Item 1.01 **Entry into a Material Definitive Agreement.**

Indenture

On June 1, 2016, Match Group, Inc. ("Match"), a majority-owned, publicly traded subsidiary of IAC/InterActiveCorp (the "Company"), entered into an indenture, between Match and Computershare Trust Company, N.A., as trustee (the "Indenture"), in connection with the issuance of approximately \$400 million aggregate principal amount of 6.375% senior notes due 2024 (the "Notes") by way of private offering of the Notes by Match.

The information set forth under Item 2.03 is incorporated herein by reference.

Registration Rights Agreement

On June 1, 2016, in connection with the issuance of the Notes, Match entered into a registration rights agreement (the "Registration Rights Agreement") with J.P. Morgan Securities LLC, obligating Match to file a registration statement with the Securities and Exchange Commission with respect to a registered offer to exchange the Notes for registered notes having substantially the same terms as the Notes (except that the registered notes will not be subject to additional interest provisions or restrictions on ownership or transfer) or, if necessary, file a shelf registration statement with respect to resales of the Notes. Match will use commercially reasonable efforts to cause the exchanges to be completed within 360 days after the issuance of the Notes. Holders of the Notes will be entitled to the payment of additional interest if Match does not comply with these obligations within that time period.

The above descriptions of the Indenture and the Registration Rights Agreement are qualified in their entirety by reference to the full text of such agreements, which are filed as Exhibits 4.1 and 4.2, respectively, to this Current Report on Form 8-K and are incorporated by reference herein.

Item 2.03 **Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.**

The information set forth under Item 1.01 is incorporated herein by reference.

Issuance of Notes

On June 1, 2016, Match issued \$400 million in aggregate principal amount of Notes.

The Notes accrue interest at a rate of 6.375% per year from the date of issuance, until maturity or earlier redemption. Interest on the Notes is payable on June 1 and December 1 of each year, commencing on December 1, 2016. The Notes mature on June 1, 2024. The proceeds from the issuance of the Notes were used to repay a portion of the \$790 million aggregate principal amount of term loans outstanding under the credit agreement dated as of October 7, 2015, as amended and restated on November 16, 2015, among Match, as borrower, the lenders party thereto, J.P. Morgan Chase Bank, N.A., as administrative agent and the other parties thereto (the "Match Credit Agreement").

At any time prior to June 1, 2019, Match has the option to redeem the Notes, in whole or in part, at a price equal to 100% of the principal amount of the Notes redeemed plus accrued and unpaid interest, if any, to the date of redemption and a "make-whole premium." The Notes are redeemable at Match's option, in whole or in part, at any time on or after June 1, 2019, at specified redemption prices, together with accrued and unpaid interest, if any, to the date of redemption. At any time prior to June 1, 2019, Match may redeem up to 40% of the aggregate principal amount of the Notes with the proceeds of certain equity offerings at a redemption price of 106.375% of the principal amount of the Notes, together with accrued and unpaid interest, if any, to the date of redemption. Under the terms of the Notes, specific kinds of changes of control triggering events will require Match to make an offer to purchase the Notes at a purchase price of 101% of the principal amount thereof, plus accrued and unpaid interest to the purchase

2

date.

The Notes are unsecured unsubordinated obligations of Match, rank equally in right of payment with all of Match's existing and future unsecured and unsubordinated debt and are structurally subordinated to the debt of Match's subsidiaries. The Notes are effectively subordinated to Match's secured debt, including debt under the Match Credit Agreement.

The Indenture contains certain covenants that restrict the ability of Match and its restricted subsidiaries to, among other things: (i) create liens on certain assets; (ii) incur additional debt; (iii) make certain investments and acquisitions; (iv) consolidate, merge, sell or otherwise dispose of all or substantially all of Match's assets; (v) sell certain assets; (vi) pay dividends on or make distributions in respect of Match's capital stock or make restricted payments; (vii) enter into certain transactions with affiliates and (viii) place restrictions on distributions from subsidiaries. At any time when the Notes are rated investment grade by both Moody's and Standard & Poor's and no default or event of default has occurred and is continuing under the Indenture, Match and its subsidiaries will not be subject to many of the foregoing covenants.

If an event of default (as defined in the Indenture) occurs and is continuing (other than specified events of bankruptcy or insolvency with respect to Match or a significant subsidiary), the trustee under the Indenture or the holders of at least 25% in principal amount of the outstanding Notes have the ability to declare all the outstanding Notes to be due and payable immediately. If an event of default relating to specified events of bankruptcy or insolvency with respect to Match occurs, all of the outstanding Notes become immediately due and payable without any declaration or other act on the part of the trustee under the Indenture or any holders of the Notes.

Notes may thereafter be transferred to, among others, QIBs, IAIs and purchasers in reliance on Regulation S, subject to the restrictions on transfer set forth herein. Notes initially resold pursuant to Rule 144A shall be issued in the form of one or more permanent global securities in fully registered form (collectively, the "Rule 144A Global Note"); Notes resold to IAIs (the "IAI Notes") shall be issued in the form of one or more permanent global securities in fully registered form (collectively, the "IAI Global Note"); and Notes initially resold pursuant to Regulation S shall be issued in the form of one or more permanent global securities in fully registered form (collectively, the "Regulation S Global Note"), in each case without interest coupons and with the global securities legend and the applicable restricted securities legend set forth in Exhibit A hereto, which shall be deposited on behalf of the purchasers of the Notes represented thereby with the Notes Custodian and registered in the name of the Depository or a nominee of the Depository, duly executed by the Issuer and authenticated by the Trustee as provided in this Indenture. Except as set forth in this Section 2.02(b), beneficial ownership interests in the Regulation S Global Note shall not be exchangeable for interests in the Rule 144A Global Note, the IAI Global Note or any other Note prior to the expiration of the Distribution Compliance Period and then, after the expiration of the Distribution Compliance Period, may be exchanged for interests in a Rule 144A Global Note or an IAI Global Note only upon certification in form reasonably satisfactory to the Trustee that (i) beneficial ownership interests in such Regulation S Global Note are owned either by Non-U.S. Persons or U.S. persons who purchased such interests in a transaction that did not require registration under the Securities Act and (ii) in the case of an exchange for an IAI Global Note, certification that the interest in the Regulation S Global Note is being transferred to an IAI that is an IAI acquiring the securities for its own account or for the account of an IAI.

(ii) Beneficial interests in Regulation S Global Notes or IAI Global Notes may be exchanged for interests in Rule 144A Global Notes if (1) such exchange occurs in connection with a transfer of Notes in compliance with Rule 144A and (2) the transferor of the beneficial interest in the Regulation S Global Note or IAI Global Note, as applicable, first delivers to the Trustee a written certificate (in the form of the Form of Exchange Certificate attached to Exhibit A hereto) to the effect that the beneficial interest in the Regulation S Global Note or IAI Global Note, as applicable, is being transferred to a Person (A) who the transferor reasonably believes to be a QIB, (B) purchasing for its own account or the account of a QIB in a transaction meeting the requirements of Rule 144A, and (C) in accordance with all applicable securities laws of the States of the United States and other jurisdictions.

(iii) Beneficial interests in Regulation S Global Notes and Rule 144A Global Notes may be exchanged for an interest in IAI Global Notes if (1) such exchange occurs in connection with a transfer of the securities in compliance with an exemption under the Securities Act and (2) the transferor of the Regulation S Global Note or Rule 144A Global Note, as applicable, first delivers to the Trustee a written certificate (in the form of the Form of Transfer Certificate attached to Exhibit A hereto) to the effect that (A) the Regulation S Global Note or Rule 144A Global Note, as applicable, is being transferred to an "accredited investor" within the meaning of 501(a)(1), (2), (3) or (7) under the Securities Act that is an institutional investor acquiring the securities for its own account or for the account of such an institutional accredited investor, in each case in a minimum principal amount of Notes of US\$250,000 and (B) in accordance with all applicable securities laws of the States of the United States and other jurisdictions.

(iv) Beneficial interests in a Rule 144A Global Note may be transferred to a Person who takes delivery in the form of an interest in a Regulation S Global Note, whether before or after the expiration of the Distribution Compliance Period, only if the transferor first delivers to the Trustee a written certificate (in the form of Exhibit C) to the effect that such transfer is being made in accordance with Rule 903 or 904 of Regulation S or Rule 144 (if applicable).

29

(v) Exchange Notes exchanged for interests in the Rule 144A Notes and the Regulation S Notes and IAI Notes will be issued in the form of a permanent global security, substantially in the form of Exhibit B, which is hereby incorporated by reference and made a part of this Indenture, deposited with the Registrar as hereinafter provided, including the appropriate legend set forth in Section 2.16(d) (the "Exchange Global Note"). The Exchange Global Note will be deposited upon issuance with, or on behalf of, the Registrar as custodian for the Depository, duly executed by the Issuer and authenticated by the Trustee as hereinafter provided. The Exchange Global Note may be represented by more than one certificate, if so required by the Depository's rules regarding the maximum principal amount to be represented by a single certificate.

(vi) The Rule 144A Global Note, the IAI Global Note, the Regulation S Global Note and the Exchange Global Note are collectively referred to herein as "Global Notes". The aggregate principal amount of the Global Notes may from time to time be increased or decreased by adjustments made on the records of the Trustee and the Depository or its nominee as hereinafter provided.

(c) Book-Entry Provisions. This Section 2.02(c) shall apply only to a Global Note deposited with or on behalf of the Depository.

(i) The Issuer shall execute and the Trustee shall, in accordance with this Section 2.02(c), authenticate and deliver initially one or more Global Notes that (A) shall be registered in the name of the Depository for such Global Note or the nominee of such Depository and (B) shall be delivered by the Trustee to such Depository or pursuant to such Depository's instructions or held by the Trustee as custodian for the Depository.

(ii) Members of, or participants in, the Depository ("Agent Members") shall have no rights under this Indenture with respect to any Global Note held on their behalf by the Depository or by the Trustee as the custodian of the Depository or under such Global Note, and the Issuer, the Trustee and any agent of the Issuer or the Trustee shall be entitled to treat the Depository as the absolute owner of such Global Note for all

purposes whatsoever. Notwithstanding the foregoing, nothing herein shall prevent the Issuer, the Trustee or any agent of the Issuer or the Trustee from giving effect to any written certification, proxy or other authorization furnished by the Depository or impair, as between the Depository and its Agent Members, the operation of customary practices of such Depository governing the exercise of the rights of a holder of a beneficial interest in any Global Note.

(d) Definitive Notes. Except as provided in this Section 2.02 or Section 2.16 or 2.17, owners of beneficial interests in Notes shall not be entitled to receive physical delivery of Definitive Notes.

(e) The terms and provisions contained in the Notes shall constitute, and are expressly made, a part of this Indenture and, to the extent applicable, the Issuer, the Guarantors and the Trustee, by their execution and delivery of this Indenture, expressly agree to such terms and provisions and agree to be bound thereby. If there is any conflict between the terms of the Notes and this Indenture, the terms of this Indenture shall govern.

(f) The Notes may be presented for registration of transfer and exchange at the offices of the Registrar.

30

SECTION 2.03. Execution and Authentication.

An Officer (who shall, in each case, have been duly authorized by all requisite corporate actions) shall sign the Notes for the Issuer by manual or facsimile signature.

If an Officer whose signature is on a Note was an Officer at the time of such execution but no longer holds that office at the time the Trustee authenticates the Note, the Note shall be valid nevertheless.

No Note shall be entitled to any benefit under this Indenture or be valid or obligatory for any purpose unless there appears on such Note a certificate of authentication substantially in the form provided for herein executed by the Trustee by manual signature of an authorized officer, and such certificate upon any Note shall be conclusive evidence, and the only evidence, that such Note has been duly authenticated and delivered hereunder. Notwithstanding the foregoing, if any Note shall have been authenticated and delivered hereunder but never issued and sold by the Issuer, and the Issuer shall deliver such Note to the Trustee for cancellation as provided in Section 2.12, for all purposes of this Indenture such Note shall be deemed never to have been authenticated and delivered hereunder and shall never be entitled to the benefits of this Indenture.

The Trustee may appoint an authenticating agent reasonably acceptable to the Issuer to authenticate the Notes. Unless otherwise provided in the appointment, an authenticating agent may authenticate the Notes whenever the Trustee may do so. Each reference in this Indenture to authentication by the Trustee includes authentication by such agent. An authenticating agent has the same rights as an Agent to deal with the Issuer and Affiliates of the Issuer. Each Paying Agent is designated as an authenticating agent for purposes of this Indenture.

The Notes shall be issuable only in registered form without coupons in minimum denominations of \$2,000 and integral multiples of \$1,000.

SECTION 2.04. Registrar and Paying Agent.

The Issuer shall maintain an office or agency (which shall be located in the Borough of Manhattan in The City of New York, State of New York or the city in which the Corporate Trust Office of the Trustee is located) where Notes may be presented for registration of transfer or for exchange (the “Registrar”), and an office or agency where Notes may be presented for payment (the “Paying Agent”) and an office or agency where notices and demands to or upon the Issuer, if any, in respect of the Notes and this Indenture may be served. The Registrar shall keep a register of the Notes and of their transfer and exchange. If and for so long as the Trustee is not the Registrar, the Trustee shall have the right to inspect the register of the Notes during regular business hours. The Issuer may have one or more additional Paying Agents. The term “Paying Agent” includes any additional Paying Agent. The Issuer or any Affiliate thereof may act as Paying Agent.

The Issuer shall enter into an appropriate agency agreement, which shall incorporate the provisions of the TIA, with any Agent that is not a party to this Indenture. The agreement shall implement the provisions of this Indenture that relate to such Agent. The Issuer shall notify the Trustee of the name and address of any such Agent. If the Issuer fails to maintain a Registrar or Paying Agent, or fails to give the foregoing notice, the Trustee shall act as such and shall be entitled to appropriate compensation in accordance with Section 7.07. The Issuer or any wholly-owned Subsidiary may act as Paying Agent, Registrar, co-registrar or transfer agent.

31

The Issuer initially appoints the Trustee as Registrar and Paying Agent.

SECTION 2.05. Paying Agent to Hold Money in Trust.

On or prior to each due date of the principal or interest on any Notes, the Issuer shall deposit with the Paying Agent a sum sufficient to pay such principal and interest when so becoming due. Each Paying Agent shall hold in trust for the benefit of the Holders or the Trustee all money held by the Paying Agent for the payment of principal or interest on the Notes (whether such money has been paid to it by the Issuer or any other obligor on the Notes or the Guarantors), and the Issuer and the Paying Agent shall notify the Trustee in writing of any default by the Issuer (or any other obligor on the Notes) in making any such payment. If the Issuer or a Subsidiary of the Issuer serves as Paying Agent, it shall segregate the money held by it as Paying Agent and hold it as a separate trust fund. Money held in trust by the Paying Agent need not be segregated except as required by law and in no event shall the Paying Agent be liable for any interest on any money received by it hereunder. The Issuer at any time may require the Paying Agent to pay all money held by it to the Trustee and account for any funds disbursed and the Trustee may at any time during the continuance of any Event of Default specified in Section 6.01(1) or (2), upon written request to the Paying Agent, require such Paying Agent to pay forthwith all money so held by it to the Trustee and to account for any funds disbursed by the Paying Agent. Upon making such payment, the Paying Agent shall have no further liability for the money delivered to the Trustee.

SECTION 2.06. Holder Lists.

The Trustee shall preserve in as current a form as is reasonably practicable the most recent list available to it of the names and addresses of the Holders and shall otherwise comply with TIA Section 312(a). If the Trustee is not the Registrar, the Issuer shall furnish to the Trustee at least five Business Days before each Interest Payment Date, and at such other times as the Trustee may reasonably request in writing, a list in such form and as of such date as the Trustee may reasonably require of the names and addresses of the Holders and the Issuer shall otherwise comply with TIA Section 312(a).

SECTION 2.07. Transfer and Exchange.

Subject to Sections 2.02(b), 2.16 and 2.17, when Notes are presented to the Registrar with a request from such Holder to register a transfer or to exchange them for an equal principal amount of Notes of other authorized denominations, the Registrar shall register the transfer as requested if the requirements of this Indenture are met. Every Note presented or surrendered for registration of transfer or exchange shall be duly endorsed or be accompanied by a written instrument of transfer in form satisfactory to the Issuer and the Registrar, duly executed by the Holder thereof or his attorneys duly authorized in writing. To permit registrations of transfers and exchanges, the Issuer shall issue and execute and the Trustee shall authenticate new Notes (and the Guarantors shall execute the guarantee thereon) evidencing such transfer or exchange at the Registrar's request. No service charge shall be made to the Holder for any registration of transfer or exchange. The Registrar may require from the Holder payment of a sum sufficient to cover any transfer taxes or other governmental charge that may be imposed in relation to a transfer or exchange, but this provision shall not apply to any exchange pursuant to Section 2.11, 3.06, 4.14 or 8.05 (in which events the Issuer shall be responsible for the payment of such taxes). Without the prior consent of the Issuer, the Registrar shall not be required to exchange or register a transfer (a) of any Note for a period of 15 days immediately preceding the mailing of notice of redemption of Notes to be redeemed, (b) of any Note selected, called or being called for redemption except the unredeemed portion of any Note being

32

redeemed in part, or (c) of any Note between a record date and the next succeeding Interest Payment Date.

Any Holder of any Global Note shall, by acceptance of such Global Note, agree that transfers of the beneficial interests in such Global Note may be effected only through a book entry system maintained by the Holder of such Global Note (or its agent), and that ownership of a beneficial interest in such Global Note shall be required to be reflected in a book entry.

Each Holder of a Note agrees to indemnify the Issuer and the Trustee against any liability that may result from the transfer, exchange or assignment of such Holder's Note in violation of any provision of this Indenture and/or applicable U.S. Federal or state securities law.

Neither the Trustee nor the Registrar shall have any duty to monitor the Issuer's compliance with or have any responsibility with respect to the Issuer's compliance with any Federal or state securities laws.

SECTION 2.08. Replacement Notes.

If a mutilated Note is surrendered to the Registrar or the Trustee, or if the Holder claims that the Note has been lost, destroyed or wrongfully taken, the Issuer shall issue and the Trustee shall authenticate a replacement Note (and the Guarantors shall execute the guarantee thereon) if such Holder furnishes to the Issuer and the Trustee evidence reasonably acceptable to them of the ownership and the destruction, loss or theft of such Note and if the requirements of Section 8-405 of the New York Uniform Commercial Code as in effect on the date of this Indenture are met. If required by the Trustee or the Issuer, an indemnity bond shall be posted by such Holder, sufficient in the judgment of both to protect the Issuer, the Guarantors, the Trustee or any Paying Agent from any loss that any of them may suffer if such Note is replaced. The Issuer and the Trustee may charge such Holder for their reasonable out-of-pocket expenses in replacing such Note (including, without limitation, attorneys' fees and disbursements) in replacing such Note. Every replacement Note shall constitute a contractual obligation of the Issuer.

SECTION 2.09. Outstanding Notes.

The Notes outstanding at any time are all Notes that have been authenticated by the Trustee except for (a) those cancelled by it, (b) those delivered to it for cancellation, (c) to the extent set forth in Sections 9.01 and 9.02, on or after the date on which the conditions set forth in Section 9.01 or 9.02 have been satisfied, those Notes theretofore authenticated and delivered by the Trustee hereunder and (d) those described in this Section 2.09 as not outstanding. Subject to Section 2.10, a Note does not cease to be outstanding because the Issuer or one of its Affiliates holds the Note.

If a Note is replaced pursuant to Section 2.08, it ceases to be outstanding unless the Trustee and the Issuer receives proof satisfactory to it that the replaced Note is held by a protected purchaser in whose hands such Note is a legal, valid and binding obligation of the Issuer.

If the Paying Agent holds in trust, in its capacity as such, on any Redemption Date or maturity date, money sufficient to pay all accrued interest and principal with respect to the Notes payable on that date and is not prohibited from paying such money to the Holders thereof pursuant to the terms of this Indenture, then on and after that date such Notes cease to be outstanding and interest on them ceases to accrue.

33

SECTION 2.10. Treasury Notes.

In determining whether the Holders of the required principal amount of Notes have concurred in any declaration of acceleration or notice of default or direction, waiver or consent or any amendment, modification or other change to this Indenture, Notes owned by the Issuer or any other Affiliate of the Issuer shall be disregarded as though they were not outstanding, except that for the purposes of determining whether the Trustee shall be protected in relying on any such direction, waiver or consent or any amendment, modification or other change to this Indenture, only Notes as to which a Responsible Officer of the Trustee has received an Officer's Certificate stating that such Notes are so owned shall be so disregarded. Notes so owned which have been pledged in good faith shall not be disregarded if the pledgee established to the satisfaction of the Trustee the pledgee's right so to act with respect to the Notes and that the pledgee is not the Issuer, a Guarantor, any other obligor on the Notes or any of their respective Affiliates.

SECTION 2.11. Temporary Notes.

Until definitive Notes are prepared and ready for delivery, the Issuer may prepare and the Trustee shall authenticate temporary Notes. Temporary Notes shall be substantially in the form of definitive Notes but may have variations that the Issuer considers appropriate for temporary Notes. Without unreasonable delay, the Issuer shall prepare and the Trustee shall authenticate definitive Notes in exchange for temporary Notes. Until such exchange, temporary Notes shall be entitled to the same rights, benefits and privileges as definitive Notes.

SECTION 2.12. Cancellation.

The Issuer at any time may deliver Notes to the Trustee for cancellation. The Registrar and the Paying Agent shall forward to the Trustee any Notes surrendered to them for registration of transfer, exchange or payment. The Trustee and no one else shall cancel all Notes surrendered for registration of transfer, exchange, payment, replacement or cancellation and shall cancel and destroy such Notes in accordance with its customary procedures. The Trustee shall upon the request of the Issuer deliver a certificate of such destruction to the Issuer. The Issuer may not reissue or resell, or issue new Notes to replace, Notes that the Issuer has redeemed or paid, or that have been delivered to the Trustee for cancellation, other than in accordance with the express provisions of this Indenture.

SECTION 2.13. Defaulted Interest.

If the Issuer defaults on a payment of interest on the Notes, it shall pay the defaulted interest, plus (to the extent permitted by law) any interest payable on the defaulted interest, in accordance with the terms hereof, to the Persons who are Holders of such Notes on a subsequent special record date, which date shall be at least five Business Days prior to the payment date. The Issuer shall fix such special record date and payment date in a manner satisfactory to the Trustee. The Issuer shall promptly mail to each Holder of such Notes a notice that states the special record date, the payment date and the amount of defaulted interest, and interest payable on defaulted interest, if any, to be paid. The Issuer may make payment of any defaulted interest in any other lawful manner not inconsistent with the requirements (if applicable) of any securities exchange on which the Notes may be listed and, upon such notice as may be required by such exchange, if, after written notice given by the Issuer to the Trustee of the proposed payment pursuant to this sentence, such manner of payment shall be deemed practicable by the Trustee.

34

SECTION 2.14. CUSIP Number.

The Issuer in issuing the Notes may use a "CUSIP" number, ISIN and "Common Code" number (in each case if then generally in use), and if so, such CUSIP number, ISIN and Common Code number shall be included in notices of redemption or exchange as a convenience to Holders; *provided* that any such notice may state that no representation is made as to the correctness or accuracy of such number either as printed in the notice or on the Notes, and that reliance may be placed only on the other identification numbers printed on the Notes. The Issuer shall promptly notify, and in any event within 10 Business Days, the Trustee of any such CUSIP number, ISIN and Common Code number used by the Issuer in connection with the issuance of the Notes and of any change in the CUSIP number, ISIN and Common Code number.

