S.A. ("Universal")), Liberty Media Corporation ("Liberty") and the Company, Barry Diller currently beneficially owns or has the right to vote 71.5% of the outstanding voting power of the Company, which is sufficient for stockholder approval of the amendment. Because Mr. Diller, Universal and Liberty have agreed to this amendment, and Mr. Diller has signed a written stockholder's consent approving the proposed charter amendment, no action is required on your part. APPROVAL OF THE CHARTER AMENDMENT HAS BEEN OBTAINED WITHOUT THE VOTE OF ANY OTHER STOCKHOLDER. See "The Charter Amendment--Stockholder Action" on page 5.

Q. WHAT IS THE TAX IMPACT OF THE CHARTER AMENDMENT TO ME?

A. None. Your shares are not being sold or exchanged in connection with the charter amendment, so there is no taxable transaction related to your shares. See "The Charter Amendment--Material Federal Income Tax Consequences" on page 6.

Q. AM I ENTITLED TO DISSENTER'S RIGHTS IN CONNECTION WITH THE CHARTER AMENDMENT?

A. No appraisal rights are available under the Delaware General Corporation Law in

2

connection with the proposed charter amendment. See "The Charter Amendment--Dissenters' Rights of Appraisal" on page 6.

Q. WHEN DO YOU EXPECT THE CHARTER AMENDMENT TO TAKE EFFECT?

A. We expect the charter amendment to take effect on or after December [___], 2001 (20 calendar days from the date of the mailing of this Information Statement). The charter amendment will become effective whether or not we complete the Expedia transaction.

Q. WHOM CAN I CALL WITH QUESTIONS ABOUT THE CHARTER AMENDMENT?

A. You should contact our Investor Relations Department by phone at (212) 314-7400, or by E-mail at ir@usanetworks.com, with any questions about the charter amendment.

THE CHARTER AMENDMENT

TO UNDERSTAND THE PROPOSED CHARTER AMENDMENT FULLY, YOU SHOULD READ CAREFULLY THIS ENTIRE DOCUMENT AND THE DOCUMENTS TO WHICH WE HAVE REFERRED YOU. SEE "WHERE YOU CAN FIND ADDITIONAL INFORMATION" ON PAGE 14. A COPY OF THE CHARTER AMENDMENT IS ATTACHED AS EXHIBIT A TO THIS INFORMATION STATEMENT AND IS

The principal executive office of USA Networks, Inc. is located at 152 West 57th Street, New York, New York 10019.

BACKGROUND AND BOARD ACTION

Our Board of Directors has approved the acquisition of a controlling interest in Expedia, Inc. In connection with the proposed acquisition, we have agreed, among other things, to issue to stockholders of Expedia 13,125,000 shares of our preferred stock, subject to the terms and conditions of the acquisition agreement. If we complete the Expedia transaction, only 1,875,000 shares of preferred stock would be authorized and unissued.

Our Board of Directors has adopted a resolution that sets forth and declares advisable the proposed amendment to our restated certificate of incorporation. The amendment will increase the number of authorized shares of our preferred stock from 15,000,000 to 100,000,000. The amendment also provides that future increases or decreases in the authorized shares of preferred stock, or any class or series thereof, will require the approval only of the outstanding voting power of USA, not a separate vote of the holders of preferred stock (so long as such decrease does not reduce the number of preferred shares of any series below the number then outstanding).

In addition, on August 21, 2001, the Company completed the disposition of all of its broadcast television stations. As a result of this disposition, the provisions of Article XIII of our charter relating to restrictions in the Communications Act of 1934, as amended (including the rules and regulations promulgated thereunder), limiting the foreign ownership of our capital stock are no longer relevant. Therefore, the amendment also deletes in its entirety Article XIII of our restated certificate of incorporation.

AMENDMENT TO RESTATED CERTIFICATE OF INCORPORATION

Our restated certificate of incorporation currently authorizes 1,600,000,000 shares of common stock, par value \$.01 per share, 400,000,000 shares of Class B common stock, par value \$.01 per share, and 15,000,000 shares of preferred stock, par value \$.01 per share. As of September 30, 2001, 313,953,890 shares of common stock and 63,033,452 shares of Class B common stock were issued and outstanding. None of our preferred stock is issued and outstanding.

