The Administrative Committee
USA Networks, Inc. Retirement Savings Plan - Networks

We have audited the accompanying statements of net assets available for benefits of the USA Networks, Inc. Retirement Savings Plan - Networks as of December 31, 2001 and 2000, and the related statement of changes in net assets available for benefits for the year ended December 31, 2001. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan at December 31, 2001 and 2000, and the changes in its net assets available for benefits for the year ended December 31, 2001, in conformity with accounting principles generally accepted in the United States.

Our audits were performed for the purpose of forming an opinion on the financial statements taken as a whole. The accompanying supplemental schedule of assets (held at end of year) as of December 31, 2001 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. This supplemental schedule is the responsibility of the Plan's management. The supplemental schedule has been subjected to the auditing procedures applied in our audits of the financial statements and, in our opinion, is fairly stated in all material respects in relation to the financial statements taken as a whole.

USA NETWORKS, INC. RETIREMENT SAVINGS PLAN - NETWORKS

Notes to Financial Statements

December 31, 2001

1. DESCRIPTION OF THE PLAN

The following description of the USA Networks, Inc. Retirement Savings Plan - Networks (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

GENERAL

The Plan is a defined contribution Plan covering substantially all employees of certain affiliated companies of USA Networks, Inc. (the Company). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

During 2001, USA Networks, Inc. sold its USA Broadcasting division. The assets for the employees of USA Broadcasting had not transferred out of the Plan as of December 31, 2001.

CONTRIBUTIONS

Participants can make contributions through payroll deductions ranging from 1% to 16% of their compensation as defined in the Plan, subject to Internal Revenue Service limitations. Participants can direct their contributions to any of the Plan's fund options and may change their investment options on a daily basis.

The Company contributes an amount equal to 50% of the first 6% of compensation that a participant contributes in each payroll period to the Plan. The Company may also make a discretionary contribution of funds which is set annually by the Company's Board of Directors. For the year ended December 31, 2001, the Company's matching contribution was \$1,176,593. No discretionary contributions were made to the Plan.

Notes to Financial Statements (continued)

1. DESCRIPTION OF THE PLAN (CONTINUED)

VESTING

Participant contributions are fully vested in the Plan at the time of contribution. A participant is 100% vested in the Company contribution portion of their accounts plus actual earnings thereon after four years of credited service

ELIGIBILITY

Participants must have completed at least three months of service, as defined in the Plan document.

PARTICIPANTS' ACCOUNTS

Each participant's account is credited with the participant's contribution and allocations of the Company's contributions and Plan earnings. Allocations are based on participant account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

FORFEITURES

Company matching contributions that become forfeitures are first made available to reinstate previously forfeited account balances of qualifying participants

who have left the Company and have subsequently returned. The remaining amount, if any, is used to reduce the Company's matching contributions. Forfeited non-vested accounts totaled \$845,919 and \$218,015 at December 31, 2001 and 2000, respectively.

PARTICIPANT LOANS

Participants may borrow from their fund accounts a minimum of \$500 up to a maximum equal to the lesser of \$50,000 reduced by the highest outstanding loan balance within the last 12 months or 50% of their vested account balances. With the exception of loans used to purchase a primary residence which can have terms up to 15 years, loan terms are limited to a maximum of five years. Loans are secured by the balance in the participant's account and bear interest at a rate commensurate with commercial prevailing rates as determined by the Plan administrator. Principal and interest are paid ratably through biweekly payroll deductions.

Notes to Financial Statements (continued)

1. DESCRIPTION OF PLAN (CONTINUED)

PAYMENT OF BENEFITS

Upon a participant's retirement, death, disability or other interruption of continuous service, his/her entire vested account balance will be distributed in the form of a lump sum unless the participant's vested balance is at least \$5,000 and the participant elects to leave such amounts in the Plan.

PLAN TERMINATION

Although the Company has expressed no intent to terminate the Plan, in the event that the Plan is terminated by the Company, all amounts credited to the participants' accounts would become 100% vested and the assets would be distributed to participants.

ADMINISTRATIVE EXPENSES

Substantially all of the administrative expenses are paid by the Company. Participants are responsible for certain transaction fees related to their respective account, such as new loan set-up fees and hardship withdrawal fees. The participant expenses were \$4,571 for the year ended December 31, 2001.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The accompanying financial statements have been prepared on the accrual basis of accounting.

USE OF ESTIMATES

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates that affect amounts reported in the financial statements and the accompanying notes. Actual results could differ from those estimates.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

INVESTMENTS

The Plan's investments are stated at fair value. The shares of registered

investment companies are valued at quoted market prices which represent the net asset values of shares held by the Plan at year end. Securities traded on a national securities exchange are valued at the last reported sales price on the last business day of the Plan year. The participant loans are valued at their outstanding balances, which approximate fair value.

Purchases and sales of securities are recorded as of their trade date. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

3. INVESTMENTS