SECTION 2.15. Deposit of Moneys.

Subject to the following paragraph, prior to 11:00 a.m., New York City time, on each Interest Payment Date and maturity date, the Issuer shall have deposited with the Paying Agent in immediately available funds money sufficient to make cash payments, if any, due on such Interest Payment Date or maturity date, as the case may be. The principal and interest on Global Notes shall be payable to the Depository or its nominee, as the case may be, as the sole registered owner and the sole holder of the Global Notes represented thereby. The principal and interest on Definitive Notes shall be payable, either in person or by mail, at the office of the Paying Agent.

If a Holder has given wire transfer instructions to the Issuer at least ten Business Days prior to the applicable Interest Payment Date, the Issuer (through the Paying Agent) will make all payments on such Holder's Notes by wire transfer of immediately available funds to the account specified in those instructions. Otherwise, payments on the Notes will be made at the office or agency of the Paying Agent for the Notes unless the Issuer (with notice to the Paying Agent) elects to make interest payments by check mailed to the Holders at their addresses set forth in the register of Holders.

SECTION 2.16. Special Transfer Provisions.

- (a) Transfer and Exchange of Definitive Notes. When Definitive Notes are presented to the Registrar with a request:
- (x) to register the transfer of such Definitive Notes; or
- (y) to exchange such Definitive Notes for an equal principal amount of Definitive Notes of other authorized denominations,

the Registrar shall register the transfer or make the exchange as requested if its reasonable requirements for such transaction are met; *provided, however*, that the Definitive Notes surrendered for transfer or exchange:

- (i) shall be duly endorsed or accompanied by a written instrument of transfer in form reasonably satisfactory to the Issuer and the Registrar, duly executed by the Holder thereof or its attorney duly authorized in writing; and
- (ii) if such Definitive Notes are required to bear a restricted securities legend, they are being transferred or exchanged pursuant to an effective registration statement under the Securities Act (and the transferor certifies the same, in writing, to the Registrar), pursuant to

35

Section 2.16(b) or pursuant to clause (A), (B) or (C) below, and are accompanied by the following additional information and documents, as applicable:

(A) if such Definitive Notes are being delivered to the Registrar by a Holder for registration in the name of such Holder, without transfer, a certification from such Holder to that effect; or

(B) if such Definitive Notes are being transferred to the Issuer, a certification to that effect; or

(C) if such Definitive Notes are being transferred (x) pursuant to an exemption from registration in accordance with Rule 144A, Regulation S or Rule 144 under the Securities Act; or (y) in reliance upon another exemption from the requirements of the Securities Act: (i) a certification to that effect (in the form of the Form of Transfer Certificate attached to Exhibit A hereto) and (ii) if the Issuer so requests, an opinion of counsel or other evidence reasonably satisfactory to it as to the compliance with the restrictions set forth in the legend set forth in Section 2.16(d)(i).

(b) Restrictions on Transfer of a Definitive Note for a Beneficial Interest in a Global Note. A Definitive Note may not be exchanged for a beneficial interest in a Rule 144A Global Note, an IAI Global Note or a Regulation S Global Note except upon satisfaction of the requirements set forth below. Upon receipt by the Trustee of a Definitive Note, duly endorsed or accompanied by appropriate instruments of transfer, in form satisfactory to the Trustee, together with:

(i) certification, in the form of the Form of Transfer Certificate attached to Exhibit A hereto, that such Definitive Note is either (A) being transferred to a QIB in accordance with Rule 144A, (B) being transferred to an IAI or (C) being transferred in an offshore transaction in compliance with Rule 904 of Regulation S under the Securities Act of 1933; and

(ii) written instructions directing the Trustee to make, or to direct the Notes Custodian to make, an adjustment on its books and records with respect to such Rule 144A Global Note (in the case of a transfer pursuant to clause (b)(i)(A)), IAI Global Note (in the case of a transfer pursuant to clause (b)(i)(B)) or Regulation S Global Note (in the case of a transfer pursuant to clause (b)(i)(C)) to reflect an increase in the aggregate principal amount of the Notes represented by the Rule 144A Global Note, IAI Global Note or Regulation S Global Note, as applicable, such instructions to contain information regarding the Depository account to be credited with such increase,

then the Trustee shall cancel such Definitive Note and cause, or direct the Notes Custodian to cause, in accordance with the standing instructions and procedures existing between the Depository and the Notes Custodian, the aggregate principal amount of Notes represented by the Rule 144A Global Note, IAI Global Note or Regulation S Global Note, as applicable, to be increased by the aggregate principal amount of the Definitive Note to be exchanged and shall credit or cause to be credited to the account of the Person specified in such instructions a beneficial interest in the Rule 144A Global Note, IAI Global Note or Regulation S Global Note, as applicable, equal to the principal amount of the Definitive Note so canceled. If no Rule 144A Global Notes, IAI Global Notes or Regulation S Global Notes, as applicable, are then outstanding, the Issuer shall issue and the Trustee shall authenticate, upon written order of the Issuer in the form of an Officer's Certificate of the Issuer, a new Rule 144A Global Note, IAI Global Note or Regulation S Global Note, as applicable, in the appropriate principal amount.

36

(c) Transfer and Exchange of Global Notes.

(i) The transfer and exchange of Global Notes or beneficial interests therein shall be effected through the Depository, in accordance with this Indenture (including applicable restrictions on transfer set forth herein, if any) and the procedures of the Depository therefor. A transferor of a beneficial interest in a Global Note shall deliver to the Registrar a written order given in accordance with the Depository's procedures containing information regarding the participant account of the Depository to be credited with a beneficial interest in such Global Note. The Registrar shall, in accordance with such instructions, instruct the Depository to credit to the account of the Person specified in such instructions a beneficial interest in the Global Note and to debit the account of the Person making the transfer the beneficial interest in the Global Note being transferred.

(ii) If the proposed transfer is a transfer of a beneficial interest in one Global Note to a beneficial interest in another Global Note, the Registrar shall reflect on its books and records the date and an increase in the principal amount of the Global Note to which such interest is being transferred in an amount equal to the principal amount of the interest to be so transferred, and the Registrar shall reflect on its books and records the date and a corresponding decrease in the principal amount of the Global Note from which such interest is being transferred.

(iii) Notwithstanding any other provisions of Article Two (other than the provisions set forth in Section 2.17), a Global Note may not be transferred as a whole except by the Depository to a nominee of the Depository or by a nominee of the Depository to the Depository or another nominee of the Depository or by the Depository or any such nominee to a successor Depository or a nominee of such successor Depository.

(iv) In the event that a Global Note is exchanged for Definitive Notes pursuant to Section 2.17, such Notes may be exchanged only in accordance with such procedures as are substantially consistent with the provisions of this Section 2.16 (including the certification requirements set forth on the reverse of the Notes intended to ensure that such transfers comply with Rule 144A, Regulation S or another applicable exemption under the Securities Act, as the case may be) and such other procedures as may from time to time be adopted by the Issuer.

(d) Legend.

(i) Each Note certificate evidencing the Global Notes (and all Notes issued in exchange therefor or in substitution thereof) shall bear a legend in substantially the following form:

37

IN CONNECTION WITH ANY TRANSFER, THE HOLDER SHALL DELIVER TO THE REGISTRAR AND TRANSFER AGENT SUCH CERTIFICATES AND OTHER INFORMATION AS SUCH TRANSFER AGENT MAY REASONABLY REQUIRE TO CONFIRM THAT THE TRANSFER COMPLIES WITH THE FOREGOING RESTRICTIONS.

(ii) Upon any sale or transfer of a Transfer Restricted Note (including any Transfer Restricted Note represented by a Global Note) pursuant to Rule 144 under the Securities Act, the Registrar shall permit the transferee thereof to exchange such Transfer Restricted Note for a certificated Note that does not bear the legend set forth above and rescind any restriction on the transfer of such Transfer Restricted Note, if the transferor thereof certifies in writing to the Registrar that such sale or transfer was made in reliance on Rule 144 (such certification to be in a form of the Form of Transfer Certificate attached to Exhibit A hereto).

(iii) After a transfer of any Initial Notes during the period of the effectiveness of a Shelf Registration Statement with respect to such Initial Notes, all requirements pertaining to the restricted securities legend as set forth in Exhibit A hereto, on such Initial Notes shall cease to apply and the requirements that any such Initial Notes be issued in global form shall continue to apply.

(iv) Upon the consummation of an Exchange Offer with respect to the Initial Notes pursuant to which Holders of such Initial Notes are offered Exchange Notes in exchange for their Initial Notes, all requirements pertaining to Initial Notes that Initial Notes be issued in global form shall continue to apply, and Exchange Notes in global form without the restricted securities legend as set forth in Exhibit A hereto, shall be available to Holders that exchange such Initial Notes in such Exchange Offer.

(e) Cancellation or Adjustment of Global Note. At such time as all beneficial interests in a Global Note have either been exchanged for Definitive Notes, redeemed, purchased or canceled, such Global Note shall be returned to the Depository for cancellation or retained and cancelled by the Trustee. At any time prior to such cancellation, if any beneficial interest in a Global Note is exchanged for Definitive Notes, redeemed, purchased or canceled, the principal amount of Notes represented by such Global Note shall be reduced and an adjustment shall be made on the books and records of the Trustee (if it is then the Notes Custodian for such Global Note) with respect to such Global Note, by the Trustee or the Notes Custodian, to reflect such reduction.

(f) No Obligation of the Trustee.

(i) None of the Trustee, Registrar or Paying Agent shall have any responsibility or obligation to any beneficial owner of a Global Note, a member of, or a participant in the Depository or other Person with respect to the accuracy of the records of the Depository or its nominee or of any participant or member thereof, with respect to any ownership interest in the Notes or with respect to the delivery to any participant, member, beneficial owner or other Person (other than the Depository) of any notice (including any notice of redemption) or the payment of any amount, under or with respect to such Notes. All notices and communications to be given to the Holders and all payments to be made to Holders under the Notes shall be given or made only to or upon the order of the registered Holders (which shall be the Depository or its nominee in the case of a Global Note). The rights of beneficial owners in any Global Note shall be exercised only through the Depository subject to the applicable rules and procedures of the Depository. The Trustee, Registrar and Paying Agent may rely and shall be fully

protected in relying upon information furnished by the Depository with respect to its members, participants and any beneficial owners.

(ii) Neither the Trustee nor the Registrar shall have any obligation or duty to monitor, determine or inquire as to compliance with any restrictions on transfer imposed under this Indenture or under applicable law with respect to any transfer of any interest in any Note (including any transfers between or among Depository participants, members or beneficial owners in any Global Note) other than to require delivery of such certificates and other documentation or evidence as are expressly required by, and to do so if and when expressly required by, the terms of this Indenture, and to examine the same to determine substantial compliance as to form with the express requirements hereof.

SECTION 2.17. Certificated Notes.

(a) A Global Note deposited with the Depository or with the Trustee as Notes Custodian for the Depository pursuant to Section 2.02 shall be transferred to the beneficial owners thereof in the form of Definitive Notes in an aggregate principal amount equal to the principal amount of such Global Note, in exchange for such Global Note, only if such transfer complies with Section 2.16 hereof and (i) the Depository notifies the Issuer that it is unwilling or unable to continue as Depository for such Global Note and the Depository fails to appoint a successor depository or if at any time such Depository ceases to be a "clearing agency" registered under the Exchange Act and, in either case, a successor depository is not appointed by the Issuer within 90 days of such notice, (ii) the Issuer, at its option, notifies the Trustee in writing that it elects to cause the issuance of Notes in definitive form, then, upon surrender by the relevant Global Note Holder of its Global Note, Notes in such form will be issued to each Person that such Global Note Holder and the Depository identifies as being the beneficial owner of the related Notes, or (iii) an Event of Default has occurred and is continuing with respect to the Notes.

(b) Any Global Note that is transferable to the beneficial owners thereof pursuant to this Section 2.17 shall be surrendered by the Depository to the Trustee at the Corporate Trust Office of the Trustee, to be so transferred, in whole or from time to time in part, without charge, and the Trustee shall authenticate and deliver, upon such transfer of each portion of such Global Note, an equal aggregate principal amount of Definitive Notes of authorized denominations. Any portion of a Global Note transferred pursuant to this Section 2.17 shall be executed, authenticated and delivered only in denominations of US\$2,000 principal amount or any integral multiple of US\$1,000 in excess thereof and registered in such names as the Depository shall direct. Any Definitive Note delivered in exchange for an interest in the Transfer Restricted Note shall, except as otherwise provided by Section 2.16(d) hereof, bear the applicable restricted securities legend and definitive note legend set forth in Exhibit A hereto.

(c) Subject to the provisions of Section 2.17(b) hereof, the registered Holder of a Global Note shall be entitled to grant proxies and otherwise authorize any Person, including Agent Members and Persons that may hold interests through Agent Members, to take any action which a Holder is entitled to take under this Indenture or the Notes.

(d) In the event of the occurrence of one of the events specified in Section 2.17(a) hereof, the Issuer shall promptly make available to the Trustee a reasonable supply of Definitive Notes in definitive, fully registered form without interest coupons. In the event that the Definitive Notes are not issued to each such beneficial owner promptly after the Registrar has received a request from the Holder of a Global Note to issue such certificated Note,

holder of Notes to pursue such remedy with respect to the portion of the Global Note that represents such beneficial holder's Notes as if such certificated Notes had been issued.

(e) By its acceptance of any Note bearing any legend in Section 2.16(d), each Holder of such Note acknowledges the restrictions on transfer of such Note set forth in this Indenture and in such legend in Section 2.16(d) and agrees that it shall transfer such Note only as provided in this Indenture.

The Registrar shall retain for a period of two years copies of all letters, notices and other written communications received pursuant to Section 2.02 or this Section 2.17. The Issuer shall have the right to inspect and make copies of all such letters, notices or other written communications at any reasonable time upon the giving of reasonable notice to the Registrar.

SECTION 2.18. Computation of Interest.

Interest on the Notes shall be computed on the basis of a 360-day year of twelve 30-day months. Additional Interest will be payable with respect to the Notes in certain circumstances if the Issuer does not consummate the Exchange Offer (or shelf registration, if applicable) as provided in the Registration Rights Agreement. The Initial Notes will bear interest from, and including, the Issue Date.

ARTICLE THREE

REDEMPTION

SECTION 3.01. Election to Redeem; Notices to Trustee.

If the Issuer elects to redeem Notes pursuant to paragraph 6 of the Notes, at least 30 days prior to the Redemption Date (unless a shorter notice shall be agreed to in writing by the Trustee), the Issuer shall notify the Trustee in writing of the Redemption Date, the principal amount of Notes to be redeemed and the redemption price, and deliver to the Trustee an Officer's Certificate stating that such redemption will comply with the conditions contained in paragraph 6 of the Notes. Notice given to the Trustee pursuant to this Section 3.01 may not be revoked after the time that notice is given to Holders pursuant to Section 3.03, except as provided in Section 3.04.

SECTION 3.02. Selection by Trustee of Notes To Be Redeemed.

In the event that less than all of the Notes are to be redeemed at any time pursuant to a redemption made pursuant to paragraph 6 of such Notes, selection of the Notes for redemption shall be made on a pro rata basis (if the Notes are issued in physical form) or in accordance with the Depository's applicable procedures (if the Notes are issued in global form) and in each case, if the Notes are listed on a national securities exchange, in compliance with the requirements of the principal national securities exchange on which the Notes are listed; *provided, however*, that no Notes of a principal amount of \$2,000 or less shall be redeemed in part. If a partial redemption is made pursuant to paragraph 6 of the Notes, selection of the Notes or portions thereof for redemption shall be made by the Trustee only on a *pro rata* basis or on as nearly a *pro rata* basis as is practicable (subject to the procedures of the Depository), unless that method is otherwise prohibited. The Trustee shall promptly notify the Issuer of the Notes selected for redemption and, in the case of any Notes selected for partial redemption, the principal amount thereof to be redeemed. The Trustee may select for redemption portions of the principal of the Notes that have denominations

larger than \$2,000. For all purposes of this Indenture unless the context otherwise requires, provisions of this Indenture that apply to Notes called for redemption also apply to portions of Notes called for redemption. The Issuer may acquire Notes by means other than redemption, whether pursuant to an Issuer tender offer, open market purchase or otherwise, *provided* such acquisition does not otherwise violate the other terms of this Indenture.

SECTION 3.03. Notice of Redemption.

At least 30 days, and no more than 60 days, before a Redemption Date, the Issuer shall mail, cause to be mailed, or delivered electronically if held by the Depository, notice of redemption to each Holder to be redeemed at his or her last address as the same appears on the registry books maintained by the Registrar pursuant to Section 2.04, except that redemption notices may be mailed, or delivered electronically if held by the Depository, more than 60 days prior to a Redemption Date if the notice is issued in connection with a satisfaction and discharge of this Indenture. If the Issuer mails such notice to Holders, it shall mail a copy of such notice to the Trustee at the same time.

The notice shall identify the Notes to be redeemed (including the CUSIP numbers, ISIN and Common Code numbers, if any thereof) and shall state:

- (1) the Redemption Date;
- (2) the redemption price and the amount of premium (or the manner of calculation the redemption price and/or premium) and accrued interest to be paid;
- (3) if any Note is being redeemed in part, the portion of the principal amount of such Note to be redeemed and that, after the Redemption Date and upon surrender of such Note, a new Note or Notes in principal amount equal to the unredeemed portion shall be issued;
- (4) the name and address of the Paying Agent;

- (5) that Notes called for redemption must be surrendered to the Paying Agent to collect the redemption price;
- (6) that unless the Issuer defaults in making the redemption payment, interest on Notes called for redemption ceases to accrue on and after the Redemption Date;
- (7) that the Notes are being redeemed pursuant to paragraph 6 of the Notes;
- (8) the aggregate principal amount of Notes that are being redeemed; and
- (9) if the redemption is conditional, a description of the applicable conditions and the date by which such conditions are expected to be satisfied.

At the Issuer's written request made at least five Business Days prior to the date on which notice is to be given (or such shorter period as the Trustee in its sole discretion may agree), the Trustee shall give the notice of redemption prepared by the Issuer, in the Issuer's name and at the Issuer's sole expense. In such event, the Issuer shall provide the Trustee with the information required by this Section 3.03.

43

SECTION 3.04. Effect of Notice of Redemption.

Except as provided below in the next paragraph, once the notice of redemption described in Section 3.03 is mailed, Notes called for redemption become due and payable on the Redemption Date and at the redemption price, including any premium, plus interest accrued to the Redemption Date. Upon surrender to the Paying Agent, such Notes shall be paid at the redemption price, including any premium, plus interest accrued to the Redemption Date, *provided* that if the Redemption Date is after a regular record date and on or prior to the Interest Payment Date, the accrued interest shall be payable to the Holder of the redeemed Notes registered on the relevant record date, and *provided, further*, that if a Redemption Date is not a Business Day, payment shall be made on the next succeeding Business Day and no interest shall accrue for the period from such Redemption Date to such succeeding Business Day. Failure to give notice or any defect in the notice to any Holder shall not affect the validity of the notice to any other Holder.

Any redemption or notice may, at the Issuer's option, be subject to the satisfaction of one or more conditions precedent. In addition, if such redemption or notice is subject to satisfaction of one or more conditions precedent, such notice shall state that, in the Issuer's discretion, the Redemption Date may be delayed until such time as any or all such conditions shall be satisfied, or such redemption may not occur and such notice may be rescinded in the event that any or all such conditions shall not have been satisfied by the Redemption Date, or by the Redemption Date so delayed.

The Issuer may provide in any notice that payment of the redemption price and accrued and unpaid interest, if any, and the performance of the Issuer's obligations with respect to such redemption may be performed by another Person.

SECTION 3.05. Deposit of Redemption Price.

On or prior to 11:00 a.m., New York City time, on each Redemption Date, the Issuer shall deposit with the Paying Agent in immediately available funds money sufficient to pay the redemption price of, including premium, if any, and accrued interest on all Notes to be redeemed on that date other than Notes or portions thereof called for redemption on that date which have been delivered by the Issuer to the Trustee for cancellation. Promptly after the calculation of the redemption price, the Issuer shall give the Trustee and any Paying Agent written notice thereof.

On and after any Redemption Date, if money sufficient to pay the redemption price of, including premium, if any, and accrued interest on Notes called for redemption shall have been made available in accordance with the preceding paragraph, the Notes called for redemption shall cease to accrue interest and the only right of the Holders of such Notes shall be to receive payment of the redemption price of and, subject to the first proviso in Section 3.04, accrued and unpaid interest on such Notes to the Redemption Date. If any Note surrendered for redemption shall not be so paid, interest shall be paid, from the Redemption Date until such redemption payment is made, on the unpaid principal of the Note and any interest not paid on such unpaid principal, in each case, at the rate and in the manner provided in the Notes.

SECTION 3.06. Notes Redeemed in Part.

Upon surrender of a Note that is redeemed in part, the Issuer shall execute and the Trustee shall authenticate for the Holder thereof a new Note equal in principal amount to the unredeemed portion of the Note surrendered.

44

SECTION 3.07. Mandatory Redemption.

Except as set forth in Section 4.14, the Issuer shall not be required to make mandatory redemption payments with respect to the Notes.

ARTICLE FOUR

COVENANTS

SECTION 4.01. Payment of Notes.

The Issuer shall pay the principal of and interest on the Notes on the dates and in the manner provided in the Notes and this Indenture. An installment of principal or interest shall be considered paid on the date it is due if the Trustee or Paying Agent holds by 11:00 a.m. on that date money designated for and sufficient to pay such installment.

The Issuer shall pay interest on overdue principal (including post-petition interest in a proceeding under any Bankruptcy Law), and overdue interest, to the extent lawful, at the rate specified in the Notes.

SECTION 4.02. Reports to Holders.

(a) Notwithstanding that the Issuer may not be subject to the reporting requirements of Section 13 or 15(d) of the Exchange Act or otherwise report on an annual and quarterly basis on forms provided for such annual and quarterly reporting pursuant to rules and regulations promulgated by the SEC, the Issuer will file with the SEC (and make available to the Trustee and Holders of the Notes, without cost to any Holder, within 15 days after it files (or is otherwise required to file) them with the SEC) from and after the Issue Date,

(1) within 90 days (or any other time period then in effect under the rules and regulations of the Exchange Act with respect to the filing of a Form 10-K by a non-accelerated filer) after the end of each fiscal year, annual reports on Form 10-K, or any successor or comparable form, containing the information required to be contained therein, or required in such successor or comparable form;

(2) within 45 days after the end of each of the first three fiscal quarters of each fiscal year, reports on Form 10-Q containing all quarterly information that would be required to be contained in Form 10-Q, or any successor or comparable form;

(3) promptly from time to time after the occurrence of an event required to be therein reported, such other reports on Form 8-K, or any successor or comparable form; and

(4) any other information, documents and other reports which the Issuer would be required to file with the SEC if it were subject to Section 13 or 15(d) of the Exchange Act;

in each case in a manner that complies in all material respects with the requirements specified in such form; *provided* that the Issuer shall not be so obligated to file such reports with the SEC if the SEC does not permit such filing, in which event the Issuer will make available such information to prospective

45

purchasers of Notes, in addition to providing such information to the Trustee and the Holders of the Notes, in each case within 15 days after the time the Issuer would be required to file such information with the SEC if it were subject to Section 13 or 15(d) of the Exchange Act. In addition, to the extent not satisfied by the foregoing, the Issuer will agree that, for so long as any Notes are outstanding, it will furnish to Holders and to securities analysts and prospective investors, upon their request, the information required to be delivered pursuant to Rule 144A(d)(4) under the Securities Act.