On or after December [___], 2001 (20 days after the date of the mailing of this Information Statement), we will amend our restated certificate of incorporation. The amendment will:

- increase the authorized shares of our preferred stock from 15,000,000 to 100,000,000;
- eliminate the separate class vote that holders of preferred stock would otherwise have to change the number of authorized shares of preferred stock; and
- remove the foreign ownership limitations set forth in our restated certificate of incorporation.

4

INCREASE IN NUMBER OF AUTHORIZED PREFERRED SHARES

The charter amendment will increase the number of authorized shares of our preferred stock from 15,000,000 to 100,000,000. There will be no change to the number of authorized shares of common stock and Class B common stock as a result of the charter amendment. The increase in authorized preferred stock will permit USA in the future to issue shares of its preferred stock without requiring further approval from USA's stockholders and will provide USA with greater flexibility in structuring future transactions that involve the issuance of preferred stock.

ELIMINATION OF SEPARATE CLASS VOTE OF THE PREFERRED SHARES

The amendment will also provide that future increases or decreases in the authorized shares of preferred stock, or any class or series thereof, will require the approval only of the outstanding voting power of USA, not a separate vote of the holders of preferred stock (so long as such decrease does not reduce the number of preferred shares of any class or series below the number then outstanding).

The amendment to allow future increases or decreases in the amount of authorized preferred stock, or the number of shares of any class or series of

preferred stock, so long as the holders of a majority of the voting power of the Company's stock approve the amendment, will permit the Company to further amend the charter in this respect without the separate vote of the holders of the preferred stock.

REMOVAL OF FOREIGN OWNERSHIP RESTRICTIONS

Separately, Article XIII of our restated certificate of incorporation contains provisions relating to restrictions in the Communications Act of 1934, as amended (including the rules and regulations promulgated thereunder), limiting the foreign ownership of our capital stock. Because the Company no longer controls any entities that own broadcast television stations in the United States, these provisions are no longer relevant and therefore we are also amending our restated certificate of incorporation to delete in its entirety Article XIII of our charter.

The charter amendment will become effective whether or not we complete the Expedia transaction.

STOCKHOLDER ACTION

Section 228 of the Delaware General Corporation Law permits stockholders to approve any action that would be taken at any annual or special meeting without a meeting by written consent of the holders of the minimum number of votes that would be necessary to authorize the action at a meeting. Under a stockholders agreement, each of Universal Studios, Inc., a subsidiary of Vivendi Universal S.A., and Liberty Media Corporation has granted to Mr. Diller an irrevocable proxy over all Company securities owned by Universal, Liberty and their affiliates for all matters except for a fundamental change, which requires the consent of each of Mr. Diller, Universal and Liberty. As to matters that constitute a fundamental change (which includes the charter amendment), the proxies are only effective upon the receipt of the consent of Mr. Diller, Universal and Liberty, which consent the Company has obtained. As a result, Mr. Diller, through shares owned by him as well as those owned by Liberty and Vivendi Universal, controls 71.5% of the combined voting power of our common stock and Class B common stock, which is sufficient for stockholder approval of the amendment. Mr. Diller has signed a written stockholder's consent approving the proposed charter amendment. As a result, no action is required on your part. APPROVAL OF THE CHARTER AMENDMENT HAS BEEN OBTAINED WITHOUT THE VOTE OF ANY OTHER STOCKHOLDER.

WE ARE NOT ASKING YOU FOR A PROXY AND YOU ARE REQUESTED NOT TO SEND US A PROXY.

5

TIMING

The charter amendment will be effected by the filing of an amendment to our restated certificate of incorporation with the Secretary of State of the State of Delaware on or after December [___], 2001 (20 days after the date of the mailing of this Information Statement). The charter amendment will take effect upon such filing.

INTERESTS OF CERTAIN PERSONS IN THE CHARTER AMENDMENT

The Company believes that the interests of our officers and directors in the proposed charter amendment are not different from the interests of our stockholders generally in the proposed charter amendment. See page 7 of this Information Statement.

MATERIAL FEDERAL INCOME TAX CONSEQUENCES

The charter amendment will not be a taxable transaction to our stockholders as the outstanding shares of our common stock and Class B common stock are not being sold or exchanged in connection with the charter amendment. The charter amendment will not have material adverse tax consequences to us.