(b) Notwithstanding the foregoing, such requirements shall be deemed satisfied for any particular period or report prior to the commencement of the exchange offer or the effectiveness of the shelf registration statement described in the Registration Rights Agreement (1) by the filing with the SEC of the exchange offer registration statement or shelf registration statement (or any other registration statement, including a registration statement on Form S-1), and any amendments thereto, with such financial information that satisfies Regulation S-X, subject to exceptions consistent with the presentation of financial information in the Offering Memorandum, to the extent filed within the times specified above, or (2) by posting reports that would be required to be filed substantially in the form required by the SEC on the Issuer's website and providing such reports to the Trustee within 15 days after the time the Issuer would be required to file such information with the SEC if it were subject to Section 13 or 15(d) of the Exchange Act, with such financial information (including a "Management's discussion and analysis of financial condition and results of operations" section) that would be required to be included in such reports, subject to exceptions consistent with the presentation of financial information in the Offering Memorandum, to the extent filed within the times specified above.

(c) Delivery of such reports and information to the Trustee shall be for informational purposes only and the Trustee's receipt of them shall not constitute constructive notice of any information contained therein or determinable from information contained therein (including the Issuer's compliance with any of its covenants under this Indenture as to which the Trustee is entitled to rely exclusively on an Officer's Certificate).

SECTION 4.03. Waiver of Stay, Extension or Usury Laws.

Each of the Issuer and the Guarantors covenants (to the extent that it may lawfully do so) that it shall not at any time insist upon, or plead (as a defense or otherwise) or in any manner whatsoever claim or take the benefit or advantage of, any stay or extension law or any usury law or other law which would prohibit or forgive any of the Issuer and the Guarantors from paying all or any portion of the principal of, premium, if any, and/or interest on the Notes as contemplated herein, wherever enacted, now or at any time hereafter in force, or which may affect the covenants or the performance of this Indenture; and (to the extent that they may lawfully do so) each of the Issuer and the Guarantors hereby expressly waives all benefit or advantage of any such law, and covenants that it shall not hinder, delay or impede the execution of any power herein granted to the Trustee, but shall suffer and permit the execution of every such power as though no such law had been enacted.

SECTION 4.04. Compliance Certificate; Notice of Default.

(a) The Issuer shall deliver to the Trustee, within 120 days after the end of each fiscal year, an Officer's Certificate stating that a review of the activities of the Issuer and its Subsidiaries during such fiscal year has been made under the supervision of the signing Officers with a view to determining whether the Issuer and the Guarantors have kept, observed, performed and fulfilled their obligations under this Indenture, and further stating, as to each such Officer signing such certificate, that to the best of his or her knowledge, the Issuer and the Guarantors have kept, observed, performed and

46

fulfilled each and every covenant contained in this Indenture and no Default occurred during such period (or, if a Default shall have occurred, describing all such Defaults of which he or she may have knowledge and what action they are taking or propose to take with respect thereto).

(b) The Issuer shall, so long as any of the Notes are outstanding, deliver to the Trustee, forthwith upon any Officer becoming aware of any Default, an Officer's Certificate specifying such Default and what action the Issuer is taking or proposes to take with respect thereto.

SECTION 4.05. Limitations on Incurrence of Indebtedness.

(a) The Issuer will not, and will not permit any Restricted Subsidiary to, directly or indirectly, incur any Indebtedness; *provided* that the Issuer or any Guarantor may incur additional Indebtedness, in each case, if, as of the date of incurrence, after giving effect to such incurrence and the application of the proceeds therefrom, the Consolidated Leverage Test would be satisfied (the "Leverage Ratio Exception").

(b) Notwithstanding the above, each of the following shall be permitted (the "Permitted Indebtedness"):

(1) Indebtedness of the Issuer and any Restricted Subsidiary under Credit Facilities (including the Credit Agreement) in an aggregate principal amount at any time outstanding not to exceed the sum of (x) \$1,300.0 million plus (y) any additional aggregate principal amount of Indebtedness that at the time of incurrence does not cause the Secured Leverage Ratio for the Issuer for the Test Period immediately preceding the date of incurrence after giving effect to such incurrence and the application of the proceeds therefrom to exceed 4.00 to 1.00; *provided* that any Indebtedness incurred under this clause (1) shall be deemed to be secured Indebtedness for purposes of calculating the Secured Leverage Ratio;

(2) the Notes (other than Additional Notes) and any related Note Guarantees and the Exchange Notes or guarantees related thereto;

(3) Indebtedness of the Issuer and the Restricted Subsidiaries to the extent outstanding on the Issue Date, including the Existing Notes (other than Indebtedness referred to in clause (1), (2) or (4));

(4) (x) Indebtedness of the Issuer owed to any Restricted Subsidiary or of a Restricted Subsidiary owed to any other Restricted Subsidiary or the Issuer and (y) guarantees by any Restricted Subsidiary or the Issuer of any Indebtedness of the Issuer or any other Restricted Subsidiary; *provided, however*, that if such Indebtedness is owed by the Issuer or a Guarantor to a non-Guarantor it is subordinated in right of payment to the Notes; *provided, further, however*, that upon any such Indebtedness being owed to any Person other than the Issuer or a Restricted Subsidiary or any such guarantee being of Indebtedness of any Person other than the Issuer or a Restricted Subsidiary, as applicable, the Issuer or such Restricted Subsidiary, as applicable, shall be deemed to have incurred Indebtedness not permitted by this clause (4);

(5) Indebtedness in respect of bid, performance, surety bonds or completion bonds issued for the account of the Issuer or any Restricted Subsidiary in the ordinary course of business, including guarantees or obligations of the Issuer or any Restricted Subsidiary with respect to letters of credit supporting such bid, performance, surety or completion obligations;

47

(6) Purchase Money Indebtedness or Capitalized Lease Obligations incurred by the Issuer or any Restricted Subsidiary, and Refinancing Indebtedness thereof, in an aggregate amount not to exceed at any time outstanding the greater of \$50.0 million or 2.0% of Total Assets as of the time of incurrence;

(7) Indebtedness arising (A) from the honoring by a bank or other financial institution of a check, draft or similar instrument drawn against insufficient funds in the ordinary course of business; *provided, however*, that such Indebtedness is extinguished within five Business Days of incurrence or (B) under any customary cash pooling or cash management agreement with a bank or other financial institution in the ordinary course of business or (C) pursuant to any treasury transaction in the ordinary course of business;

(8) Indebtedness arising in connection with endorsement of instruments for deposit in the ordinary course of business;

(9) Refinancing Indebtedness with respect to Indebtedness incurred pursuant to the Leverage Ratio Exception or clause (1)(y), (2), (3) or (6) above, this clause (9) or clause (11) or (12) below;

(10) indemnification, adjustment of purchase price, deferred purchase price, contingent consideration or other compensation or similar obligations, in each case, incurred or assumed in connection with the making of any Permitted Investment or the acquisition or disposition of any business or assets of the Issuer or any Restricted Subsidiary or Equity Interests of a Restricted Subsidiary, other than guarantees of Indebtedness incurred by any Person acquiring all or any portion of such business, assets or Equity Interests for the purpose of financing or in contemplation of any such acquisition; *provided* that in the case of a disposition, the maximum aggregate liability in respect of all such obligations incurred or assumed in connection with such disposition outstanding under this clause (10) shall at no time exceed the gross proceeds (including Fair Market Value of non-cash proceeds measured at the time such non-cash proceeds are received) actually received by the Issuer and its Restricted Subsidiaries in connection with such disposition;

(11) Indebtedness of Subsidiaries that are not Guarantors if, after giving effect to such incurrence and the application of the proceeds thereof, the aggregate principal amount of such indebtedness at any time outstanding and Refinancing Indebtedness thereof does not exceed the greater of \$100.0 million and 4.0% of Total Assets as of the time of incurrence (less the amount of any Indebtedness secured by a Lien permitted under clause (26) of the definition of "Permitted Liens" which Indebtedness is not incurred pursuant to this clause (11));

(12) Acquired Indebtedness; *provided* that the Issuer would be permitted to incur an additional \$1.00 of Indebtedness under the Consolidated Leverage Test or the Consolidated Leverage Ratio for the Issuer and its Restricted Subsidiaries, calculated after giving effect to such incurrence and on a *pro forma* basis, would be less than or equal to the Consolidated Leverage Ratio for the Issuer and its Restricted Subsidiaries immediately prior to such transaction;

(13) guarantees by the Issuer or any Restricted Subsidiary of any Indebtedness that it is otherwise permitted to incur pursuant to clauses (1) to (12) above and clause (14) below;

48

- (14) Indebtedness of the Issuer or any Restricted Subsidiary in an aggregate amount not to exceed at any time outstanding the greater of \$50.0 million and 2.0% of Total Assets as of the time of incurrence;
- (15) Indebtedness representing deferred compensation incurred in the ordinary course of business;
- (16) Indebtedness supported by a letter of credit, bank guarantee or similar instrument, in principal amount not in excess of the stated amount of such letter of credit, bank guarantee or similar instrument;
- (17) any Indebtedness in respect of sale and leaseback transactions in an aggregate amount at any time outstanding not to exceed the greater of \$25.0 million and 1.0% of Total Assets as of the time of incurrence;
- (18) the disposition of accounts receivable in connection with receivables factoring arrangements in the ordinary course of business;
- (19) Indebtedness of the Issuer or any Restricted Subsidiary consisting of obligations for the payment of letters of credit in commitment amounts not to exceed \$10.0 million in the aggregate at any one time outstanding, excluding commitment amounts for any letters of credit issued pursuant to the Credit Facilities;
- (20) any guarantee by the Issuer or any of its Restricted Subsidiaries, in the ordinary course of business, of obligations of suppliers, customers, franchisees and licensees of the Issuer or any of its Restricted Subsidiaries;
- (21) unsecured Indebtedness in respect of obligations of the Issuer or any of its Restricted Subsidiaries to pay the deferred purchase price of goods or services or progress payments in connection with such goods and services; *provided* that such obligations are incurred in connection with open accounts extended by suppliers on customary trade terms (which require that all such payments be made within 60 days after the incurrence of the related obligations) in the ordinary course of business and not in connection with the borrowing of money; and
- (22) reimbursement obligations with respect to letters of credit, bank guarantees, warehouse receipts or similar instruments issued in the ordinary course of business, and Indebtedness of the Issuer in respect of letters of credit issued by the Issuer for its own account or for the account of any of its Restricted Subsidiaries.

For purposes of determining compliance with this Section 4.05, in the event that an item of Indebtedness meets the criteria of more than one of the categories of Permitted Indebtedness described in clauses (1) through (22) above or is entitled to be incurred pursuant to the Leverage Ratio Exception, the Issuer shall, in its sole discretion, classify such item of Indebtedness and may divide, classify and later reclassify such Indebtedness in more than one of the types of Indebtedness described above (*provided* that at the time of reclassification it meets the criteria in such category or categories), except that Indebtedness outstanding on the Issue Date under the Credit Agreement shall be deemed to have been incurred under clause (1)(x) and the Notes issued on the Issue Date (and any Exchange Notes and guarantees thereof) shall be deemed to have been incurred under clause (2) above. In addition, for purposes of determining any particular amount of Indebtedness under this Section 4.05, guarantees, Liens or letter of credit obligations

supporting Indebtedness otherwise included in the determination of such particular amount shall not be included so long as incurred by a Person that could have incurred such Indebtedness.

For purposes of determining compliance with any U.S. dollar-denominated restriction on the incurrence of Indebtedness, the U.S. dollar-equivalent principal amount of Indebtedness denominated in a foreign currency shall be calculated based on the relevant currency exchange rate in effect on the date such Indebtedness was incurred, in the case of term debt, or first committed or first incurred (whichever yields the lower U.S. dollar equivalent), in the case of revolving credit debt; *provided* that if such Indebtedness is incurred to refinance other Indebtedness denominated in a foreign currency, and such refinancing would cause the applicable U.S. dollar-denominated restriction to be exceeded if calculated at the relevant currency exchange rate in effect on the date of such refinancing, such U.S. dollar-denominated restriction shall be deemed not to have been exceeded so long as the Indebtedness represented by such guarantees, Liens or letter of credit obligations was incurred in compliance with this Section 4.05. Accrual of interest, the accretion of accreted value, the accretion or amortization of original issue discount and the payment of interest in the form of additional Indebtedness of the same class will not be deemed to be an incurrence of Indebtedness for purposes of this covenant.

SECTION 4.06. Limitations on Restricted Payments.

The Issuer will not, and will not permit any Restricted Subsidiary to, directly or indirectly, make any Restricted Payment unless at the time of such Restricted Payment:

- (1) no Default shall have occurred and be continuing or shall occur as a consequence thereof; and
- (2) after making such Restricted Payment the Consolidated Leverage Test would be satisfied.

The foregoing provisions will not prohibit:

- (1) the payment by the Issuer or any Restricted Subsidiary of any dividend or the consummation of any irrevocable redemption within 60 days after the date of declaration thereof or giving the notice of the redemption, if on the date of declaration or notice the payment would have complied with the provisions of this Indenture (assuming, in the case of redemption, the giving of the notice would have been deemed to be a Restricted Payment at such time and such deemed Restricted Payment would have been permitted at such time);
- (2) the redemption of any Equity Interests of the Issuer in exchange for, or out of the proceeds of the substantially concurrent issuance and sale of, Qualified Equity Interests;
- (3) the purchase, repurchase, redemption, defeasance, retirement for value or other acquisition of Subordinated Indebtedness of the Issuer or any Restricted Subsidiary (a) in exchange for, or out of the proceeds of the issuance and sale of Qualified Equity Interests within the

preceding six months, (b) in exchange for, or out of the proceeds of the substantially concurrent incurrence of, Refinancing Indebtedness permitted to be incurred under Section 4.05 and the other terms of this Indenture, (c) upon a Change of Control or in connection with a sale of assets to the extent required by the agreement governing such Subordinated Indebtedness but only if the Issuer shall have complied with Section 4.14 (to the extent applicable) and purchased all Notes validly tendered pursuant to the relevant offer prior to redeeming such Subordinated

Indebtedness or (d) deemed to occur as a result of the conversion of all or a portion of such Subordinated Indebtedness into Equity Interests of the Issuer;

(4) repurchase, redemption or other acquisition for value by the Issuer of, Equity Interests of the Issuer held by officers, directors or employees or former officers, directors or employees of the Issuer and any Restricted Subsidiary (or their transferees, estates or beneficiaries under their estates), upon their death, disability, retirement, severance or termination of employment or service; *provided* that the aggregate cash consideration paid for all such redemptions shall not exceed \$10.0 million during any twelve consecutive months (with unused amounts in any period being carried over to succeeding periods); *provided, further*, that cancellation of Indebtedness owing to the Issuer or any Restricted Subsidiary from any current or former officer, director or employee (or any permitted transferees thereof) of the Issuer or any of its Restricted Subsidiaries (or any direct or indirect parent company thereof), in connection with a repurchase of Equity Interests of the Issuer from such Persons will not be deemed to constitute a Restricted Payment for purposes of this covenant or any other provisions of this Indenture;

(5) repurchases of Equity Interests deemed to occur (a) upon the exercise of stock options, warrants, or similar rights if the Equity Interests represent all or a portion of the exercise price thereof or (b) in connection with the satisfaction of any withholding tax obligations incurred relating to the vesting or exercise of stock options, warrants, restricted stock units or similar rights;

(6) any Restricted Payment made out of the net cash proceeds of the substantially concurrent sale of, or made by exchange for, Qualified Equity Interests of the Issuer (other than Qualified Equity Interests issued or sold to a Restricted Subsidiary of the Issuer or an employee stock ownership plan or to a trust established by the Issuer or any of its Restricted Subsidiaries for the benefit of their employees) or a substantially concurrent cash capital contribution received by the Issuer from its stockholders;

(7) Restricted Payments pursuant to and in accordance with stock option plans or other benefit plans for current or former directors, management, employees or consultants of the Issuer and its Restricted Subsidiaries;

(8) payments or distributions to dissenting stockholders pursuant to applicable law, pursuant to or in connection with a consolidation, merger or transfer of all or substantially all of the assets of the Issuer and its Restricted Subsidiaries that complies with the provisions of Section 5.01; *provided* that, as a result of such consolidation, merger or transfer of assets, the Issuer has made or will make a Change of Control Offer pursuant to Section 4.14 (if required) and any notes tendered in connection therewith have been or will be repurchased;

(9) other Restricted Payments not otherwise permitted under this Indenture in an aggregate amount from and after the Issue Date not to exceed the greater of \$50.0 million or 2.0% of Total Assets, calculated as of the date on which any Restricted Payment pursuant to this clause (9) is made;

(10) Restricted Payments made in connection with the Match Transactions; and

(11) Restricted Payments to any member of the IAC Group that is a direct or indirect parent of the Issuer:

(a) the proceeds of which will be used to pay the consolidated, combined or similar income tax liability of such parent's income tax group that is attributable to the income of the Issuer or its Subsidiaries; *provided* that (x) no such payments with respect to any taxable year shall exceed the amount of such income tax liability that would have been imposed on the Issuer and/or the applicable Subsidiaries had such entity(ies) filed on a stand-alone basis and (y) any such payments attributable to an Unrestricted Subsidiary shall be limited to the amount of any cash paid by such Unrestricted Subsidiary to the Issuer or any Restricted Subsidiary for such purpose; and

(b) Permitted Parent Payments;

provided that in the case of any Restricted Payment pursuant to clause (3) or (7) above, no Default shall have occurred and be continuing or occur as a consequence thereof.

For purposes of this covenant, if a particular Restricted Payment involves a non-cash payment, including a distribution of assets, then such Restricted Payment shall be deemed to be an amount equal to the cash portion of such Restricted Payment, if any, plus an amount equal to the Fair Market Value of the non-cash portion of such Restricted Payment. In addition, for purposes of determining compliance with this covenant, in the event that a Restricted Payment meets the criteria of more than one of the types of Restricted Payments described above, the Issuer may order and classify, and from time to time may reclassify, such Restricted Payment if that classification would have been permitted at the time such Restricted Payment was made or at the time of the reclassification.

SECTION 4.07. Limitations on Asset Sales.

The Issuer will not, and will not permit any Restricted Subsidiary to, directly or indirectly, consummate any Asset Sale unless at the time of such transaction and after giving effect thereto and to the use of proceeds thereof, (a) no Default shall have occurred and be continuing, (b) the Issuer or such Restricted Subsidiary, as the case may be, receives consideration at least equal to the Fair Market Value of the assets sold or otherwise disposed of, and (c) in the case of an Asset Sale other than an Asset Swap, at least 75% of the consideration therefor received by the Issuer or such Restricted Subsidiary, as the case may be, is in the form of cash or Cash Equivalents; *provided* that the amount of:

(1) any liabilities (as reflected in the Issuer's or such Restricted Subsidiary's most recent balance sheet or in the footnotes thereto, or if incurred or accrued subsequent to the date of such balance sheet, such liabilities that would have been shown on the Issuer's or such Restricted Subsidiary's balance sheet or in the footnotes thereto if such incurrence or accrual had taken place on the date of such balance sheet) of the Issuer or such Restricted Subsidiary, other than liabilities that are by their terms expressly subordinated in right of payment to the Notes, that are assumed by the transferee of any such assets and for which the Issuer and all of its Restricted Subsidiaries have been validly released by all creditors in writing,

(2) any securities, notes or other similar obligations received by the Issuer or such Restricted Subsidiary from such transferee that are converted by the Issuer or such Restricted Subsidiary into cash or Cash Equivalents (to the extent so converted) within 180 days following the closing of such Asset Sale, and

(3) any Designated Non-Cash Consideration received by the Issuer or any Restricted Subsidiary in such Asset Sale having an aggregate Fair Market Value, taken together with all other

52

Designated Non-Cash Consideration received pursuant to this clause (3) that is at that time outstanding, not to exceed an amount equal to the greater of \$100.0 million and 3.0% of Total Assets at the time of the receipt of such Designated Non-Cash Consideration, with the Fair Market Value of each item of Designated Non-Cash Consideration being measured at the time received and without giving effect to subsequent changes in value, shall be deemed to be cash or Cash Equivalents for purposes of this provision and for no other purpose.

SECTION 4.08. Limitations on Transactions with Affiliates.

The Issuer will not, and will not permit any Restricted Subsidiary to, directly or indirectly, in one transaction or a series of related transactions, sell, lease, transfer or otherwise dispose of any of its assets to, or purchase any assets from, or enter into any contract, agreement, loan, advance or guarantee with, or for the benefit of, any Affiliate involving payment or consideration in excess of \$5.0 million (an "Affiliate Transaction"), unless, as determined by the Issuer, such Affiliate Transaction is on terms that are no less favorable to the Issuer or the relevant Restricted Subsidiary than those that would have been obtained in a comparable transaction at such time on an arm's-length basis by the Issuer or that Restricted Subsidiary from a Person that is not an Affiliate of the Issuer or that Restricted Subsidiary.

The foregoing restrictions shall not apply to:

- (1) transactions between or among the Issuer and its Restricted Subsidiaries not involving any other Affiliate;
- (2) as determined by the Issuer, reasonable director, officer and employee compensation (including bonuses) and other benefits (including retirement, health, and stock compensation plans) and indemnification arrangements and performance of such arrangements;
- (3) any issuance of securities, or other payments, awards or grants in cash, securities or otherwise, in each case pursuant to, or the funding of, employment arrangements, stock options and stock ownership plans in the ordinary course of business;
- (4) Permitted Investments;
- (5) Restricted Payments which are made in accordance with Section 4.06;
- (6) (x) any agreement or arrangement in effect on the Issue Date, as in effect on the Issue Date or as thereafter amended or replaced in any manner, that, taken as a whole, is not more disadvantageous to the Holders or the Issuer in any material respect than such agreement or arrangement as it was in effect on the Issue Date (as determined in good faith by the Issuer) or (y) any transaction pursuant to any agreement or arrangement referred to in the immediately preceding clause (x);
- (7) any transaction with a joint venture or similar entity which would constitute an Affiliate Transaction solely because the Issuer or a Restricted Subsidiary owns an Equity Interest in or otherwise controls such joint venture or similar entity;
- (8) ordinary overhead arrangements in which any Subsidiary participates;

53

(9) (a) any transaction with an Affiliate where the only consideration paid by the Issuer or any Restricted Subsidiary is Qualified Equity Interests or (b) the issuance or sale of any Qualified Equity Interests;

(10) any transaction entered into by a Person prior to the time such Person becomes a Restricted Subsidiary or is merged or consolidated into the Issuer or a Restricted Subsidiary;

(11) the issuance or sale of any Qualified Equity Interest of the Issuer to any Person;

(13) any transactions made in connection with, or pursuant to agreements entered into in connection with, the Match Transactions and any amendment or replacement thereof in any manner, that, taken as a whole, is not more disadvantageous to the Issuer in any material respect than such agreement or arrangement (as determined in good faith by the Issuer).

SECTION 4.09. Limitations on Liens.

The Issuer will not, and will not permit any Restricted Subsidiary to, directly or indirectly, create, incur, assume or permit or suffer to exist any Lien (other than Permitted Liens) of any nature whatsoever against any assets (including Equity Interests of a Restricted Subsidiary) of the Issuer or any Restricted Subsidiary, whether owned at the Issue Date or thereafter acquired, which Lien secures Indebtedness or Hedging Obligations unless:

- (1) in the case of Liens securing Indebtedness that is Subordinated Indebtedness, the Notes or the Note Guarantee of such Restricted Subsidiary, if any, are secured by a Lien on such assets that is senior in priority to such Liens; and
- (2) in all other cases, the Notes or the Note Guarantee of such Restricted Subsidiary, if any, are secured equally and ratably with or prior to such Liens;

provided that any Lien which is granted to secure the Notes or any Note Guarantee under this covenant shall be discharged at the same time as the discharge of the Lien that gave rise to the obligation to so secure the Notes or such Note Guarantee, as the case may be.

SECTION 4.10. Future Note Guarantees.

If, after the Issue Date, (a) any Restricted Subsidiary (including any newly formed, newly acquired or newly Redesignated Restricted Subsidiary) incurs any Indebtedness or guarantees any Indebtedness of the Issuer or a Domestic Subsidiary in either case in reliance on the Leverage Ratio Exception or (b) the Issuer otherwise elects to have any Restricted Subsidiary become a Guarantor, then, in each such case, the Issuer shall cause such Restricted Subsidiary to:

- (1) execute and deliver to the Trustee (a) a supplemental indenture in form and substance satisfactory to the Trustee pursuant to which such Restricted Subsidiary shall unconditionally guarantee all of the Issuer's obligations under the Notes and this Indenture and (b) a notation of guarantee in respect of its Note Guarantee; and

54

- (2) deliver to the Trustee one or more opinions of counsel that such supplemental indenture (a) has been duly authorized, executed and delivered by such Restricted Subsidiary and (b) constitutes a valid and legally binding obligation of such Restricted Subsidiary in accordance with its terms (subject to customary qualifications).

SECTION 4.11. Limitations on Dividend and Other Restrictions Affecting Restricted Subsidiaries.

The Issuer shall not, and shall not permit any Restricted Subsidiary to, directly or indirectly, create or otherwise cause or permit to exist or become effective any consensual encumbrance or consensual restriction on the ability of any Restricted Subsidiary to:

- (a) pay dividends or make any other distributions on or in respect of its Equity Interests held by the Issuer or a Restricted Subsidiary;
- (b) make loans or advances or pay any Indebtedness or other obligation owed to the Issuer or any Guarantor; or
- (c) transfer any of its assets to the Issuer or any Guarantor;

except for:

- (1) encumbrances or restrictions existing under or by reason of applicable law, regulation or order;
- (2) encumbrances or restrictions existing under this Indenture, the Notes, the Note Guarantees and Exchange Notes (and any guarantees thereof);
- (3) non-assignment provisions of any contract or any lease entered into in the ordinary course of business;
- (4) encumbrances or restrictions existing under agreements existing on the Issue Date (including, without limitation, the Credit Agreement and the Existing Notes Indenture) as in effect on that date;
- (5) encumbrances or restrictions relating to any Lien permitted under this Indenture imposed by the holder of such Lien that limit the right of the relevant obligor to transfer assets that are subject to such Lien;
- (6) encumbrances or restrictions imposed under any agreement to sell assets, including Qualified Equity Interests of such Restricted Subsidiary, permitted under this Indenture to any Person pending the closing of such sale;
- (7) any instrument or agreement governing Acquired Indebtedness, which encumbrance or restriction is not applicable to any Person, or the properties or assets of any Person, other than the Person or the properties or assets of the Person so acquired;

55

- (8) any other instrument or agreement entered into after the Issue Date that contains encumbrances and restrictions that, as determined by the Issuer, will not materially adversely affect the Issuer's ability to make principal or interest payments on the Notes;

- (9) customary provisions in partnership agreements, limited liability company organizational governance documents, joint venture agreements, shareholder agreements and other similar agreements;

- (10) Purchase Money Indebtedness or Capitalized Lease Obligations incurred in compliance with Section 4.05 that impose restrictions of the nature described in clause (c) above on the assets acquired;

(11) encumbrances or restrictions on cash or other deposits or net worth imposed by suppliers, customers or landlords under contracts entered into in the ordinary course of business;

(12) with respect to clause (c) only, any encumbrance or restriction consisting of customary nonassignment provisions in leases governing leasehold interests, licenses, joint venture agreements and agreements similar to any of the foregoing to the extent such provisions restrict the transfer of the property subject to such leases, licenses, joint venture agreements or similar agreements;

(13) with respect to clause (c) only, any encumbrance or restriction contained in security agreements or mortgages securing Indebtedness of a Restricted Subsidiary to the extent such encumbrance or restriction restricts the transfer of the property subject to such security agreements or mortgages;

(14) any encumbrances or restrictions imposed by any amendments, modifications, restatements, renewals, increases, supplements, refundings, replacements or refinancings of the contracts, agreements, instruments or obligations referred to in clauses (1) through (13) above; *provided* that, as determined by the Issuer, such amendments, modifications, restatements, renewals, increases, supplements, refundings, replacements or refinancings (a) are not materially more restrictive with respect to such encumbrances and restrictions than those prior to such amendments, modifications, restatements, renewals, increases, supplements, refundings, replacements or refinancings or (b) as determined by the Issuer, will not materially adversely affect the Issuer's ability to make principal or interest payments on the Notes; and

(15) encumbrances or restrictions imposed on any member of the Match Group in connection with the Match Transactions.

SECTION 4.12. Limitations on Designation of Unrestricted Subsidiaries.

At any time prior to a Suspension Event (or after the Reversion Date with respect thereto), the Issuer may designate any Subsidiary (including any newly formed or newly acquired Subsidiary) of the Issuer as an "Unrestricted Subsidiary" under this Indenture (a "Designation") only if:

(1) no Default shall have occurred and be continuing at the time of or after giving effect to such Designation; and

56

(2) immediately after giving effect to such Designation, the Consolidated Leverage Test would be satisfied.

No Subsidiary shall be Designated as an "Unrestricted Subsidiary" unless such Subsidiary:

(1) has no Indebtedness other than Non-Recourse Debt and other obligations arising by operation of law, including joint and several liability for taxes, ERISA obligations and similar items, except, in each case, pursuant to Investments which are made in accordance with Section 4.06;

(2) is not party to any agreement, contract, arrangement or understanding with the Issuer or any Restricted Subsidiary unless the terms of the agreement, contract, arrangement or understanding comply with Section 4.08; and

(3) is a Person with respect to which neither the Issuer nor any Restricted Subsidiary has any direct or indirect obligation (a) to subscribe for additional Equity Interests or (b) to maintain or preserve the Person's financial condition or to cause the Person to achieve any specified levels of operating results, except, in each case, pursuant to Investments which are made in accordance with Section 4.06.

The Issuer may redesignate an Unrestricted Subsidiary as a Restricted Subsidiary (a "Redesignation") only if:

(1) no Default shall have occurred and be continuing at the time of and after giving effect to such Redesignation; and

(2) all Liens, Indebtedness and Investments of such Unrestricted Subsidiary outstanding immediately following such Redesignation would, if incurred or made at such time, have been permitted to be incurred or made for all purposes of this Indenture.

All Designations and Redesignations must be evidenced by an Officer's Certificate certifying compliance with the foregoing provisions delivered to the Trustee.

SECTION 4.13. Existence.

The Issuer shall do or cause to be done all things necessary to preserve, renew and keep in full force and effect its legal existence and the rights, licenses, permits, privileges and franchises material to the conduct of its business; *provided* that the foregoing shall not prohibit any merger, consolidation, liquidation or dissolution permitted under Section 5.01, and the Issuer shall not be required to preserve any such right, franchise, permit, license or legal existence if the Issuer shall determine in good faith the preservation thereof is no longer desirable in the conduct of the business of the Issuer.

SECTION 4.14. Change of Control Offer.

If a Change of Control Triggering Event occurs with respect to the Notes, unless the Issuer has exercised its right to redeem the Notes, the Issuer will be required to make an offer to repurchase all or, at the Holder's option, any part (equal to \$2,000 or any integral multiple of \$1,000 in excess thereof) of each Holder's Notes pursuant to a Change of Control Offer.

57

In the Change of Control Offer, the Issuer will be required to offer payment in cash equal to 101% of the aggregate principal amount of Notes to be purchased plus accrued and unpaid interest, if any, on the Notes repurchased, to, but not including, the date of purchase (the "Change of Control Payment"). Within 30 days following any Change of Control Triggering Event with respect to the Notes, unless the Issuer has exercised its right to redeem the Notes as described

above, the Issuer shall mail, or deliver electronically if held by the Depository, a notice to Holders of Notes, with a copy to the Trustee for the Notes, describing the transaction or transactions that constitute the Change of Control Triggering Event and offering to repurchase the Notes (a “Change of Control Offer”) on the date specified in the notice, which date will be no earlier than 30 and no later than 60 days from the date such notice is sent (the “Change of Control Payment Date”), pursuant to the procedures required by this Indenture and described in such notice.

On the Change of Control Payment Date, the Issuer will be required, to the extent lawful, to:

- (1) accept for payment all Notes or portions of Notes properly tendered pursuant to the Change of Control Offer;
- (2) deposit with the Paying Agent an amount equal to the Change of Control Payment in respect of all Notes or portions of Notes properly tendered; and
- (3) deliver or cause to be delivered to the Trustee the Notes properly accepted together with an Officer’s Certificate stating the aggregate principal amount of Notes or portions of Notes being purchased.

The Paying Agent will be required to promptly mail or transfer by wire, to each Holder who properly tendered Notes or portions thereof, the purchase price for such Notes or portion thereof, and the Trustee shall be required to promptly authenticate and mail (or cause to be transferred by book entry) to each such Holder a new Note equal in principal amount to any unpurchased portion of the Notes surrendered, if any; *provided* that each new Note will be in a principal amount of \$2,000 or an integral multiple of \$1,000 in excess thereof.

The Issuer will not be required to make a Change of Control Offer upon a Change of Control Triggering Event if a third party makes such an offer in the manner, at the times and otherwise in compliance with the requirements for an offer made by the Issuer and such third party purchases all Notes or portions thereof properly tendered and not withdrawn under its offer. In the event that such third party terminates or defaults its offer, the Issuer will be required to make a Change of Control Offer treating the date of such termination or default as though it were the date of the Change of Control Triggering Event.

A Change of Control Offer may be made in advance of a Change of Control Triggering Event, and be conditional upon such Change of Control Triggering Event, if a definitive agreement is in place in respect of the Change of Control at the time of making of the Change of Control Offer.

The Issuer shall comply with the requirements of applicable securities laws and regulations in connection with the purchase of Notes pursuant to a Change of Control Offer. To the extent that the provisions of any securities laws or regulations conflict with the provisions under this Section 4.14, the Issuer shall comply with the applicable securities laws and regulations.

58

SECTION 4.15. Suspension Event.

If on any date following the Issue Date (i) the Notes have an Investment Grade Rating from both Moody’s and Standard & Poor’s, and the Issuer has delivered written notice of such Investment Grade Rating to the Trustee, and (ii) no Default has occurred and is continuing under this Indenture (a “Suspension Event”), then, beginning on that day and continuing at all times thereafter except as provided in the next succeeding paragraph, the provisions in the following sections shall no longer be applicable to the Notes (collectively, the “Suspended Covenants”): Sections 4.05, 4.06, 4.07, 4.08, 4.10, 4.11 and clause (3) of Section 5.01.

In the event that the Issuer and the Restricted Subsidiaries are not subject to the Suspended Covenants under this Indenture for any period of time as a result of the foregoing, and on any subsequent date (the “Reversion Date”) one or both of the Rating Agencies withdraw their Investment Grade Rating or downgrade the rating assigned to the Notes below an Investment Grade Rating then the Issuer and the Restricted Subsidiaries will thereafter again be subject to the Suspended Covenant under this Indenture with respect to future events. The Issuer will give the Trustee prompt written notice of a Reversion Date. In the absence of such notice, the Trustee shall be entitled to assume that no Suspension Event or Reversion Date has occurred.

The period of time between the Suspension Event and the Reversion Date is referred to in this description as the “Suspension Period.” Notwithstanding that the Suspended Covenants may be reinstated, no Default will occur or be deemed to have occurred solely as a result of a failure to comply with the Suspended Covenants during the Suspension Period or the continued existence of circumstances or obligations that occurred without complying with the Suspended Covenants during the Suspension Period.

On the Reversion Date, all Indebtedness incurred during the Suspension Period will be classified to have been incurred pursuant to Section 4.05(a) or one of the clauses set forth in Section 4.05(b) (to the extent such Indebtedness would be permitted to be incurred thereunder as of the Reversion Date and after giving effect to Indebtedness incurred prior to the Suspension Period and outstanding on the Reversion Date). To the extent such Indebtedness would not be so permitted to be incurred pursuant to Section 4.05(a) or (b), such Indebtedness will be deemed to have been outstanding on the Issue Date, so that it is classified as permitted under clause (3) of Section 4.05(b). For purposes of Section 4.06, on the Reversion Date, all Restricted Payments made during the Suspension Period shall be deemed to have been made under the first sentence of Section 4.06. For purposes of Section 4.11, on the Reversion Date, any encumbrance or restriction on the ability of any Restricted Subsidiary described under clauses (a), (b) or (c) of the first paragraph thereof created or otherwise caused or permitted to exist or become effective during the Suspension Period shall be deemed to have been outstanding on the Issue Date, so that it is classified as permitted under clause (4) of such covenant. For purposes of Section 4.08, on the Reversion Date, any Affiliate Transaction entered into or permitted to exist during the Suspension Period shall be deemed to have been outstanding on the Issue Date, so that it is classified as permitted under clause (6) of such covenant.

(2) immediately prior to and immediately after giving effect to such transaction and the assumption of the obligations as set forth in clause (1)(b) above and the incurrence of any Indebtedness to be incurred in connection therewith, and the use of any net proceeds therefrom on a pro forma basis, no Default shall have occurred and be continuing;

(3) immediately after and giving effect to such transaction and the assumption of the obligations set forth in clause (1)(b) above and the incurrence of any Indebtedness to be incurred in connection therewith, and the use of any net proceeds therefrom on a pro forma basis, either (i) the Consolidated Leverage Test would be satisfied or (ii) the Successor would have a Consolidated Leverage Ratio that is less than or equal to the Consolidated Leverage Ratio of the Issuer immediately prior to the transaction;

(4) each Guarantor, unless it is the other party to such transactions, in which case clause (1)(b) of the second succeeding paragraph shall apply, shall have, by supplemental indenture, confirmed that its Note Guarantee shall apply to such Person’s obligations under this Indenture and the Notes; and

(5) the Issuer shall have delivered to the Trustee an Officer’s Certificate and an Opinion of Counsel, each stating that such consolidation, merger or transfer and such supplemental indenture (if any) comply with this covenant and the applicable provisions of this Indenture.

(b) the Person formed by or surviving any such consolidation or merger is another Guarantor or assumes, by agreements in form and substance reasonably satisfactory to the Trustee, all of the obligations of such Guarantor under the Note Guarantee of such Guarantor, this Indenture and, if applicable, the Registration Rights Agreement;

(2) immediately after giving effect to such transaction, no Default shall have occurred and be continuing; and

(3) the Issuer shall have delivered to the Trustee an Officer’s Certificate and an Opinion of Counsel, each stating that such consolidation, merger or transfer and such supplemental indenture (if any) comply with this covenant and the applicable provisions of this Indenture.

For purposes of the foregoing, the transfer (by lease, assignment, sale or otherwise, in a single transaction or series of transactions) of all or substantially all of the properties or assets of one or more Restricted Subsidiaries, the Equity Interests of which constitute all or substantially all of the properties and assets of the Issuer, shall be deemed to be the transfer of all or substantially all of the properties and assets of the Issuer.

Notwithstanding the foregoing, any Restricted Subsidiary may consolidate with, merge with or into or sell, convey, transfer, lease or otherwise dispose of, in one transaction or a series of transactions, all or substantially all of its assets to the Issuer or another Restricted Subsidiary; *provided* if such Restricted Subsidiary is a Guarantor, that the surviving entity remains or becomes a Guarantor.

SECTION 5.02. Successor Person Substituted.

Upon any consolidation or merger of the Issuer or a Guarantor or any sale, lease, transfer, conveyance or other disposition of all or substantially all of the assets of the Issuer or any Guarantor in accordance with Section 5.01, in which the Issuer or such Guarantor is not the continuing obligor under the Notes or its Note Guarantee the surviving entity formed by such consolidation or into which the Issuer or such Guarantor is merged or the Person to which the conveyance, lease or transfer is made shall succeed to, and be substituted for, and may exercise every right and power of, the Issuer or such Guarantor, as the case may be, under this Indenture, the Registration Rights Agreement, the Notes and the Note Guarantees, as applicable, with the same effect as if such surviving entity had been named as the Issuer or such Guarantor herein and, except in the case of a lease, the Issuer or such Guarantor, as the case may be, shall be released from the obligation to pay the principal of and interest on the Notes or in respect of its Note

 - (a) commences a voluntary case,
 - (b) consents to the entry of an order for relief against it in an involuntary case,
 - (c) consents to the appointment of a Custodian of it or for all or substantially all of its assets, or
 - (d) makes a general assignment for the benefit of its creditors;
- (8) a court of competent jurisdiction enters an order or decree under any Bankruptcy Law that:
 - (a) is for relief against the Issuer or any Significant Subsidiary as debtor in an involuntary case,
 - (b) appoints a Custodian of the Issuer or any Significant Subsidiary or a Custodian for all or substantially all of the assets of the Issuer or any Significant Subsidiary, or
 - (c) orders the liquidation of the Issuer or any Significant Subsidiary,

and the order or decree remains unstayed and in effect for 60 days; or

- (9) any Note Guarantee of a Material Domestic Subsidiary ceases to be in full force and effect (other than in accordance with the terms of such Note Guarantee and this Indenture) or is declared null and void and unenforceable or found to be invalid or any Guarantor denies its liability in writing under its Note Guarantee (other than by reason of release of a Guarantor from its Note Guarantee in accordance with the terms of this Indenture and the Note Guarantee).

However, a default under clauses (3) and (4) will not constitute an Event of Default until the Trustee or the holders of at least 25% in principal amount of the outstanding Notes notify the Issuer of the default and the Issuer does not cure such default within the applicable time specified in clauses (3) and (4) after

receipt of such notice.

SECTION 6.02. Acceleration.

If an Event of Default specified in clause (7) or (8) of Section 6.01 with respect to the Issuer or any Significant Subsidiary occurs, all outstanding Notes shall become due and payable without any further action or notice. If any other Event of Default (other than an Event of Default specified in clause (7) or (8) of Section 6.01 with respect to the Issuer or any Significant Subsidiary), shall have occurred and be continuing hereunder, the Trustee, by written notice to the Issuer, or the Holders of at least 25% in aggregate principal amount of the Notes then outstanding by written notice to the Issuer and the Trustee,

63

may declare all amounts owing under the Notes to be due and payable. Upon such declaration of acceleration, the aggregate principal of and accrued and unpaid interest on the outstanding Notes shall immediately become due and payable; *provided, however*, that after such acceleration, but before a judgment or decree based on acceleration, the Holders of a majority in aggregate principal amount of such outstanding Notes may rescind and annul such acceleration if all Events of Default, other than the nonpayment of accelerated principal and interest, have been cured or waived as provided in this Indenture.

The Trustee shall, within ninety (90) days after the occurrence of any Default (which the Trustee is deemed to have knowledge of pursuant to this Indenture) with respect to the Notes, give the Holders notice of all uncured Defaults thereunder known to it; *provided, however*, that, except in the case of an Event of Default in payment with respect to the Notes or a Default in complying with Section 5.01, the Trustee shall be protected in withholding such notice if and so long as it in good faith determines that the withholding of such notice is in the interest of the Holders.

SECTION 6.03. Other Remedies.

If an Event of Default occurs and is continuing, the Trustee may pursue any available remedy by proceeding at law or in equity to collect the payment of principal of, or premium, if any, and interest on the Notes or to enforce the performance of any provision of the Notes and this Indenture and may take any necessary action requested of it as Trustee to settle, compromise, adjust or otherwise conclude any proceedings to which it is a party.

The Trustee may maintain a proceeding even if it does not possess any of the Notes or does not produce any of them in the proceeding. A delay or omission by the Trustee or any Holder in exercising any right or remedy accruing upon an Event of Default shall not impair the right or remedy or constitute a waiver of or acquiescence in the Event of Default. No remedy is exclusive of any other remedy. All available remedies are cumulative. Any costs associated with actions taken by the Trustee under this Section 6.03 shall be reimbursed to the Trustee by the Issuer.

SECTION 6.04. Waiver of Past Defaults and Events of Default.

Subject to Sections 6.02, 6.08 and 8.02, the Holders of a majority in aggregate principal amount of the Notes then outstanding have the right to waive any existing Default or compliance with any provision of this Indenture or the Notes. Upon any such waiver, such Default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured for every purpose of this Indenture; but no such waiver shall extend to any subsequent or other Default or impair any right consequent thereto.

SECTION 6.05. Control by Majority.

The Holders of a majority in aggregate principal amount of the then outstanding Notes may direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or exercising any trust or power conferred on the Trustee by this Indenture. The Trustee, however, may refuse to follow any direction that conflicts with law or this Indenture or that the Trustee determines may be unduly prejudicial to the rights of another Holder not taking part in such direction, and the Trustee shall have the right to decline to follow any such direction if the Trustee, being advised by counsel, determines that the action so directed may not lawfully be taken or if the Trustee in good faith shall, by a Responsible Officer, determine that the proceedings so directed may result in costs and expenses of the Trustee for which it has no source of payment or recovery or involve it in personal liability; *provided that*

64

the Trustee may take any other action deemed proper by the Trustee which is not inconsistent with such direction.

SECTION 6.06. Limitation on Suits.

No Holder shall have any right to institute any proceeding with respect to this Indenture or for any remedy thereunder, unless the Trustee:

- (1) has failed to act for a period of 60 days after receiving written notice of a continuing Event of Default by such Holder and a request to act by Holders of at least 25% in aggregate principal amount of Notes outstanding;
- (2) has been offered indemnity satisfactory to it in its reasonable judgment; and
- (3) has not received from the Holders of a majority in aggregate principal amount of the outstanding Notes a direction inconsistent with such request.

However, such limitations do not apply to a suit instituted by a Holder of any Note for enforcement of payment of the principal of or interest on such Note on or after the due date therefor (after giving effect to the grace period specified in clause (1) of Section 6.01).

SECTION 6.07. No Personal Liability of Directors, Officers, Employees and Stockholders.

No director, officer, employee, incorporator or stockholder of the Issuer or any Guarantor shall have any liability for any obligations of the Issuer under the Notes or this Indenture or of any Guarantor under its Note Guarantee or for any claim based on, in respect of, or by reason of, such obligations or their

creation. Each Holder by accepting a Note waives and releases all such liability. The waiver and release are part of the consideration for issuance of the Notes and the Note Guarantees.

SECTION 6.08. Rights of Holders to Receive Payment.

Notwithstanding any other provision of this Indenture, the right of any Holder to receive payment of principal of, or premium, if any, and interest of the Note on or after the respective due dates expressed in the Note, or to bring suit for the enforcement of any such payment on or after such respective dates, is absolute and unconditional and shall not be impaired or affected without the consent of the Holder.

SECTION 6.09. Collection Suit by Trustee.

If an Event of Default in payment of principal, premium or interest specified in clause (1) or (2) of Section 6.01 occurs and is continuing, the Trustee may recover judgment in its own name and as trustee of an express trust against the Issuer or any Guarantor (or any other obligor on the Notes) for the whole amount of unpaid principal and accrued interest remaining unpaid, together with interest on overdue principal and, to the extent that payment of such interest is lawful, interest on overdue installments of interest, in each case at the rate set forth in the Notes.

65

SECTION 6.10. Trustee May File Proofs of Claim.