DISSENTERS' RIGHTS OF APPRAISAL

No appraisal rights are or will be available under the Delaware General Corporation Law in connection with the proposed charter amendment.

PREFERRED STOCK

The charter amendment will increase the number of authorized shares of preferred stock. No shares of preferred stock are being issued as a result of this amendment. The terms, including dividend or interest rates, conversion prices, voting rights, redemption prices, maturity dates and similar matters of any preferred stock, when and if issued, will be determined by our Board of Directors pursuant to our restated certificate of incorporation. The Company has

no present intent to issue any of the additional preferred stock to be authorized by the amendment.

VOTING SECURITIES

We have two classes of common stock outstanding, common stock and Class B common stock. The rights of the holders of common stock and Class B common stock are substantially identical, except with respect to voting, conversion, and certain other matters. Except as otherwise required by applicable law and our restated certificate of incorporation, each share of common stock entitles its holder to one vote and each share of Class B common stock entitles its holder to ten votes on all matters submitted to a vote or for the consent of stockholders. Except as otherwise required by applicable law and our restated certificate of incorporation, the common stock and the Class B common stock vote together as a single class on all matters submitted to a vote or for the consent of stockholders. We have also authorized preferred stock, none of which is issued and outstanding.

In connection with our proposed acquisition of Expedia, Inc., USA has agreed to issue shares of a new class of preferred stock. We refer you to the Amended and Restated Agreement and Plan of Recapitalization and Merger, by and among the Company, Expedia, Inc., Taipei, Inc., Microsoft Corporation and Microsoft E-Holdings, Inc., dated as of July 15, 2001, attached as Annex A to the preliminary registration statement on Form S-4 filed by the Company on August 22, 2001 with the SEC for more information on this pending transaction.

Shares of our common stock are traded on the Nasdaq National Market under the symbol "USAI." On November [___], 2001, the most recent practicable day before the printing of this Information Statement, our common stock closed at \$_____ per share.

6

INTERESTS OF CERTAIN PERSONS IN THE CHARTER AMENDMENT

Our officers and directors only own common stock and, in some cases, Class B common stock. Because no shares of our preferred stock are issued and outstanding and because no shares of preferred stock are being issued as a result of the charter amendment, we are not aware of any interests of our officers and directors that are in addition to, or different from, the interests of our stockholders generally in the charter amendment relating to the preferred shares.

In connection with USA's acquisition of USA Networks and the domestic television production and distribution business of Universal in 1998, Universal received the right to designate four of our directors. The current Universal designees are Messrs. Edgar Bronfman, Jr., Philippe Germond, Pierre Lescure and Jean-Marie Messier. Universal is a subsidiary of Vivendi Universal, S.A., a foreign corporation.

Shares of USA Class B common stock may at the option of the holder be converted on a one-for-one basis into shares of USA common stock. Shares of HRN Class B common stock may at the

option of the holder be converted on a one-for-one basis into shares of HRN Class A common stock. Under the rules of the Securities and Exchange Commission, a person is deemed to be a beneficial owner of a security if that person has or shares voting power, which includes the power to vote or to direct the voting of such security, or investment power, which includes the power to dispose of or to direct the disposition of such security. A person is also deemed to be the beneficial owner of any securities of which that person has the right to acquire beneficial ownership within 60 days. Under these rules, more than one person may be deemed to be a beneficial owner of the same securities and a person may be deemed to be a beneficial owner of securities as to which that person has no economic interest. For each listed person, the number of shares and percent of class listed includes shares of USA common stock, HRN Class A common stock, Styleclick Class A common stock and TM Class B common stock that may be acquired by such person upon exercise of stock options that are or will be exercisable within 60 days of September 30, 2001.

The percentage of votes for all classes of USA common stock is based on one vote for each share of USA common stock and ten votes for each share of USA Class B common stock. These figures do not include any unissued shares of USA common stock or USA Class B common stock issuable upon conversion of Liberty's Home Shopping Network, Inc. ("Holdco") shares and USANi LLC shares beneficially owned by Liberty and Vivendi Universal. The percentage of votes for all classes of HRN common stock is based on one vote for each share of HRN Class A common stock and 15 votes for each share of HRN Class B common stock.