The Trustee may file such proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee and the Holders allowed in any judicial proceedings relative to the Issuer or any Guarantor (or any other obligor upon the Notes), its creditors or its property and shall be entitled and empowered to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same after deduction of its charges and expenses to the extent that any such charges and expenses are not paid out of the estate in any such proceedings and any custodian in any such judicial proceeding is hereby authorized by each Holder to make such payments to the Trustee, and in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay to the Trustee any amount due to it for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 7.07.

Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Holder any plan or reorganization, arrangement, adjustment or composition affecting the Notes or the rights of any Holder thereof, or to authorize the Trustee to vote in respect of the claim of any Holder in any such proceedings.

SECTION 6.11. Priorities.

If the Trustee collects any money pursuant to this Article Six, it shall pay out the money in the following order:

FIRST: to the Trustee for amounts due under Section 7.07;

SECOND: to Holders for amounts due and unpaid on the Notes for principal, premium, if any, and interest as to each, ratably, without preference or priority of any kind, according to the amounts due and payable on the Notes; and

THIRD: to the Issuer or, to the extent the Trustee collects any amount from any Guarantor, to such Guarantor.

The Trustee may fix a record date and payment date for any payment to Holders pursuant to this Section 6.11. At least 15 days before such record date, the Trustee shall mail to each Holder and the Issuer a notice that states the record date, the payment date and the amount to be paid.

SECTION 6.12. Undertaking for Costs.

In any suit for the enforcement of any right or remedy hereunder or in any suit against the Trustee for any action taken or omitted by it as Trustee, a court in its discretion may require the filing by any party litigant in the suit of an undertaking to pay the costs of the suit, and the court in its discretion may assess reasonable costs, including reasonable attorneys' fees, against any party litigant in the suit, having due regard to the merits and good faith of the claims or defenses made by the party litigant. This Section 6.12 does not apply to a suit by the Trustee, a suit by a Holder pursuant to Section 6.08 or a suit by Holders of more than 10% in principal amount of the Notes then outstanding.

66

ARTICLE SEVEN

TRUSTEE

SECTION 7.01. Duties of Trustee.

(a) If an Event of Default actually known to a Responsible Officer of the Trustee has occurred and is continuing, the Trustee shall, in the exercise of its power, use the degree of care of a prudent person in similar circumstances in the conduct of his own affairs.

(b) Except during the continuance of an Event of Default:

(1) the Trustee need perform only those duties that are specifically set forth in this Indenture and no others; and

(2) in the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture but, in the case of any such certificates or opinions which by any provision hereof are required to be furnished to the Trustee, the Trustee shall be under a duty

to examine the same to determine whether they conform on their face to the requirements hereof (but need not confirm or investigate the accuracy of mathematical calculations or other facts stated therein).

(c) The Trustee may not be relieved from liability for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that:

(1) this clause (c) does not limit the effect of clause (b) of this Section 7.01;

(2) the Trustee shall not be liable for any error of judgment made in good faith, unless it is proved that the Trustee was negligent in ascertaining the pertinent facts;

(3) the Trustee shall not be liable with respect to any action it takes or omits to take in good faith in accordance with a direction received by it pursuant to the terms hereof; and

(4) no provision hereof shall require the Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its rights, powers or duties if it shall have reasonable grounds for believing that repayment of such funds or adequate indemnity satisfactory to it against such risk or liability is not reasonably assured to it.

(d) Whether or not therein expressly so provided, paragraphs (a), (b), (c) and (e) of this Section 7.01 shall govern every provision of this Indenture that in any way relates to the Trustee.

(e) The Trustee shall be under no obligation to exercise any of its rights or powers hereunder at the request of any Holder of Notes unless such Holder of Notes shall have offered to the Trustee security and indemnity satisfactory to the Trustee.

67

(f) The Trustee shall not be liable for interest on any money received by it except as the Trustee may agree in writing with the Issuer or any Guarantor. Money held in trust by the Trustee need not be segregated from other funds except to the extent required by the law.

(g) Every provision of this Indenture relating to the conduct or affecting the liability of or affording protection to the Trustee shall be subject to the provisions of this Section 7.01 and to the provision of the TIA.

SECTION 7.02. Rights of Trustee.

Subject to Section 7.01:

(1) The Trustee may rely on any document reasonably believed by it to be genuine and to have been signed or presented by the proper person. The Trustee need not investigate any fact or matter stated in the document.

(2) Before the Trustee acts or refrains from acting, it may require an Officer's Certificate or an Opinion of Counsel, or both, which shall conform to the provisions of Section 11.05. The Trustee shall be protected and shall not be liable for any action it takes or omits to take in good faith in reliance on such certificate or opinion.

(3) The Trustee may act through its attorneys and agents and shall not be responsible for the misconduct or negligence of any agent appointed by it with due care.

(4) The Trustee shall not be liable for any action it takes or omits to take in good faith which it reasonably believes to be authorized or within its rights or powers; *provided* that the Trustee's conduct does not constitute negligence or willful misconduct.

(5) The Trustee may consult with counsel of its selection, and the advice or opinion of such counsel as to matters of law shall be full and complete authorization and protection from liability in respect of any action taken, omitted or suffered by it hereunder in good faith and in accordance with the advice or opinion of such counsel.

(6) The Trustee shall not be deemed to have knowledge of any Default or Event of Default except (i) any Event of Default occurring pursuant to clause (1) or (2) of Section 6.01 or (ii) any Event of Default of which the Trustee shall have received written notification *provided*, the notice references this Indenture and the specific Event of Default. In the absence of such notice, the Trustee may conclusively assume there is no Default except as aforesaid.

(7) The Trustee shall be under no obligation to exercise any of its rights or powers hereunder at the request of any Holder of Notes unless such Holder of Notes shall have offered to the Trustee security and indemnity satisfactory to the Trustee.

(8) The Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate (including any Officer's Certificate), statement, instrument, opinion (including any Opinion of Counsel), notice, request, direction, consent, order, bond, debenture, note, other evidence of Indebtedness or other paper or document, but the Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit and, if the Trustee shall determine to make such further inquiry or investigation, it shall be

68

entitled, upon reasonable notice to the Issuer, to examine the books, records, and premises of the Issuer, personally or by agent or attorney at the sole cost of the investigation.

(9) The Trustee shall not be required to give any bond or surety in respect of the performance of its powers and duties hereunder.

(10) The permissive rights of the Trustee to do things enumerated in this Indenture shall not be construed as duties hereunder.

(11) The rights, privileges, protections, immunities and benefits given to the Trustee, including, without limitation, its right to be indemnified, are extended to, and shall be enforceable by, the Trustee in each of its capacities hereunder, and to each agent, custodian and other Person employed to act hereunder.

(12) Delivery of reports, information and documents to the Trustee under Section 4.02 is for informational purposes only and the Trustee's receipt of the foregoing shall not constitute constructive notice of any information contained therein, including the Issuer's compliance with any of its covenants hereunder (as which the Trustee is entitled to rely exclusively on the Officer's Certificate).

(13) In no event shall the Trustee be responsible for special, indirect, punitive or consequential loss or damage of any kind whatsoever (including, but not limited to, loss of profit) irrespective of whether the Trustee has been advised of the possibility of such loss or damage and regardless of the form of action.

SECTION 7.03. Individual Rights of Trustee.

The Trustee in its individual or any other capacity may become the owner or pledgee of Notes and may make loans to, accept deposits from, perform services for or otherwise deal with the either of the Issuer or any Guarantor, or any Affiliates thereof, with the same rights it would have if it were not Trustee. Any Agent may do the same with like rights. The Trustee, however, shall be subject to Sections 7.10 and 7.11.

SECTION 7.04. Trustee's Disclaimer.

The Trustee shall not be responsible for and makes no representation as to the validity or adequacy of this Indenture or the Notes or any Note Guarantee, it shall not be accountable for the Issuer's or any Guarantor's use of the proceeds from the sale of Notes or any money paid to the Issuer or any Guarantor pursuant to the terms of this Indenture and it shall not be responsible for the use or application of money received by any Paying Agent other than the Trustee. The Trustee shall not be responsible for any statement in the Notes, Note Guarantee, this Indenture or any other document in connection with the sale of the Notes other than its certificate of authentication.

SECTION 7.05. Notice of Defaults.

The Trustee shall, within 90 days after the occurrence of any Default with respect to the Notes (which the Trustee is aware of pursuant to Section 7.02(6) hereof), give the Holders notice of all uncured Defaults thereunder known to it; *provided, however*, that, except in the case of an Event of Default in payment with respect to the Notes or a Default in complying with Section 5.01, the Trustee shall be protected in

69

withholding such notice if and so long as it in good faith determines that the withholding of such notice is not opposed to the interest of the Holders.

SECTION 7.06. Reports by Trustee to Holders.

If required by TIA § 313(a), within 60 days after May 15th of any year, commencing May 15, 2016, the Trustee shall mail to each Holder a brief report dated as of such reporting date that complies with TIA § 313(a). The Trustee also shall comply with TIA § 313(b)(2). The Trustee shall also transmit by mail all reports as required by TIA § 313(c) and TIA § 313(d).

Reports pursuant to this Section 7.06 shall be transmitted by mail:

- (1) to all Holders, as the names and addresses of such Holders appear on the Registrar's books; and
- (2) to such Holders as have, within the two years preceding such transmission, filed their names and addresses with the Trustee for that purpose.

A copy of each report at the time of its mailing to Holders shall be filed with the SEC and each stock exchange on which the Notes are listed. The Issuer shall promptly notify the Trustee, and in any event within 10 Business Days, when the Notes are listed on any stock exchange and of any delisting thereof.

SECTION 7.07. Compensation and Indemnity.

The Issuer and the Guarantors shall pay to the Trustee and Agents from time to time reasonable compensation for its services hereunder (which compensation shall not be limited by any provision of law in regard to the compensation of a trustee of an express trust) as agreed to from time to time by the Trustee and the Issuer. The Issuer and the Guarantors shall reimburse the Trustee and Agents upon request for all reasonable out-of-pocket disbursements, expenses and advances incurred or made by it in connection with its duties under this Indenture, including the reasonable compensation, disbursements and expenses of the Trustee's agents and counsel.

The Issuer and the Guarantors shall indemnify each of the Trustee and any predecessor Trustee for, and hold each of them harmless against, any and all loss, damage, claim, liability or expense, including without limitation taxes (other than taxes based on the income of the Trustee or such Agent) and reasonable attorneys' fees and expenses incurred by each of them in connection with the acceptance or performance of its duties, or otherwise arising, under this Indenture including the reasonable costs and expenses of defending itself against any claim (whether brought by the Issuer, Guarantors, Holders or otherwise) or liability in connection with the exercise or performance of any of its powers or duties hereunder (including, without limitation, settlement costs). The Trustee or Agent shall notify the Issuer and the Guarantors in writing promptly of any claim asserted against the Trustee or Agent for which it may seek indemnity. However, the failure by the Trustee or Agent to so notify the Issuer and the Guarantors shall not relieve the Issuer and Guarantors of their obligations hereunder except to the extent the Issuer and the Guarantors are prejudiced thereby.

Notwithstanding the foregoing, the Issuer and the Guarantors need not reimburse the Trustee for any expense or indemnify it against any loss or liability incurred by the Trustee through its negligence, bad faith or willful misconduct. To secure the payment obligations of the Issuer and the Guarantors in this

the Trustee except such money or property held in trust to pay principal of and interest on particular Notes. The obligations of the Issuer and the Guarantors under this Section 7.07 to compensate and indemnify the Trustee, Agents and each predecessor Trustee and to pay or reimburse the Trustee, Agents and each predecessor Trustee for expenses, disbursements and advances shall survive the resignation or removal of the Trustee and the satisfaction, discharge or other termination of this Indenture, including any termination or rejection hereof under any Bankruptcy Law.

When the Trustee incurs expenses or renders services after an Event of Default specified in clause (7) or (8) of Section 6.01 occurs, the expenses and the compensation for the services are intended to constitute expenses of administration under any Bankruptcy Law.

For purposes of this Section 7.07, the term "Trustee" shall include any trustee appointed pursuant to this Article Seven.

SECTION 7.08. Replacement of Trustee.

The Trustee may resign by so notifying the Issuer and the Guarantors in writing. The Holders of a majority in aggregate principal amount of the outstanding Notes may remove the Trustee by notifying the Issuer and the removed Trustee in writing and may appoint a successor Trustee with the Issuer's written consent, which consent shall not be unreasonably withheld. The Issuer may remove the Trustee at its election if:

- (1) the Trustee fails to comply with Section 7.10;
- (2) the Trustee is adjudged a bankrupt or an insolvent;
- (3) a receiver or other public officer takes charge of the Trustee or its property; or
- (4) the Trustee otherwise becomes incapable of acting.

If the Trustee resigns or is removed or if a vacancy exists in the office of Trustee for any reason, the Issuer shall promptly appoint a successor Trustee. If a Trustee is removed with or without cause, all fees and expenses (including the reasonable fees and expenses of counsel) of the Trustee incurred in the administration of the trust or in performing the duties hereunder shall be paid to the Trustee.

If a successor Trustee does not take office within 60 days after the retiring Trustee resigns or is removed, the retiring Trustee, the Issuer or the Holders of at least 10% in principal amount of the outstanding Notes may petition any court of competent jurisdiction, at the expense of the Issuer, for the appointment of a successor Trustee.

If the Trustee fails to comply with Section 7.10, any Holder may petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

A successor Trustee shall deliver a written acceptance of its appointment to the retiring Trustee and to the Issuer. Immediately following such delivery, the retiring Trustee shall, subject to its rights under Section 7.07, transfer all property held by it as Trustee to the successor Trustee, the resignation or removal of the retiring Trustee shall become effective, and the successor Trustee shall have all the rights, powers and duties of the Trustee under this Indenture. A successor Trustee shall mail notice of its succession to each

Holder. Notwithstanding replacement of the Trustee pursuant to this Section 7.08, the Issuer obligations under Section 7.07 shall continue for the benefit of the retiring Trustee.

SECTION 7.09. Successor Trustee by Consolidation, Merger, etc.

If the Trustee consolidates with, merges or converts into, or transfers all or substantially all of its corporate trust assets to, another entity, subject to Section 7.10, the successor entity without any further act shall be the successor Trustee; *provided* such entity shall be otherwise qualified and eligible under this Article Seven.

SECTION 7.10. Eligibility; Disqualification.

This Indenture shall always have a Trustee who satisfies the requirements of TIA § 310(a)(1) and (2) in every respect. The Trustee (together with its corporate parent) shall have a combined capital and surplus of at least \$50,000,000 as set forth in the most recent applicable published annual report of condition. The Trustee shall comply with TIA § 310(b), including the provision in § 310(b)(1).

SECTION 7.11. Preferential Collection of Claims Against Issuer.

The Trustee shall comply with TIA § 311(a), excluding any creditor relationship listed in TIA § 311 (b). A Trustee who has resigned or been removed shall be subject to TIA § 311(a) to the extent indicated therein.

SECTION 7.12. Paying Agents.

The Issuer shall cause each Paying Agent other than the Trustee to execute and deliver to it and the Trustee an instrument in which such agent shall agree with the Trustee, subject to the provisions of this Section 7.12:

(A) that it shall hold all sums held by it as agent for the payment of principal of, or premium, if any, or interest on, the Notes (whether such sums have been paid to it by the Issuer or by any obligor on the Notes) in trust for the benefit of Holders or the Trustee;

(B) that it shall at any time during the continuance of any Event of Default, upon written request from the Trustee, deliver to the Trustee all sums so held in trust by it together with a full accounting thereof; and

(C) that it shall give the Trustee written notice within three (3) Business Days of any failure of the Issuer (or by any obligor on the Notes) in the payment of any installment of the principal of, premium, if any, or interest on, the Notes when the same shall be due and payable.

ARTICLE EIGHT

AMENDMENTS, SUPPLEMENTS AND WAIVERS

SECTION 8.01. Without Consent of Holders.

The Issuer and the Trustee may amend, waive or supplement this Indenture, the Note Guarantees or the Notes without prior notice to or consent of any Holder:

- (1) to provide for the assumption of the Issuer's or a Guarantor's obligations to the Holders in accordance with Section 5.01;
- (2) to provide for uncertificated Notes in addition to or in place of certificated Notes;
- (3) to cure any ambiguity, defect or inconsistency;
- (4) to add any guarantees with respect to the Notes, including the Note Guarantees;
- (5) to release any Guarantor from any of its obligations under its Note Guarantee or this Indenture (to the extent permitted by this Indenture);
- (6) to maintain the qualification of this Indenture under the TIA;
- (7) to secure the Notes;
- (8) to provide for the issuance of Additional Notes in accordance with the provisions set forth in this Indenture;
- (9) to add to the covenants of the Issuer or a Restricted Subsidiary for the benefit of the Holders of the Notes or to surrender any right or power conferred upon the Issuer or a Restricted Subsidiary;
- (10) to evidence and provide for the acceptance of appointment by a successor trustee with respect to the Notes and to add to or change any of the provisions of this Indenture as shall be necessary to provide for or facilitate the administration of the trusts thereunder by more than one trustee;
- (11) to conform the text of this Indenture, the Notes or the Note Guarantees to any provision of the "Description of notes" in the Offering Memorandum to the extent that such provision in the "Description of notes" was intended to be a verbatim recitation of a provision of this Indenture, the Notes or the Note Guarantees; or
- (12) to make any change that does not materially adversely affect the rights of any Holder hereunder.

The Trustee is hereby authorized to join with the Issuer in the execution of any supplemental indenture authorized or permitted by the terms of this Indenture and to make any further appropriate agreements and

stipulations which may be therein contained, but the Trustee shall not be obligated to enter into any such supplemental indenture which adversely affects its own rights, duties or immunities under this Indenture.

SECTION 8.02. With Consent of Holders.

This Indenture or the Notes may be amended with the consent (which may include consents obtained in connection with a tender offer or exchange offer for Notes) of the Holders of at least a majority in aggregate principal amount of the Notes then outstanding, and any existing Default under, or compliance with any provision of, this Indenture may be waived (other than any continuing Default in the payment of the principal or interest on the Notes, except a rescission of acceleration of the Notes by the Holders thereof as provided in this Indenture and a waiver of the payment default that resulted from such acceleration) with the consent (which may include consents obtained in connection with a tender offer or exchange offer for Notes) of the Holders of a majority in aggregate principal amount of the Notes then outstanding; *provided* that, without the consent of each Holder affected, no amendment or waiver may:

- (1) reduce, or change the maturity of, the principal of any Note;
- (2) reduce the rate of or extend the time for payment of interest on any Note;

(3) reduce any premium payable upon redemption of the Notes or change the date on, or the circumstances under, which any Notes are subject to redemption (other than provisions relating to the purchase of Notes described in Section 4.14, except that if a Change of Control Triggering Event has occurred, no amendment or other modification of the obligation of the Issuer to make a Change of Control Offer relating to such Change of Control Triggering Event shall be made without the consent of each Holder of the Notes affected);

(4) make any Note payable in money or currency other than that stated in the Notes;

(5) modify or change any provision of this Indenture or the related definitions to affect the ranking of the Notes or any Note Guarantee in a manner that adversely affects the Holders;

(6) reduce the percentage of Holders necessary to consent to an amendment or waiver to this Indenture or the Notes;

(7) waive a default in the payment of principal of or premium or interest on any Notes (except a rescission of acceleration of the Notes by the Holders thereof as provided in this Indenture and a waiver of the payment default that resulted from such acceleration);

(8) impair the rights of Holders to receive payments of principal of or interest on the Notes on or after the due date therefor or to institute suit for the enforcement of any payment on the Notes; or

(9) release any Guarantor that is a Material Domestic Subsidiary from any of its obligations under its Note Guarantee or this Indenture, except as permitted by this Indenture, or amend the definition of Material Domestic Subsidiary in a manner adverse to Holders.

After an amendment, supplement or waiver under this Section 8.02 becomes effective, the Issuer shall mail to the Holders a notice briefly describing the amendment, supplement or waiver. Any failure of the

74

Issuer to mail such notice, or any defect therein, shall not in any way impair or affect the validity of the amendment, supplement or waiver.

Upon the written request of the Issuer, accompanied by a Board Resolution authorizing the execution of any such supplemental indenture, and upon the receipt by the Trustee of evidence reasonably satisfactory to the Trustee of the consent of the Holders as aforesaid and upon receipt by the Trustee of the documents described in Section 8.06, the Trustee shall join with the Issuer in the execution of such supplemental indenture unless such supplemental indenture affects the Trustee's own rights, duties or immunities under this Indenture, in which case the Trustee may, but shall not be obligated to, enter into such supplemental indenture.

It shall not be necessary for the consent of the Holders under this Section 8.02 to approve the particular form of any proposed amendment, supplement or waiver, but it shall be sufficient if such consent approves the substance thereof.

SECTION 8.03. Compliance with Trust Indenture Act.

Every amendment or supplement to this Indenture or the Notes shall comply with the TIA as then in effect.

SECTION 8.04. Revocation and Effect of Consents.

Until an amendment, supplement, waiver or other action becomes effective, a consent to it by a Holder is a continuing consent conclusive and binding upon such Holder and every subsequent Holder of the same Note or portion thereof, and of any Note issued upon the transfer thereof or in exchange therefor or in place thereof, even if notation of the consent is not made on any such Note. Any such Holder or subsequent Holder, however, may revoke the consent as to his Note or portion of a Note, if the Trustee receives the written notice of revocation before the date the amendment, supplement, waiver or other action becomes effective.

The Issuer may, but shall not be obligated to, fix a record date for the purpose of determining the Holders entitled to consent to any amendment, supplement, or waiver. If a record date is fixed, then, notwithstanding the preceding paragraph, those Persons who were Holders at such record date (or their duly designated proxies), and only such Persons, shall be entitled to consent to such amendment, supplement, or waiver or to revoke any consent previously given, whether or not such Persons continue to be Holders after such record date. No such consent shall be valid or effective for more than 120 days after such record date unless the consent of the requisite number of Holders has been obtained.

After an amendment, supplement, waiver or other action becomes effective, it shall bind every Holder, unless it makes a change described in any of clauses (1) through (9) of Section 8.02. In that case the amendment, supplement, waiver or other action shall bind each Holder who has consented to it and every subsequent Holder or portion of a Note that evidences the same debt as the consenting Holder's Note.

SECTION 8.05. Notation on or Exchange of Notes.

If an amendment, supplement, or waiver changes the terms of a Note, the Trustee (in accordance with the specific written direction of the Issuer) shall request the Holder (in accordance with the specific written direction of the Issuer) to deliver it to the Trustee. In such case, the Trustee shall place an appropriate notation on the Note about the changed terms and return it to the Holder. Alternatively, if the Issuer or

75

the Trustee so determines, the Issuer in exchange for the Note shall issue and the Trustee shall authenticate a new Note that reflects the changed terms. Failure to make the appropriate notation or issue a new Note shall not affect the validity and effect of such amendment, supplement or waiver.

SECTION 8.06. Trustee to Sign Amendments, etc.

The Trustee shall sign any amendment, supplement or waiver authorized pursuant to this Article Eight if the amendment, supplement or waiver does not adversely affect the rights, duties, liabilities or immunities of the Trustee. If it does, the Trustee may, but need not, sign it. In signing or refusing to sign such amendment, supplement or waiver the Trustee shall be entitled to receive and, subject to Section 7.01, shall be fully protected in relying conclusively upon an Officer's Certificate and an Opinion of Counsel stating, in addition to the matters required by Section 11.04, that such amendment, supplement or waiver is authorized or permitted by this Indenture and all conditions precedent required hereunder to such amendment, supplement or waiver have been complied with.

ARTICLE NINE

DISCHARGE OF INDENTURE; DEFEASANCE

SECTION 9.01. Discharge of Indenture.

This Indenture will be discharged and will cease to be of further effect as to all outstanding Notes, except the obligations referred to in the last paragraph of this Section 9.01, if

- (1) all the Notes that have been authenticated and delivered (except lost, stolen or destroyed Notes which have been replaced or paid and Notes for whose payment money has been deposited in trust or segregated and held in trust by the Issuer and thereafter repaid to the Issuer or discharged from this trust) have been delivered to the Trustee for cancellation, or
- (2) (a) all Notes not delivered to the Trustee for cancellation otherwise (i) have become due and payable, (ii) shall become due and payable, or may be called for redemption, within one year or (iii) have been called for redemption pursuant to paragraph 6 of the Notes, and, in any case, the Issuer has irrevocably deposited or caused to be deposited with the Trustee as trust funds, in trust solely for the benefit of the Holders, U.S. legal tender, U.S. Government Obligations or a combination thereof, in such amounts as shall be sufficient (without consideration of any reinvestment of interest), as evidenced by an Officer's Certificate of the Issuer, to pay and discharge the entire Indebtedness (including all principal and accrued interest) on the Notes not theretofore delivered to the Trustee for cancellation,
 - (b) the Issuer has paid all other sums payable by it under this Indenture, and
 - (c) the Issuer has delivered irrevocable instructions to the Trustee to apply the deposited money toward the payment of the Notes at maturity or on the date of redemption, as the case may be.

In addition, the Issuer must deliver an Officer's Certificate and an Opinion of Counsel stating that all conditions precedent to satisfaction and discharge have been complied with.

76

After such delivery, the Trustee shall acknowledge in writing the discharge of the Issuer's obligations terminated pursuant to this Section 9.01.

Notwithstanding the satisfaction and discharge of this Indenture, the obligations of the Issuer in Section 2.07 shall survive until all Notes have been cancelled and the obligations of the Issuer in Sections 7.07, 9.05 and 9.06 shall survive.

SECTION 9.02. Legal Defeasance.

The Issuer may at its option and at any time, pursuant to a Board Resolution, be discharged from its obligations with respect to the Notes and the Guarantors discharged from their obligations under the Note Guarantees on the date the conditions set forth in Section 9.04 are satisfied (hereinafter, "Legal Defeasance"). For this purpose, such Legal Defeasance means that the Issuer and the Guarantors shall be deemed to have paid and discharged the entire indebtedness represented by the Notes and the Note Guarantees with respect thereto and to have satisfied all its other obligations under such Notes, such Note Guarantees and this Indenture, and the Indenture shall cease to be of further effect as to all outstanding Notes and Note Guarantees (and the Trustee, at the expense of the Issuer, shall, subject to Section 9.06, execute instruments in form and substance reasonably satisfactory to the Trustee and Issuer acknowledging the same), except for the following which shall survive until otherwise terminated or discharged hereunder:

(a) the rights of Holders of outstanding Notes to receive payments in respect of the principal of, premium, if any, and interest on the Notes when such payments are due solely from the trust funds described in Section 9.04 and as more fully set forth in such Section, (b) the Issuer's obligations with respect to the Notes under Sections 2.04, 2.05, 2.06, 2.07, 2.08 and 2.11, (c) the rights, powers, trusts, duties, and immunities of the Trustee hereunder (including claims of, or payments to, the Trustee under or pursuant to Section 7.07) and the Issuer's obligation in connection therewith, and (d) this Article Nine. Subject to compliance with this Article Nine, the Issuer may exercise its option under this Section 9.02 with respect to Notes notwithstanding the prior exercise of its option under Section 9.03 with respect to such Notes.

SECTION 9.03. Covenant Defeasance.

The Issuer may at its option and at any time, pursuant to a Board Resolution (x) the Issuer and the Guarantors shall be released from their respective obligations under Sections 4.02 (except for obligations mandated by the TIA), 4.05 through 4.12, inclusive, 4.14 and clause (3) of the first paragraph of Section 5.01 and (y) clauses (4), (5), (6) and (9) of Section 6.01 shall no longer apply with respect to the Notes on and after the date the conditions set forth in Section 9.04 are satisfied (hereinafter, "Covenant Defeasance"). For this purpose, such Covenant Defeasance means that the Issuer and the Guarantors may omit to comply with and shall have no liability in respect of any term, condition or limitation set forth in any such specified Section or portion thereof, whether directly or indirectly by reason of any reference elsewhere herein to any such specified Section or portion thereof or by reason of any reference in any such specified Section or portion thereof to any other provision herein or in any other document, and thereafter any omission to comply with such obligations shall not constitute a Default, but the remainder of this Indenture and the Notes shall be unaffected thereby.

77

The following shall be the conditions to application of Section 9.02 or Section 9.03 to the outstanding Notes:

(1) the Issuer must irrevocably deposit with the Trustee, as trust funds, in trust solely for the benefit of the Holders of the Notes, U.S. legal tender, U.S. Government Obligations or a combination thereof, in such amounts as shall be sufficient (without consideration of any reinvestment of interest), as evidenced by an Officer's Certificate of the Issuer, to pay the principal of and interest on the Notes on the stated date for payment or on the Redemption Date of the principal or installment of principal of or interest on the Notes,

(2) in the case of Legal Defeasance, the Issuer shall have delivered to the Trustee an Opinion of Counsel in the United States confirming that:

(a) the Issuer has received from, or there has been published by the Internal Revenue Service, a ruling, or

(b) since the Issue Date, there has been a change in the applicable U.S. federal income tax law,

in either case to the effect that, and based thereon such Opinion of Counsel shall confirm that, the Holders of such outstanding Notes will not recognize income, gain or loss for U.S. federal income tax purposes as a result of the Legal Defeasance and will be subject to U.S. federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Legal Defeasance had not occurred,

(3) in the case of Covenant Defeasance, the Issuer shall have delivered to the Trustee an Opinion of Counsel in the United States reasonably acceptable to the Trustee confirming that the Holders of such outstanding Notes will not recognize income, gain or loss for U.S. federal income tax purposes as a result of such Covenant Defeasance and will be subject to U.S. federal income tax on the same amounts, in the same manner and at the same times as would have been the case if the Covenant Defeasance had not occurred,

(4) no Default shall have occurred and be continuing on the date of such deposit (other than a Default resulting from the borrowing of funds to be applied to such deposit),

(5) the Issuer shall have delivered to the Trustee an Officer's Certificate stating that the deposit was not made by it with the intent of preferring the Holders of such Notes over any other of its creditors or with the intent of defeating, hindering, delaying or defrauding any other of its creditors or others, and

(6) the Issuer shall have delivered to the Trustee an Officer's Certificate and an Opinion of Counsel, each stating that the conditions provided for in, in the case of the Officer's Certificate, clauses (1) through (4) and, in the case of the Opinion of Counsel, clauses (2) and/or (3) of this paragraph have been complied with.

If the funds deposited with the Trustee to effect Covenant Defeasance are insufficient to pay the principal of and interest on the Notes when due, then the obligations of the Issuer and the obligations of Guarantors under this Indenture shall be revived and no such defeasance shall be deemed to have occurred.

SECTION 9.05. Deposited Money and U.S. Government Obligations to Be Held in Trust; Other Miscellaneous Provisions

All money and U.S. Government Obligations (including the proceeds thereof) deposited with the Trustee pursuant to Section 9.04 in respect of the outstanding Notes shall be held in trust and applied by the Trustee, in accordance with the provisions of such Notes and this Indenture, to the payment, either directly or through any Paying Agent, to the Holders of such Notes, of all sums due and to become due thereon in respect of principal, premium, if any, and accrued interest, but such money need not be segregated from other funds except to the extent required by law.

The Issuer and the Guarantors shall (on a joint and several basis) pay and indemnify the Trustee against any tax, fee or other charge imposed on or assessed against the U.S. Government Obligations deposited pursuant to Section 9.04 or the principal, premium, if any, and interest received in respect thereof other than any such tax, fee or other charge which by law is for the account of the Holders of the outstanding Notes.

Anything in this Article Nine to the contrary notwithstanding, the Trustee shall deliver or pay to the Issuer from time to time any money or U.S. Government Obligations held by it as provided in Section 9.04 which, in the opinion of a nationally recognized firm of independent public accountants expressed in a written certification thereof delivered to the Trustee, are in excess of the amount thereof which would then be required to be deposited to effect an equivalent Legal Defeasance or Covenant Defeasance.

SECTION 9.06. Reinstatement.

If the Trustee or Paying Agent is unable to apply any money or U.S. Government Obligations in accordance with Section 9.01, 9.02 or 9.03 by reason of any legal proceeding or by reason of any order or judgment of any court or Governmental Authority enjoining, restraining or otherwise prohibiting such application, the Issuer's and each Guarantor's obligations terminated pursuant to Section 9.01, 9.02 or 9.03, as applicable, shall be revived and reinstated as though no deposit had occurred pursuant to this Article Nine until such time as the Trustee or Paying Agent is permitted to apply all such money or U.S. Government Obligations in accordance with Section 9.01; *provided* that if the Issuer or the Guarantors have made any payment of principal of, premium, if any, or accrued interest on any Notes because of the reinstatement of their obligations, the Issuer or the Guarantors, as the case may be, shall be subrogated to the rights of the Holders of such Notes to receive such payment from the money or U.S. Government Obligations held by the Trustee or Paying Agent.

SECTION 9.07. Moneys Held by Paying Agent.

In connection with the satisfaction and discharge of this Indenture, all moneys then held by any Paying Agent under the provisions of this Indenture shall, upon written demand of the Issuer, be paid to the Trustee, or if sufficient moneys have been deposited pursuant to Section 9.04, to the Issuer (or, if such moneys had been deposited by the Guarantors, to such Guarantors), and thereupon such Paying Agent shall be released from all further liability with respect to such moneys.

SECTION 9.08. Moneys Held by Trustee.

Subject to applicable law, any moneys deposited with the Trustee or any Paying Agent or then held by the Issuer or the Guarantors in trust for the payment of the principal of, or premium, if any, or interest on any Note that are not applied but remain unclaimed by the Holder of such Note for two years after the date upon which the principal of, or premium, if any, or interest on such Note shall have respectively become due and payable shall be repaid to the Issuer (or, if appropriate, the Guarantors), or if such moneys are then held by the Issuer or the Guarantors in trust, such moneys shall be released from such trust; and the Holder of such Note entitled to receive such payment shall thereafter, as an unsecured general creditor, look only to the Issuer and the Guarantors for the payment thereof, and all liability of the Trustee or such Paying Agent with respect to such trust money shall thereupon cease; *provided* that the Trustee or any such Paying Agent, before being required to make any such repayment, may, at the expense of the Issuer and the Guarantors, either mail to each Holder affected, at the address shown in the register of the Notes maintained by the Registrar pursuant to Section 2.04, or cause to be published once a week for two successive weeks, in a newspaper published in the English language, customarily published each Business Day and of general circulation in the City of New York, New York, a notice that such money remains unclaimed and that, after a date specified therein, which shall not be less than 30 days from the date of such mailing or publication, any unclaimed balance of such moneys then remaining shall be repaid to the Issuer. After payment to the Issuer or the Guarantors or the release of any money held in trust by the Issuer or any Guarantors, as the case may be, Holders entitled to the money must look only to the Issuer and the Guarantors for payment as general creditors unless applicable abandoned property law designates another Person.

ARTICLE TEN

GUARANTEE OF NOTES

SECTION 10.01. Guarantee.

Subject to the provisions of this Article Ten, each Person that becomes a Guarantor in accordance with Section 4.10, by execution of a supplemental indenture to this Indenture in form and substance satisfactory to the Trustee, jointly and severally, unconditionally guarantees (each, a “Note Guarantee” and collectively, the “Note Guarantees”) to each Holder and the Trustee (i) the due and punctual payment of the principal of and interest on each Note, when and as the same shall become due and payable, whether at maturity, by acceleration or otherwise, the due and punctual payment of interest on the overdue principal of and interest on the Notes, to the extent lawful, and the due and punctual payment of all obligations of the Issuer to the Holders or the Trustee all in accordance with the terms of such Note, this Indenture and the Registration Rights Agreement, and (ii) in the case of any extension of time of payment or renewal of any Notes or any of such other obligations, that the same shall be promptly paid in full when due or performed in accordance with the terms of the extension or renewal, at stated maturity, by acceleration or otherwise. Each Guarantor, by execution of a supplemental indenture to this Indenture, agrees that its obligations hereunder shall be absolute and unconditional, irrespective of, and shall be unaffected by, any invalidity, irregularity or unenforceability of any such Note, this Indenture or the Registration Rights Agreement, any failure to enforce the provisions of any such Note, this Indenture or the Registration Rights Agreement, any waiver, modification or indulgence granted to the Issuer with respect thereto by the Holder of such Note, or any other circumstances which may otherwise constitute a legal or equitable discharge of a surety or such Guarantor.

Each Guarantor, by execution of a supplemental indenture to this Indenture, waives diligence, presentment, demand for payment, filing of claims with a court in the event of merger or bankruptcy of the Issuer, any right to require a proceeding first against the Issuer, protest or notice with respect to any such Note or the Indebtedness evidenced thereby (except as expressly required hereunder, including pursuant to Article Six hereof) and all demands whatsoever, and covenants that this Note Guarantee shall not be discharged as to any such Note except by payment in full of the principal thereof and interest thereon. Each Guarantor, by execution of a supplemental indenture to this Indenture, agrees that, as between such Guarantor, on the one hand, and the Holders and the Trustee, on the other hand, (i) the maturity of the obligations guaranteed pursuant to such supplemental indenture may be accelerated as provided in Article Six for the purposes of this Note Guarantee, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the obligations guaranteed by execution of such supplemental indenture, and (ii) in the event of any declaration of acceleration of such obligations as provided in Article Six, such obligations (whether or not due and payable) shall forthwith become due and payable by each Guarantor for the purpose of the Note Guarantee.

SECTION 10.02. Execution and Delivery of Guarantee.

If an officer of a Guarantor whose signature is on a supplemental indenture to this Indenture no longer holds that office at the time the Trustee authenticates the Note or at any time thereafter, such Guarantor’s Note Guarantee of such Note shall be valid nevertheless.

The delivery of any Note by the Trustee, after the authentication thereof hereunder, shall constitute due delivery of any Note Guarantee on behalf of the Guarantor.

SECTION 10.03. Limitation of Guarantee.

The obligations of each Guarantor under its Note Guarantee are limited to the maximum amount as shall, after giving effect to all other contingent and fixed liabilities of such Guarantor (including, without limitation, any guarantees under the Credit Agreement) and after giving effect to any collections from or payments made by or on behalf of any other Guarantor in respect of the obligations of such other Guarantor under its Note Guarantee or pursuant to its contribution obligations under this Indenture, result in the obligations of such Guarantor under its Note Guarantee not constituting a fraudulent conveyance or fraudulent transfer under federal or state law. Each Guarantor that makes a payment or distribution under its Note Guarantee shall be entitled to a contribution from each other Guarantor in a pro rata amount based on the adjusted net assets of each Guarantor.

SECTION 10.04. Release of Guarantor.

A Guarantor shall be released from its obligations under its Note Guarantee and its obligations under this Indenture:

- (1) in the event of dissolution of such Guarantor;

(2) if such Guarantor is designated as an Unrestricted Subsidiary or otherwise ceases to be a Restricted Subsidiary, in each case in accordance with the provisions of this Indenture, upon effectiveness of such designation or when it first ceases to be a Restricted Subsidiary, respectively;

81

(3) upon the release, discharge or reclassification of any Indebtedness or any other guarantee by such Guarantor incurred in reliance on the Leverage Ratio Exception except, with respect to a guarantee, a discharge or release by or as a result of payment under such other guarantee; or

(4) upon the exercise of the legal defeasance option or covenant defeasance option pursuant to Sections 9.02 or 9.03 hereof, as applicable, or if the obligations under this Indenture are discharged in accordance with the terms hereof,

and in each such case, the Issuer has delivered to the Trustee an Officer's Certificate or an Opinion of Counsel, each stating that all conditions precedent herein provided for relating to such transactions have been complied with and that such release is authorized and permitted hereunder.

The Trustee shall execute any documents reasonably requested by the Issuer or a Guarantor in order to evidence the release of such Guarantor from its obligations under its Note Guarantee endorsed on the Notes and under this Article Ten.

SECTION 10.05. Waiver of Subrogation.

Until the Notes have been paid in full, each Guarantor hereby irrevocably waives any claim or other rights which it may now or hereafter acquire against the Issuer that arise from the existence, payment, performance or enforcement of such Guarantor's obligations under its Note Guarantee and this Indenture, including, without limitation, any right of subrogation, reimbursement, exoneration, indemnification, and any right to participate in any claim or remedy of any Holder of Notes against the Issuer, whether or not such claim, remedy or right arises in equity, or under contract, statute or common law, including, without limitation, the right to take or receive from the Issuer, directly or indirectly, in cash or other property or by set-off or in any other manner, payment or Note on account of such claim or other rights. If any amount shall be paid to any Guarantor in violation of the preceding sentence and the Notes shall not have been paid in full, such amount shall have been deemed to have been paid to such Guarantor for the benefit of, and held in trust for the benefit of, the Holders, and shall forthwith be paid to the Trustee for the benefit of such Holders to be credited and applied upon the Notes, whether matured or unmatured, in accordance with the terms of this Indenture. Each Guarantor acknowledges that it shall receive direct and indirect benefits from the financing arrangements contemplated by this Indenture and that the waiver set forth in this Section 10.05 is knowingly made in contemplation of such benefits.

Each certificate and opinion with respect to compliance by or on behalf of the Issuer or any Guarantor with a condition or covenant provided for in this Indenture (other than the Officer's Certificate required

SECTION 11.10. Force Majeure.

In no event shall the Trustee, Paying Agent, Registrar or Transfer Agent be responsible or liable for any failure or delay in the performance of its obligations under this Indenture arising out of or caused by, directly or indirectly, forces beyond its reasonable control, including without limitation strikes, work stoppages, accidents, acts of war or terrorism, civil or military disturbances, nuclear or natural catastrophes or acts of God, and interruptions, loss or malfunctions of utilities, communications or computer (software or hardware) services.

It is understood that this limitation on recourse is made expressly for the benefit of any such shareholder, employee, officer or director and may be enforced by any of them.

SECTION 11.13. Successors.

All agreements of the Issuer and the Guarantors in this Indenture and the Notes shall bind their respective successors. All agreements of the Trustee, any additional trustee and any Paying Agents in this Indenture shall bind its successor.

SECTION 11.14. Multiple Counterparts.

The parties may sign multiple counterparts of this Indenture. Each signed counterpart shall be deemed an original, but all of them together represent one and the same agreement.

SECTION 11.17. USA Patriot Act

The parties hereto acknowledge that in accordance with Section 326 of the USA Patriot Act the Trustee and Agents, like all financial institutions and in order to help fight the funding of terrorism and money laundering, are required to obtain, verify, and record information that identifies each person or legal entity that establishes a relationship or opens an account. The parties to this agreement agree that they shall provide the Trustee and the Agents with such information as they may request in order to satisfy the requirements of the USA Patriot Act.

The Issuer has agreed to qualify this Indenture under the TIA in accordance with the terms and conditions of the Registration Rights Agreement and to pay all reasonable costs and expenses (including attorneys' fees and expenses for the Issuers, the Trustee and the Holders) incurred in connection therewith to the extent set forth in the Registration Rights Agreement, including, but not limited to, costs and expenses of qualification of this Indenture and the Notes and printing this Indenture and the Notes. The Trustee shall be entitled to receive from the Issuer any such Officer's Certificates, Opinions of Counsel or other documentation as it may reasonably request in connection with any such qualification of this Indenture under the TIA.

IN WITNESS WHEREOF, the parties have caused this Indenture to be duly executed all as of the date and year first written above.

6.375% SENIOR NOTE DUE 2024

1. Interest.

MATCH GROUP, INC., a Delaware corporation (the "Issuer"), promises to pay, until the principal hereof is paid or made available for payment, interest (including Additional Interest, if any) on the principal amount set forth on the face hereof at a rate of 6.375% per annum. Interest hereon shall accrue from and including the most recent date to which interest has been paid or, if no interest has been paid, from and including June 1, 2016 to but excluding the date on which interest is paid. Interest shall be payable in arrears on each June 1 and December 1 commencing on December 1, 2016. Interest (including Additional Interest) shall be computed on the basis of a 360-day year of twelve 30-day months. The Issuer shall pay interest on overdue principal and on overdue interest (to the full extent permitted by law) at a rate of 6.375% per annum.

In addition to the rights provided to Holders of the Notes under the Indenture, Holders of Registrable Securities (as defined in the Registration Rights Agreement) shall have all rights set forth in the Registration Rights Agreement, dated as of June 1, 2016, between the Issuer and J.P. Morgan Securities LLC, as representative of the several Initial Purchasers (the "Registration Rights Agreement"), including the right to receive Additional Interest pursuant to the

Registration Rights Agreement in certain circumstances. If applicable, Additional Interest payable pursuant to the Registration Rights Agreement shall be paid to the same Persons, in the same manner and at the same times as regular interest.

2. **Method of Payment.** The Issuer shall pay interest hereon (except defaulted interest) and Additional Interest, if any, to the Persons who are registered Holders at the close of business on May 15 or November 15 next preceding the interest payment date (whether or not a Business Day). Holders must surrender Notes to a Paying Agent to collect principal payments. The Issuer (through the Paying Agent) shall pay principal and interest (including Additional Interest, if any) in money of the United States of America that at the time of payment is legal tender for payment of public and private debts. If the Holder has given wire transfer instructions to the Issuer at least ten Business Days prior to the payment date, the Issuer (through the Paying Agent) shall make all payments on this Note by wire transfer of immediately available funds to the account specified in those instructions. Otherwise, payments on this Note shall be made at the office or agency of the Paying Agent unless the Issuer (with notice to the Paying Agent) elects to make interest payments by check mailed to the Holders at their addresses set forth in the register of Holders.

3. **Paying Agent and Registrar.** Initially, Computershare Trust Company, N.A., a national banking association (the “Trustee”), shall act as a Paying Agent and Registrar. The Issuer may appoint and change any Paying Agent or Registrar or co-registrar without notice. The Issuer or any of its Affiliates may act as Paying Agent or Registrar.

4. **Indenture.** The Issuer issued the Notes under an Indenture dated as of June 1, 2016 (the “Indenture”) between the Issuer and the Trustee. This is one of an issue of Notes of the Issuer issued, or to be issued, under the Indenture. The Notes include (i) \$400,000,000 aggregate principal amount of the Issuer’s 6.375% Senior Notes due 2024 (the “Initial Notes”), (ii) if and when issued, additional Notes that may be issued from time to time under the Indenture subsequent to June 1, 2016 (the “Additional Notes”)

A-7

and (iii) if and when issued, the Issuer’s 6.375% Senior Notes due 2024 that may be issued from time to time under the Indenture in exchange for Initial Notes or Additional Notes in an offer registered under the Securities Act as provided in the Registration Rights Agreement (herein called “Exchange Notes”). The Initial Notes, the Additional Notes and the Exchange Notes shall be considered collectively as a single class for all purposes of the Indenture. The terms of the Notes include those stated in the Indenture and those made part of the Indenture by reference to the Trust Indenture Act. The Notes are subject to all such terms, and Holders are referred to the Indenture and such Act for a statement of them. Capitalized and certain other terms used herein and not otherwise defined have the meanings set forth in the Indenture.

5. **Mandatory Redemption.** Except as set forth in paragraph 8 below, the Issuer shall not be required to make mandatory redemption payments with respect to the Notes.

6. **Optional Redemption.** Except as set forth below, the Issuer will not be entitled to redeem the Notes at its option.

(i) At any time prior to June 1, 2019, the Issuer may redeem all or a part of the Notes, upon notice as described in Section 3.03 of the Indenture, at a redemption price equal to 100% of the principal amount of the Notes redeemed plus the Applicable Premium as of, and accrued and unpaid interest and Additional Interest, if any, to but not including the date of redemption (the “Redemption Date”), subject to the rights of Holders of Notes on the relevant record date to receive interest due on the relevant interest payment date.

(ii) On and after June 1, 2019, the Issuer may redeem the Notes, in whole or in part, upon notice as described in Section 3.03 of the Indenture, at the redemption prices (expressed as percentages of principal amount of the Notes to be redeemed) set forth below, plus accrued and unpaid interest thereon and Additional Interest, if any, to but not including the applicable Redemption Date, subject to the right of Holders of Notes of record on the relevant record date to receive interest due on the relevant interest payment date, if redeemed during the twelve-month period beginning on June 1, of each of the years indicated below:

<u>Year</u>	<u>Percentage</u>
2019	104.781%
2020	103.188%
2021	101.594%
2022 and thereafter	100.000%

(iii) In addition, until June 1, 2019, the Issuer may, at its option, on one or more occasions redeem up to 40% of the aggregate principal amount of Notes at a redemption price equal to 106.375% of the aggregate principal amount thereof, plus accrued and unpaid interest thereon and Additional Interest, if any, to but not including the applicable Redemption Date, subject to the right of Holders of Notes of record on the relevant record date to receive interest due on the relevant interest payment date, with the net cash proceeds of one or more Equity Offerings; provided that at least 50% of the sum of the aggregate principal amount of (x) Notes originally issued under the Indenture and (y) any Additional Notes issued under the Indenture after the Issue Date remains outstanding immediately after the occurrence of each such redemption; provided, further, that each such redemption occurs within 90 days of the date of closing of each such Equity Offering.

A-8

7. **Notice of Redemption.** Notice of redemption shall be mailed, or delivered electronically if held by DTC, at least 30 days but not more than 60 days before the Redemption Date to each Holder to be redeemed at his registered address, except that redemption notices may be mailed, or delivered electronically if held by DTC, more than 60 days prior to a Redemption Date if the notice is issued in connection with a satisfaction and discharge of the Indenture. On and after the Redemption Date, unless the Issuer defaults in making the redemption payment, interest ceases to accrue on Notes or portions thereof called for redemption.

8. **Offers to Purchase.** The Indenture provides that upon the occurrence of a Change of Control Triggering Event and subject to further limitations contained therein, the Issuer shall make an offer to purchase outstanding Notes in accordance with the procedures set forth in the Indenture.

10. Denominations, Transfer, Exchange. The Notes are in registered form without coupons in denominations of \$2,000 and integral multiples of \$1,000. A Holder may transfer or exchange Notes in accordance with the Indenture. The Registrar may require a Holder, among other things, to furnish appropriate endorsements and transfer documents and to pay to it any taxes and fees required by law or permitted by the Indenture. The Registrar need not register the transfer of or exchange of any Notes or a portion of a Note selected for redemption for a period of 15 days before a mailing or electronic delivery of notice of redemption.
11. Persons Deemed Owners. The registered Holder of this Note may be treated as the owner of this Note for all purposes.
12. Unclaimed Money. If money for the payment of principal or interest or Additional Interest, if any, remains unclaimed for two years, the Trustee shall pay the money back to the Issuer at its written request. After that, Holders entitled to the money must look to the Issuer for payment as general creditors unless an "abandoned property" law designates another Person.
13. Amendment, Supplement, Waiver, etc. The Issuer and the Trustee may, without the consent of the Holders of any outstanding Notes, amend, waive or supplement the Indenture or the Notes for certain specified purposes, including, among other things, curing ambiguities, defects or inconsistencies, maintaining the qualification of the Indenture under the Trust Indenture Act, and making any change that does not materially adversely affect the rights of any Holder. Other amendments and modifications of the Indenture or the Notes may be made by the Issuer and the Trustee with the consent of the Holders of not less than a majority of the aggregate principal amount of the outstanding Notes, subject to certain exceptions requiring the consent of the Holders of the particular Notes to be affected.
14. Defaults and Remedies. Events of Default are set forth in the Indenture. If an Event of Default specified in clause (7) or (8) of Section 6.01 of the Indenture with respect to the Issuer or any Significant Subsidiary occurs, all outstanding Notes shall become due and payable without any further action or notice. If any other Event of Default (other than an Event of Default specified in clause (7) or (8) of Section 6.01 of the Indenture with respect to the Issuer or any Significant Subsidiary), shall have occurred and be continuing hereunder, the Trustee, by written notice to the Issuer, or the Holders of at least 25% in aggregate principal amount of the Notes then outstanding by written notice to the Issuer and the Trustee, may declare all amounts owing under the Notes to be due and payable. The Trustee may require indemnity satisfactory to it before it enforces the Indenture or the Notes. Subject to certain limitations, Holders of a majority in aggregate principal amount of the then outstanding Notes may direct the Trustee in its exercise of any trust or power.

A-9

15. Trustee Dealings with Issuer. The Trustee in its individual or any other capacity may become the owner or pledgee of Notes and may make loans to, accept deposits from, perform services for or otherwise deal with either of the Issuer or any Guarantor, or any Affiliates thereof, with the same rights it would have if it were not Trustee.
16. Discharge. Subject to certain conditions and as set forth in the Indenture, the Issuer at any time may terminate some or all of its obligations pursuant to the Indenture, upon the payment of all the Notes or upon the irrevocable deposit with the Trustee of United States dollars or U.S. Government Obligations sufficient to pay when due principal of and interest on the Notes to maturity or redemption, as the case may be.
17. Guarantees. The Note shall be entitled to the benefits of Note Guarantees, if any, made for the benefit of the Holders. Reference is hereby made to the Indenture for a statement of the respective rights, limitations of rights, duties and obligations thereunder of the Guarantors, if any, the Trustee and the Holders, and for events causing release of the Guarantors, if any, from the Note Guarantees, if any.
18. Authentication. This Note shall not be valid until the Trustee manually signs the certificate of authentication on the other side of this Note.

No representation is made as to the accuracy of such numbers either as printed on the Notes or as contained in any notice of redemption and reliance may be placed only on the other identification numbers placed thereon.

(iii) In addition, until June 1, 2019, the Issuer may, at its option, on one or more occasions redeem up to 40% of the aggregate principal amount of Notes at a redemption price equal to 106.375% of the aggregate principal amount thereof, plus accrued and unpaid interest thereon and Additional Interest, if any, to but not including the applicable Redemption Date, subject to the right of Holders of Notes of record on the relevant record date to receive interest due on the relevant interest payment date, with the net cash proceeds of one or more Equity Offerings; provided that at least 50% of the sum of the aggregate principal amount of (x) Notes originally issued under the Indenture and (y) any Additional Notes issued under the Indenture after the Issue Date remains outstanding immediately after the occurrence of each such redemption; provided, further, that each such redemption occurs within 90 days of the date of closing of each such Equity Offering.

7. Notice of Redemption. Notice of redemption shall be mailed, or delivered electronically if held by DTC, at least 30 days but not more than 60 days before the Redemption Date to each Holder to be redeemed at his registered address, except that redemption notices may be mailed, or delivered electronically if held by DTC, more than 60 days prior to a Redemption Date if the notice is issued in connection with a satisfaction and discharge of the Indenture. On and after the Redemption Date, unless the Issuer defaults in making the redemption payment, interest ceases to accrue on Notes or portions thereof called for redemption.

10. Persons Deemed Owners. The registered Holder of this Note may be treated as the owner of this Note for all purposes.

11. Unclaimed Money. If money for the payment of principal or interest remains unclaimed for two years, the Trustee shall pay the money back to the Issuer at its written request. After that, Holders entitled to the money must look to the Issuer for payment as general creditors unless an “abandoned property” law designates another Person.

12. Amendment, Supplement, Waiver, etc. The Issuer and the Trustee may, without the consent of the Holders of any outstanding Notes, amend, waive or supplement the Indenture or the Notes for certain specified purposes, including, among other things, curing ambiguities, defects or inconsistencies, maintaining the qualification of the Indenture under the Trust Indenture Act, and making any change that does not materially adversely affect the rights of any Holder. Other amendments and modifications of the Indenture or the Notes may be made by the Issuer and the Trustee with the consent of the Holders of not less than a majority of the aggregate principal amount of the outstanding Notes, subject to certain exceptions requiring the consent of the Holders of the particular Notes to be affected.

13. Defaults and Remedies. Events of Default are set forth in the Indenture. If an Event of Default specified in clause (7) or (8) of Section 6.01 of the Indenture with respect to the Issuer or any Significant Subsidiary occurs, all outstanding Notes shall become due and payable without any further action or notice. If any other Event of Default (other than an Event of Default specified in clause (7) or (8) of Section 6.01 of the Indenture with respect to the Issuer or any Significant Subsidiary), shall have occurred and be continuing hereunder, the Trustee, by written notice to the Issuer, or the Holders of at least 25% in aggregate principal amount of the Notes then outstanding, by written notice to the Issuer and the Trustee, may declare all amounts owing under the Notes to be due and payable. The Trustee may require indemnity satisfactory to it before it enforces the Indenture or the Notes. Subject to certain limitations, Holders of a majority in aggregate principal amount of the then outstanding Notes may direct the Trustee in its exercise of any trust or power.

14. Trustee Dealings with Issuer. The Trustee in its individual or any other capacity may become the owner or pledgee of Notes and may make loans to, accept deposits from, perform services for or otherwise deal with either of the Issuer or any Guarantor, or any Affiliates thereof, with the same rights it would have if it were not Trustee.

15. Discharge. Subject to certain conditions and as set forth in the Indenture, the Issuer at any time may terminate some or all of its obligations pursuant to the Indenture, upon the payment of all the Notes or upon the irrevocable deposit with the Trustee of United States dollars or U.S. Government Obligations sufficient to pay when due principal of and interest on the Notes to maturity or redemption, as the case may be.

16. Guarantees. The Note shall be entitled to the benefits of Note Guarantees, if any, made for the benefit of the Holders. Reference is hereby made to the Indenture for a statement of the respective rights, limitations of rights, duties and obligations thereunder of the Guarantors, if any, the Trustee and the

2. Registration Under the Securities Act. (a) To the extent not prohibited by any applicable law or applicable interpretations of the Staff, the Company shall use commercially reasonable efforts to (i) cause to be filed an Exchange Offer Registration Statement covering an offer to the Holders to exchange all the Registrable Securities for Exchange Securities and (ii) have such Registration Statement become and remain effective until 180 days after the last Exchange Date for use by one or more Participating Broker-Dealers. The Company shall commence the Exchange Offer promptly after the Exchange Offer Registration Statement is declared effective by the SEC and use commercially reasonable efforts to complete the Exchange Offer not later than 60 days after such effective date.

4

The Company shall commence the Exchange Offer by mailing or delivering the related Prospectus and other accompanying documents, if any, in compliance with the applicable procedures of the depository holding the Securities stating, in addition to such other disclosures as are required by applicable law, substantially the following:

- (i) that the Exchange Offer is being made pursuant to this Agreement and that all Registrable Securities validly tendered and not properly withdrawn will be accepted for exchange;
- (ii) the dates of acceptance for exchange (which shall be a period of at least 20 Business Days from the date the Exchange Offer is commenced) (the “Exchange Dates”);
- (iii) that any Registrable Security not tendered will remain outstanding and continue to accrue interest but will not retain any rights under this Agreement, except as otherwise specified herein;
- (iv) that any Holder electing to have a Registrable Security exchanged pursuant to the Exchange Offer will be required to (A) surrender such Registrable Security to the institution and at the address (located in the Borough of Manhattan, The City of New York) and in the manner specified in the notice, or (B) effect such exchange otherwise in compliance with the applicable procedures of the depository for such Registrable Security, in each case prior to the close of business on the last Exchange Date; and
- (v) that any Holder will be entitled to withdraw its election, not later than the close of business on the last Exchange Date, by (A) delivering to the institution and at the address (located in the Borough of Manhattan, The City of New York) specified in the notice, facsimile transmission or letter setting forth the name of such Holder, the principal amount of Registrable Securities delivered for exchange and a statement that such Holder is withdrawing its election to have such Securities exchanged or (B) effecting such withdrawal in compliance with the applicable procedures of the depository for the Registrable Securities.

As a condition to participating in the Exchange Offer, a Holder will be required to represent to the Company that (i) any Exchange Securities to be received by it will be acquired in the ordinary course of its business, (ii) at the time of the commencement of the Exchange Offer it has no arrangement or understanding with any Person to participate in the distribution (within the meaning of the Securities Act) of the Exchange Securities in violation of the provisions of the Securities Act, (iii) it is not an “affiliate” (within the meaning of Rule 405 under the Securities Act) of the Company and (iv) if such Holder is a broker-dealer that will receive Exchange Securities for its own account in exchange for Registrable Securities that were acquired as a result of market-making or other trading activities, then such Holder will deliver a Prospectus (or, to the extent permitted by law, make available a Prospectus to purchasers) in connection with any resale of such Exchange Securities.

As soon as practicable after the last Exchange Date, the Company shall:

- (i) accept for exchange Registrable Securities or portions thereof validly tendered and not properly withdrawn pursuant to the Exchange Offer; and
- (ii) deliver, or cause to be delivered, to the Trustee for cancellation all Registrable Securities or portions thereof so accepted for exchange by the Company and issue, and cause the Trustee to promptly authenticate and deliver to each Holder, Exchange Securities equal in principal amount to the principal amount of the Registrable Securities tendered by such Holder.

5

The Company shall use commercially reasonable efforts to complete the Exchange Offer as provided above and shall comply with the applicable requirements of the Securities Act, the Exchange Act and other applicable laws and regulations in connection with the Exchange Offer. The Exchange Offer shall not be subject to any conditions, other than that the Exchange Offer does not violate any applicable law or applicable interpretations of the Staff.

(b) In the event that (i) the Company determines that the Exchange Offer Registration provided for in Section 2(a) hereof is not available or may not be completed as soon as practicable after the last Exchange Date because it would violate any applicable law or applicable interpretations of the Staff, (ii) after the filing of the Exchange Offer Registration Statement with the SEC, upon receipt of a written request (a “Shelf Request”) from any Initial Purchaser or Holder representing that it holds Registrable Securities and that it is prohibited by applicable law or SEC policy from participating in the Exchange Offer to be exchanged in the Exchange Offer, the Company shall use commercially reasonable efforts to cause to be filed as soon as practicable after such determination date or Shelf Request, as the case may be, a Shelf Registration Statement providing for the sale of all the Registrable Securities by the Holders thereof and to have such Shelf Registration Statement become effective; provided that no Holder will be entitled to have any Registrable Securities included in any Shelf Registration Statement, or entitled to use the prospectus forming a part of such Shelf Registration Statement, until such Holder shall have delivered a completed and signed Notice and Questionnaire and provided such other information regarding such Holder to the Company as is contemplated by Section 3(b) hereof.

In the event that the Company is required to file a Shelf Registration Statement pursuant to clause (ii) of the preceding sentence, the Company shall use commercially reasonable efforts to file and have become effective both an Exchange Offer Registration Statement pursuant to Section 2(a) hereof with respect to all Registrable Securities and a Shelf Registration Statement (which may be a combined Registration Statement with the Exchange Offer Registration Statement) with respect to offers and sales of Registrable Securities held by Participating Holders after completion of the Exchange Offer.

The Company agrees to use commercially reasonable efforts to keep the Shelf Registration Statement continuously effective until the earlier of (x) the second anniversary of the date hereof and (y) the Securities cease to be Registrable Securities (the “Shelf Effectiveness Period”). The Company further agrees to supplement or amend the Shelf Registration Statement and the related Prospectus if required by the rules, regulations or instructions applicable to the registration form used by the Company for such Shelf Registration Statement or by the Securities Act or by any other rules and regulations thereunder or if reasonably requested in writing pursuant to the notice provision hereof by a Holder of Registrable Securities with respect to information relating to such Holder prior to the end of the Shelf Effectiveness Period, and to use commercially reasonable efforts to cause any such amendment to become effective, if required, and such Shelf Registration Statement and Prospectus to become usable as soon as thereafter practicable. The Company agrees to furnish to the Participating Holders copies of any such supplement or amendment promptly after its being used or filed with the SEC.

(c) The Company shall pay all Registration Expenses in connection with any registration pursuant to Section 2(a) or Section 2(b) hereof. Each Holder shall pay all underwriting discounts and commissions, brokerage commissions and transfer taxes, if any, relating to the sale or disposition of such Holder’s Registrable Securities pursuant to the Shelf Registration Statement.

(d) An Exchange Offer Registration Statement pursuant to Section 2(a) hereof will not be deemed to have become effective unless it has been declared effective by the SEC or otherwise becomes effective pursuant to SEC rules. A Shelf Registration Statement pursuant to Section 2(b) hereof will not be deemed to have become effective unless it has been declared effective by the SEC or is automatically

effective upon filing with the SEC as provided by Rule 462 under the Securities Act or otherwise becomes effective pursuant to SEC rules.

If a Registration Default occurs, the interest rate on the applicable Registrable Securities will be increased by (i) 0.25% per annum for the first 90-day period beginning on the day immediately following the day such Registration Default occurred and (ii) an additional 0.25% per annum with respect to each subsequent 90-day period, in each case until and including the date such Registration Default ends, up to a maximum increase of 1.00% per annum (collectively, the “Additional Interest”). A Registration Default ends when the Securities cease to be Registrable Securities or, if earlier, (1) in the case of a Registration Default under clause (i) of the definition thereof, when the Exchange Offer is completed, (2) in the case of a Registration Default under clause (ii) or clause (iii) of the definition thereof, when the Shelf Registration Statement becomes effective or (3) in the case of a Registration Default under clause (iv) of the definition thereof, when the Shelf Registration Statement again becomes effective or the Prospectus again becomes usable. Notwithstanding the foregoing, (i) the Company shall not be required to pay additional interest in excess of the amount described above because more than one Registration Default has occurred and is pending and (ii) a Holder of Registrable Securities who is not entitled to the benefits of a Shelf Registration Statement shall not be entitled to additional interest with respect to a Registration Default that pertains to a Registration Default relating to such Shelf Registration Statement.

(e) Any amounts paid pursuant to Section 2(d) above shall be paid in cash semi-annually in arrears, with the first semi-annual payment due on the first date an interest payment is made pursuant to the Indenture following the date of such Registration Default.

(f) Without limiting the remedies available to the Initial Purchasers and the Holders, the Company acknowledges that any failure by the Company to comply with its obligations under Section 2(a) and Section 2(b) hereof may result in material irreparable injury to the Initial Purchasers or the Holders for which there is no adequate remedy at law, that it will not be possible to measure damages for such injuries precisely and that, in the event of any such failure, the Initial Purchasers or any Holder may obtain such relief as may be required to specifically enforce the Company’s obligations under Section 2(a) and Section 2(b) hereof.

(g) The Company represents, warrants and covenants that it (including its agents and representatives) will not prepare, make, use, authorize, approve or refer to any Free Writing Prospectus.

3. Registration Procedures. (a) In connection with their obligations pursuant to Section 2(a) and Section 2(b) hereof, the Company shall in accordance with the terms of this Agreement:

(i) prepare and file with the SEC a Registration Statement on the appropriate form under the Securities Act, which form (x) shall be selected by the Company, (y) shall, in the case of a Shelf Registration, be available for the sale of the Registrable Securities by the Holders thereof and (z) shall comply as to form in all material respects with the requirements of the applicable form and include all financial statements required by the SEC to be filed therewith; and use commercially reasonable efforts to cause such Registration Statement to become effective and remain effective for the applicable period in accordance with Section 2 hereof;

(ii) prepare and file with the SEC such amendments and post-effective amendments to each Registration Statement as may be necessary to keep such Registration Statement effective (subject to the provisions of Section 3(d) hereof) for the applicable period in accordance with Section 2 hereof and cause each Prospectus to be supplemented by any required prospectus supplement and, as so supplemented, to be filed pursuant to Rule 424 under the Securities Act; and keep each Prospectus current during the period

(iii) in the case of a Shelf Registration, furnish to each Participating Holder, to counsel for the Initial Purchasers, to counsel for such Participating Holders and to each Underwriter of an Underwritten Offering of Registrable Securities, if any, without charge, as many copies of each Prospectus or preliminary prospectus, and any amendment or supplement thereto, as such Participating Holder, counsel or Underwriter may reasonably request in order to facilitate the sale or other disposition of the Registrable Securities thereunder; and, subject to Section 3(c) hereof, the Company consents to the use of such Prospectus or preliminary prospectus and any amendment or supplement thereto in accordance with applicable law by each of the Holders of Registrable Securities and any such Underwriters in connection with the offering and sale of the Registrable Securities covered by and in the manner described in such Prospectus or preliminary prospectus or any amendment or supplement thereto in accordance with applicable law;

(iv) use commercially reasonable efforts to register or qualify the Registrable Securities under all applicable state securities or blue sky laws of such jurisdictions as any Holder of Registrable Securities covered by a Registration Statement shall reasonably request in writing by the time the applicable Registration Statement becomes effective; cooperate with such Holders in connection with any filings required to be made with the Financial Industry Regulatory Authority; and do any and all other acts and things that may be reasonably necessary or advisable to enable each Holder to complete the disposition in each such jurisdiction of the Registrable Securities owned by such Holder; provided that the Company shall not be required to (1) qualify as a foreign corporation or other entity or as a dealer in securities in any such jurisdiction where it would not otherwise be required to so qualify, (2) file any general consent to service of process in any such jurisdiction or (3) subject itself to taxation in any such jurisdiction if it is not so subject;

(v) notify counsel for the Initial Purchasers (such counsel being the counsel on the date of the Agreement unless the Initial Purchasers notify the Company in writing otherwise) and, in the case of a Shelf Registration, notify each Participating Holder and counsel for such Participating Holders promptly and, if requested by any such Participating Holder or counsel, confirm such advice in writing promptly (1) when a Registration Statement has become effective, when any post-effective amendment thereto has been filed and becomes effective and when any amendment or supplement to the Prospectus has been filed, (2) of any request by the SEC or any state securities authority for amendments and supplements to a Registration Statement or Prospectus or for additional information, in each case after the Registration Statement has become effective, (3) of the issuance by the SEC or any state securities authority of any stop order suspending the effectiveness of a Registration Statement or the initiation of any proceedings for that purpose, including the receipt by the Company of any notice of objection of the SEC to the use of a Shelf Registration Statement or any post-effective amendment thereto pursuant to Rule 401(g)(2) under the Securities Act, (4) if, between the applicable effective date of a Shelf Registration Statement and the closing of any sale of Registrable Securities covered thereby, the representations and warranties of the Company contained in any underwriting agreement, securities sales agreement or other similar agreement, if any, relating to an offering of such Registrable Securities cease to be true and correct in all material respects or if the Company receives any notification with respect to the suspension of the qualification of the Registrable Securities for sale in any jurisdiction or the initiation of any proceeding for such purpose, (5) of the happening of any event during the period a Registration Statement is effective that makes any statement made in such Registration Statement or the related Prospectus untrue in any material respect or that requires the making of any changes in such Registration Statement or Prospectus in order to make the statements therein not misleading and (6) of any determination by the Company that a post-effective amendment to a Registration Statement or any amendment or supplement to the Prospectus would be appropriate;

8

(vi) use commercially reasonable efforts to obtain the withdrawal of any order suspending the effectiveness of a Registration Statement or, in the case of a Shelf Registration, the resolution of any objection of the SEC pursuant to Rule 401(g)(2), including by filing an amendment to such Shelf Registration Statement on the proper form, at the earliest possible moment and provide prompt notice to each Participating Holder of the withdrawal of any such order or such resolution;

(vii) in the case of a Shelf Registration, furnish to each Participating Holder, without charge, at least one conformed copy of each Registration Statement and any post-effective amendment thereto (without any documents incorporated therein by reference or exhibits thereto, unless reasonably requested), in each case, if not available on EDGAR;

(viii) in the case of a Shelf Registration, unless the Registrable Securities are in book-entry or global certificate only form, cooperate (if applicable) with the Participating Holders to facilitate the timely preparation and delivery of certificates representing Registrable Securities to be sold and not bearing any restrictive legends and enable such Registrable Securities to be issued in such denominations and registered in such names (consistent with the provisions of the Indenture) as such Participating Holders may reasonably request at least two Business Days prior to the closing of any sale of Registrable Securities;

(ix) in the case of a Shelf Registration, upon the occurrence of any event contemplated by Section 3(a)(v)(5) hereof, use commercially reasonable efforts to prepare and file with the SEC a supplement or post-effective amendment to such Shelf Registration Statement or the related Prospectus or any document incorporated therein by reference or file any other required document so that, as thereafter delivered (or, to the extent permitted by law, made available) to purchasers of the Registrable Securities, such Prospectus will not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading; and the Company shall notify (it being understood and agreed that no such notice or any notice under Section 3(a)(v)(5) shall include any material non-public information with respect to the relevant event) the Participating Holders to suspend use of the Prospectus as promptly as practicable after the occurrence of such an event, and such Participating Holders hereby agree to suspend use of the Prospectus until the Company has amended or supplemented the Prospectus to correct such misstatement or omission; provided that the Company shall not be required to take any action pursuant this Section 3(a)(ix) during any suspension period pursuant to Section 3(d) hereof;

(x) in case of a Shelf Registration, a reasonable time prior to the filing of any Registration Statement, any Prospectus, any amendment to a Registration Statement or amendment or supplement to a Prospectus or of any document that is to be incorporated by reference into a Registration Statement or a Prospectus after initial filing of a Registration Statement (except for current reports filed on Form 8-K filed in the ordinary course of business), provide copies of such document to J.P. Morgan and its counsel (and, in the case of a Shelf Registration Statement, to the Holders of Registrable Securities and their counsel to the extent that the Company has been provided with contact information for such counsel) and make such of the representatives of the Company as shall be reasonably requested by the Initial Purchasers or their counsel (and, in the case of a Shelf Registration Statement, the Participating Holders or their counsel) available for discussion of such document at reasonable times and upon reasonable notice; and the Company shall not, at any time after initial filing of a Registration Statement, use or file any Prospectus, any amendment of or supplement to a Registration Statement or a Prospectus, or any document that is to be incorporated by reference into a Registration Statement or a Prospectus, of which the Initial Purchasers and their counsel (and, in the case of a Shelf Registration Statement, the Holders of Registrable Securities and their counsel) shall not have previously been advised and furnished a copy or to which the Initial Purchasers or their counsel (and, in the case of a Shelf Registration Statement, the Holders of Registrable Securities or their counsel) shall reasonably object;

9

(xi) obtain a CUSIP number for all Exchange Securities or Registrable Securities in the case of a Shelf Registration, as the case may be, not later than the initial effective date of a Registration Statement;

(xii) cause the Indenture to be qualified under the Trust Indenture Act in connection with the registration of the Exchange Securities or Registrable Securities, as the case may be; provide cooperation with the Trustee and the Holders to effect such changes to the Indenture as may be required for the Indenture to be so qualified in accordance with the terms of the Trust Indenture Act; and execute, and use commercially reasonable efforts to cause the Trustee to execute, all documents as may be required to effect such changes and all other forms and documents required to be filed with the SEC to enable the Indenture to be so qualified in a timely manner;

(xiii) in the case of a Shelf Registration, make available for inspection by a representative of the Participating Holders (an “Inspector”), any Underwriter participating in any disposition pursuant to such Shelf Registration Statement, any attorneys and accountants designated by a majority of the Participating Holders and any attorneys and accountants designated by such Underwriter, at reasonable times and in a reasonable manner, all pertinent financial and other records, documents and properties of the Company and its subsidiaries, and cause the respective officers, directors and employees of the Company to supply all information reasonably requested by any such Inspector, Underwriter, attorney or accountant in connection with a Shelf Registration Statement in each case, as is customary for similar “due diligence” examinations of underwritten offerings; provided that if any such information is identified by the Company as being confidential or proprietary, each Person receiving such information shall take such actions as are reasonably necessary to protect the confidentiality of such information to the extent such action is otherwise not inconsistent with, an impairment of or in derogation of the rights and interests of any Inspector, Holder or Underwriter;

(xiv) in the case of a Shelf Registration, use its commercially reasonable efforts to cause all Registrable Securities to be listed on any securities exchange or any automated quotation system on which similar securities issued or guaranteed by the Company are then listed if requested by the Majority Holders, to the extent such Registrable Securities satisfy applicable listing requirements;

(xv) if reasonably requested by any Participating Holder covered by a Shelf Registration Statement pursuant to Section 2(b) hereof, promptly include in a Prospectus supplement or post-effective amendment such information with respect to such Participating Holder as such Participating Holder reasonably requests to be included therein and make all required filings of such Prospectus supplement or such post-effective amendment as soon as the Company has received notification of the matters to be so included in such filing; and

(xvi) in the case of a Shelf Registration, enter into such customary agreements and take all such other actions in connection therewith (including those requested by the Participating Holders of a majority in principal amount of the Registrable Securities covered by the Shelf Registration Statement) in order to expedite or facilitate the disposition of such Registrable Securities including, but not limited to, an Underwritten Offering and in such connection, (1) to the extent possible, make such representations and warranties to the Participating Holders and any Underwriters of such Registrable Securities with respect to the business of the Company and its subsidiaries and the Registration Statement, Prospectus and documents incorporated by reference or deemed incorporated by reference, if any, in each case, in form, substance and scope as are customarily made by issuers to underwriters in underwritten offerings and confirm the same if and when requested, (2) obtain opinions of counsel to the Company (which counsel and opinions, in form, scope and substance, shall be reasonably satisfactory to the Participating Holders and such Underwriters and their respective counsel) addressed to each Participating Holder and Underwriter of Registrable Securities, covering the matters customarily covered in opinions requested in

10

underwritten offerings, (3) obtain “comfort” letters from the independent registered public accountants of the Company (and, if necessary, any other independent registered public accountant of any subsidiary of the Company, or of any business acquired by the Company for which financial statements and financial data are or are required to be included in the Registration Statement) addressed to each Participating Holder (to the extent permitted by applicable professional standards) and Underwriter of Registrable Securities, such letters to be in customary form and covering matters of the type customarily covered in “comfort” letters in connection with underwritten offerings, including but not limited to financial information contained in any preliminary prospectus or Prospectus and (4) deliver such documents and certificates as may be reasonably requested by the Participating Holders of a majority in principal amount of the Registrable Securities being sold or the Underwriters, and which are customarily delivered in underwritten offerings, to evidence the continued validity of the representations and warranties of the Company made pursuant to clause (1) above and to evidence compliance with any customary conditions contained in an underwriting agreement; it being agreed that the representations and warranties, opinions of counsel and comfort letters delivered in connection with the initial offering of the Securities are customary.

(b) In the case of a Shelf Registration Statement, the Company may require each Holder of Registrable Securities to furnish to the Company such information regarding such Holder and the proposed disposition by such Holder of such Registrable Securities as the Company may from time to time reasonably request in writing; provided that if a Holder fails to provide the requested information within 20 Business Days after receiving such request, the Company may exclude such Holder’s Registrable Securities from such Shelf Registration Statement.

(c) Each Participating Holder agrees that, upon receipt of any notice from the Company of the happening of any event of the kind described in Section 3(a)(v)(3), Section 3(a)(v)(4) or Section 3(a)(v)(5) hereof, such Person will forthwith discontinue disposition of Registrable Securities pursuant to the Shelf Registration Statement until such Person's receipt of the copies of the supplemented or amended Prospectus contemplated by Section 3(a)(ix) hereof and, if so directed by the Company, such Person will deliver to the Company all copies in its possession, other than permanent file copies then in such Person's possession, of the Prospectus covering such Registrable Securities that is current at the time of receipt of such notice.

(d) If the Company gives any notice to suspend the disposition of Registrable Securities pursuant to a Registration Statement pursuant to this Section 3(d), the Company shall extend the period during which such Registration Statement shall be maintained effective pursuant to this Agreement by the number of days during the period from and including the date of the giving of such notice to and including the date when the Holders of such Registrable Securities shall have received copies of the supplemented or amended Prospectus necessary to resume such dispositions. The Company may give any such notice only twice during any 365-day period and any such suspensions shall not exceed 30 days for each suspension and there shall not be more than two suspensions in effect during any 365-day period.

(e) The Participating Holders who desire to do so may sell such Registrable Securities in an Underwritten Offering. In any such Underwritten Offering, the investment bank or investment banks and manager or managers (each an "Underwriter") that will administer the offering will be selected by the Holders of a majority in principal amount of the Registrable Securities included in such offering, subject to the approval of the Company, which approval shall not be unreasonably withheld.

4. Participation of Broker-Dealers in Exchange Offer. (a) The Staff has taken the position that any broker-dealer that receives Exchange Securities for its own account in the Exchange Offer in exchange for Securities that were acquired by such broker-dealer as a result of market-making or other trading activities (a "Participating Broker-Dealer") may be deemed to be an "underwriter" within the

11

meaning of the Securities Act and must deliver a prospectus meeting the requirements of the Securities Act in connection with any resale of such Exchange Securities.

The Company understands that it is the Staff's position that if the Prospectus contained in the Exchange Offer Registration Statement includes a plan of distribution containing a statement to the above effect and the means by which Participating Broker-Dealers may resell the Exchange Securities, without naming the Participating Broker-Dealers or specifying the amount of Exchange Securities owned by them, such Prospectus may be delivered by Participating Broker-Dealers (or, to the extent permitted by law, made available to purchasers) to satisfy their prospectus delivery obligation under the Securities Act in connection with resales of Exchange Securities for their own accounts, so long as the Prospectus otherwise meets the requirements of the Securities Act.

(b) In light of the above, and notwithstanding the other provisions of this Agreement, the Company agrees to amend or supplement the Prospectus contained in the Exchange Offer Registration Statement for a period of up to 180 days after the last Exchange Date (as such period may be extended pursuant to Section 3(d) hereof), in order to expedite or facilitate the disposition of any Exchange Securities by Participating Broker-Dealers consistent with the positions of the Staff recited in Section 4(a) above. The Company further agrees that Participating Broker-Dealers shall be authorized to deliver such Prospectus (or, to the extent permitted by law, make available) during such period in connection with the resales contemplated by this Section 4.

(c) The Initial Purchasers shall have no liability to the Company or any Holder with respect to any request that they may make pursuant to Section 4(b) hereof.

5. Indemnification and Contribution. (a) The Company agrees to indemnify and hold harmless each Initial Purchaser and each Holder, their respective affiliates, directors and officers and each Person, if any, who controls any Initial Purchaser or any Holder within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act, from and against any and all losses, claims, damages and liabilities (including, without limitation, legal fees and other expenses reasonably incurred in connection with any suit, action or proceeding or any claim asserted, as such fees and expenses are incurred), joint or several, that arise out of, or are based upon, (1) any untrue statement or alleged untrue statement of a material fact contained in any Registration Statement or any omission or alleged omission to state therein a material fact required to be stated therein or necessary in order to make the statements therein not misleading, or (2) any untrue statement or alleged untrue statement of a material fact contained in any Prospectus, any Free Writing Prospectus used in violation of this Agreement or any "issuer information" ("Issuer Information") filed or required to be filed pursuant to Rule 433(d) under the Securities Act, or any omission or alleged omission to state therein a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading, in each case except insofar as such losses, claims, damages or liabilities arise out of, or are based upon, any untrue statement or omission or alleged untrue statement or omission made in reliance upon and in conformity with any information relating to any Initial Purchaser or information relating to any Holder furnished to the Company in writing through J.P. Morgan or any selling Holder, respectively, expressly for use therein. In connection with any Underwritten Offering permitted by Section 3, the Company will also indemnify the Underwriters, if any, selling brokers, dealers and similar securities industry professionals participating in the distribution, their respective affiliates and each Person who controls such Persons (within the meaning of the Securities Act and the Exchange Act) to the same extent as provided above with respect to the indemnification of the Holders, if requested in connection with any Registration Statement, any Prospectus, any Free Writing Prospectus used in violation of this Agreement or any Issuer Information.

12

(b) Each Holder agrees, severally and not jointly, to indemnify and hold harmless the Company, the Initial Purchasers and the other selling Holders, the directors of the Company, each officer of the Company who signed the Registration Statement and each Person, if any, who controls the Company, any Initial Purchaser and any other selling Holder within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act to the same extent as the indemnity set forth in paragraph (a) above, but only with respect to any losses, claims, damages or liabilities that arise out of, or are based upon, any untrue statement or omission or alleged untrue statement or omission made in reliance upon and in conformity with any information relating to such Holder furnished to the Company in writing by such Holder expressly for use in any Registration Statement and any Prospectus.

(c) If any suit, action, proceeding (including any governmental or regulatory investigation), claim or demand shall be brought or asserted against any Person in respect of which indemnification may be sought pursuant to either paragraph (a) or (b) above, such Person (the "Indemnified Person") shall promptly notify the Person against whom such indemnification may be sought (the "Indemnifying Person") in writing; provided that the failure to notify the Indemnifying Person shall not relieve it from any liability that it may have under paragraph (a) or (b) above except to the extent that it has been materially

prejudiced (through the forfeiture of substantive rights or defenses) by such failure; and provided, further, that the failure to notify the Indemnifying Person shall not relieve it from any liability that it may have to an Indemnified Person otherwise than under paragraph (a) or (b) above. If any such proceeding shall be brought or asserted against an Indemnified Person and it shall have notified the Indemnifying Person thereof, the Indemnifying Person shall retain counsel reasonably satisfactory to the Indemnified Person to represent the Indemnified Person and any others entitled to indemnification pursuant to this Section 5 that the Indemnifying Person may designate in such proceeding and shall pay the fees and expenses of such proceeding and shall pay the reasonable fees and expenses of such counsel related to such proceeding, as incurred. In any such proceeding, any Indemnified Person shall have the right to retain its own counsel, but the fees and expenses of such counsel shall be at the expense of such Indemnified Person unless (i) the Indemnifying Person and the Indemnified Person shall have mutually agreed to the contrary; (ii) the Indemnifying Person has failed within a reasonable time to retain counsel reasonably satisfactory to the Indemnified Person; (iii) the Indemnified Person shall have reasonably concluded that there may be legal defenses available to it that are different from or in addition to those available to the Indemnifying Person; or (iv) the named parties in any such proceeding (including any impleaded parties) include both the Indemnifying Person and the Indemnified Person and representation of both parties by the same counsel would be inappropriate due to actual or potential differing interests between them. It is understood and agreed that the Indemnifying Person shall not, in connection with any proceeding or related proceeding in the same jurisdiction, be liable for the fees and expenses of more than one separate firm (in addition to any local counsel) for all Indemnified Persons, and that all such fees and expenses shall be reimbursed as they are incurred. Any such separate firm (x) for any Initial Purchaser, its affiliates, directors and officers and any control Persons of such Initial Purchaser shall be designated in writing by J.P. Morgan, (y) for any other Holder, its directors and officers and any control Persons of such Holder shall be designated in writing by the Majority Holders (other than any Initial Purchaser) and (z) in all other cases shall be designated in writing by the Company. The Indemnifying Person shall not be liable for any settlement of any proceeding effected without its written consent, but if settled with such consent or if there be a final judgment for the plaintiff, the Indemnifying Person agrees to indemnify each Indemnified Person from and against any loss or liability by reason of such settlement or judgment. No Indemnifying Person shall, without the written consent of the Indemnified Person, effect any settlement of any pending or threatened proceeding in respect of which any Indemnified Person is or could have been a party and indemnification could have been sought hereunder by such Indemnified Person, unless such settlement (A) includes an unconditional release of such Indemnified Person, in form and substance reasonably satisfactory to such Indemnified Person, from all liability on claims that are the subject matter of such proceeding and (B) does not include any statement as to or any admission of fault, culpability or a failure to act by or on behalf of any Indemnified Person.

(d) If the indemnification provided for in paragraphs (a) and (b) above is unavailable to an Indemnified Person or insufficient in respect of any losses, claims, damages or liabilities referred to therein, then each Indemnifying Person under such paragraph, in lieu of indemnifying such Indemnified Person thereunder, shall contribute to the amount paid or payable by such Indemnified Person as a result of such losses, claims, damages or liabilities (i) in such proportion as is appropriate to reflect the relative benefits received by the Company from the offering of the Securities and the Exchange Securities, on the one hand, and by the Holders from receiving Securities or Exchange Securities registered under the Securities Act, on the other hand, or (ii) if the allocation provided by clause (i) is not permitted by applicable law, in such proportion as is appropriate to reflect not only the relative benefits referred to in clause (i) but also the relative fault of the Company on the one hand and the Holders on the other in connection with the statements or omissions that resulted in such losses, claims, damages or liabilities, as well as any other relevant equitable considerations. The relative fault of the Company on the one hand and the Holders on the other shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by the Company or by the Holders and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission.

(e) The Company and the Holders agree that it would not be just and equitable if contribution pursuant to this Section 5 were determined by pro rata allocation (even if the Holders were treated as one entity for such purpose) or by any other method of allocation that does not take account of the equitable considerations referred to in paragraph (d) above. The amount paid or payable by an Indemnified Person as a result of the losses, claims, damages and liabilities referred to in paragraph (d) above shall be deemed to include, subject to the limitations set forth above, any legal or other expenses reasonably incurred by such Indemnified Person in connection with any such action or claim. Notwithstanding the provisions of this Section 5, in no event shall a Holder be required to contribute any amount in excess of the amount by which the total price at which the Securities or Exchange Securities sold by such Holder exceeds the amount of any damages that such Holder has otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission. No Person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any Person who was not guilty of such fraudulent misrepresentation. The Holders' obligations to contribute pursuant to this Section 5 are several and not joint.

(f) The remedies provided for in this Section 5 are not exclusive and shall not limit any rights or remedies that may otherwise be available to any Indemnified Person at law or in equity.

(g) The indemnity and contribution provisions contained in this Section 5 shall remain operative and in full force and effect regardless of (i) any termination of this Agreement, (ii) any investigation made by or on behalf of the Initial Purchasers or any Holder or any Person controlling any Initial Purchaser or any Holder, or by or on behalf of the Company or the officers or directors of or any Person controlling the Company, (iii) acceptance of any of the Exchange Securities and (iv) any sale of Registrable Securities pursuant to a Shelf Registration Statement.

6. General.

(a) *No Inconsistent Agreements.* The Company represents, warrants and agrees that (i) the rights granted to the Holders hereunder do not in any way conflict with and are not inconsistent with the rights granted to the holders of any other outstanding securities issued or guaranteed by the Company under any other agreement and (ii) the Company has not entered into, or on or after the date of this Agreement will enter into, any agreement that is inconsistent with the rights granted to the Holders of Registrable Securities in this Agreement or otherwise conflicts with the provisions hereof.

(b) *Amendments and Waivers.* The provisions of this Agreement, including the provisions of this sentence, may not be amended, modified or supplemented, and waivers or consents to departures from the provisions hereof may not be given unless the Company has obtained the written consent of Holders of at least a majority in aggregate principal amount of the outstanding Registrable Securities affected by such amendment, modification, supplement, waiver or consent; provided that no amendment, modification, supplement, waiver or consent to any departure from the provisions of Section 5 hereof shall be effective as against any Holder of Registrable Securities unless consented to in writing by such Holder. Any amendments, modifications, supplements, waivers or consents pursuant to this Section 6(b) shall be by a writing executed by each of the parties hereto.

(c) *Notices.* All notices and other communications provided for or permitted hereunder shall be made in writing by hand-delivery, first-class mail, telecopier/facsimile, or any courier guaranteeing overnight delivery (i) if to a Holder, at the most current address given by such Holder to the Company by means of a notice given in accordance with the provisions of this Section 6(c), which address initially is, with respect to the Initial Purchasers, the address set forth in the Purchase Agreement; (ii) if to the Company, initially at the Company's address set forth in the Purchase Agreement and thereafter at such other address, notice of which is given in accordance with the provisions of this Section 6(c); and (iii) to such other persons at their respective addresses as provided in the Purchase Agreement and thereafter at such other address, notice of which is given in accordance with the provisions of this Section 6(c). All such notices and communications shall be deemed to have been duly given: at the time delivered by hand, if personally delivered; five Business Days after being deposited in the mail, postage prepaid, if mailed; when receipt is acknowledged, if telecopied/faxed; and on the next Business Day if timely delivered to an air courier guaranteeing overnight delivery. Copies of all such notices, demands or other communications shall be concurrently delivered by the Person giving the same to the Trustee, at the address specified in the Indenture.

(d) *Successors and Assigns.* This Agreement shall inure to the benefit of and be binding upon the successors, assigns and transferees of each of the parties, including, without limitation and without the need for an express assignment, subsequent Holders; provided that nothing herein shall be deemed to permit any assignment, transfer or other disposition of Registrable Securities in violation of the terms of the Purchase Agreement or the Indenture. If any transferee of any Holder shall acquire Registrable Securities in any manner, whether by operation of law or otherwise, such Registrable Securities shall be held subject to all the terms of this Agreement, and by taking and holding such Registrable Securities such Person shall be conclusively deemed to have agreed to be bound by and to perform all of the terms and provisions of this Agreement and such Person shall be entitled to receive the benefits hereof. The Initial Purchasers (solely in their capacity as Initial Purchasers) shall have no liability or obligation to the Company with respect to any failure by a Holder to comply with, or any breach by any Holder of, any of the obligations of such Holder under this Agreement.

(e) *Third Party Beneficiaries.* Each Holder shall be a third party beneficiary to the agreements made hereunder between the Company, on the one hand, and the Initial Purchasers, on the other hand, and shall have the right to enforce such agreements directly to the extent it deems such enforcement necessary or advisable to protect its rights or the rights of other Holders hereunder.

(f) *Counterparts.* This Agreement may be executed in any number of counterparts and by the parties hereto in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement.

(g) *Headings.* The headings in this Agreement are for convenience of reference only, are not a part of this Agreement and shall not limit or otherwise affect the meaning hereof.

15

(h) *Governing Law.* This Agreement, and any claims, controversy or dispute arising under or related to this Agreement shall be governed by and construed in accordance with the laws of the State of New York.

(i) *Entire Agreement; Severability.* This Agreement contains the entire agreement between the parties relating to the subject matter hereof and supersedes all oral statements and prior writings with respect thereto. If any term, provision, covenant or restriction contained in this Agreement is held by a court of competent jurisdiction to be invalid, void or unenforceable or against public policy, the remainder of the terms, provisions, covenants and restrictions contained herein shall remain in full force and effect and shall in no way be affected, impaired or invalidated. The Company and the Initial Purchasers shall endeavor in good faith negotiations to replace the invalid, void or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the invalid, void or unenforceable provisions.
