**IAC EXTENDS CONSENT TIME AND EXPIRATION TIME IN CONNECTION WITH
ITS TENDER OFFER AND CONSENT SOLICITATION FOR ITS 7% SENIOR NOTES
DUE 2013**

OFFER TO BE AMENDED AND RESTATED SHORTLY

NEW YORK – July 23, 2008 – IAC (NASDAQ: IACI) announced today, in connection with its previously announced cash tender offer for any and all of its outstanding 7% Senior Notes due 2013 (the “Notes”) (CUSIP Nos. 902984AD5 & 902984AC7 / ISINs US902984AD51, US902984AC78 & USU9033KAA26) and related consent solicitation to amend the indenture governing the Notes, that it is extending the Consent Time (as defined in the Offer to Purchase and Consent Solicitation Statement dated June 11, 2008 (the “Offer to Purchase”)) from 5:00 p.m., New York City time, on Wednesday, July 23, 2008, to 5:00 p.m., New York City time, on Monday, August 4, 2008, and is extending the Expiration Time (as defined in the Offer to Purchase) from Midnight, New York City time, on Wednesday, August 6, 2008, to Midnight, New York City time, on Monday, August 11, 2008. IAC also is extending the Price Determination Date (as defined in the Offer to Purchase) from July 23, 2008 to July 28, 2008. Holders who previously have tendered Notes do not need to retender their Notes or take any other action in response to these extensions.

As previously announced, IAC has entered into an agreement with certain holders of Notes pursuant to which IAC has agreed, among other things, to amend the terms of the tender offer and consent solicitation. IAC expects to make this amendment shortly by distribution of an Amended and Restated Offer to Purchase and Consent Solicitation Statement (the “Amended Offer to Purchase”) and a related Amended and Restated Letter of Transmittal and Consent. In connection with this agreement, IAC stated that the issuance and exchange of new notes of Interval Acquisition Corp. (“Interval”) for Notes pursuant to the agreement, together with the offer to purchase and consent solicitation as amended, are being made in connection with the spinoff of Interval Leisure Group, Inc., and are intended to give rise to a succession event (with Interval as the sole successor to IAC) for credit derivatives purposes.

Except for the extension of the Consent Time, Expiration Time and Price Determination Date as described above, the tender offer and consent solicitation and the Offer to Purchase and related Letter of Transmittal and Consent remain in full force and effect. The tender offer and consent solicitation are subject to the satisfaction of certain conditions, including (i) the Minimum Tender Condition, which requires that Notes representing not less than a majority in aggregate principal amount of Notes outstanding (excluding Notes owned by IAC or any of its affiliates) be validly tendered (and not validly withdrawn) prior to the Expiration Time; (ii) the Spin-Off Condition, which requires that all conditions precedent to the previously announced proposed spin-offs to IAC’s stockholders shall have been satisfied or waived by IAC and the distribution of shares of one or more of the companies to be spun-off shall have occurred prior to the Expiration Time; and (iii) the Indenture Condition, which requires that the supplemental indenture implementing the proposed amendments shall have been executed by the indenture trustee. IAC expects, however, that the Amended Offer to Purchase will not include the Minimum Tender Condition.

The tender offer will expire at Midnight, New York City time, on August 11, 2008, unless further extended or earlier terminated by IAC. The consent solicitation will expire at 5:00 p.m., New York City time, on August 4, 2008, unless further extended or earlier terminated by IAC. The yield on the Reference Security (as defined in the Offer to Purchase) will be calculated at 2:00 p.m. on July 28, 2008, unless the Price Determination Date is further extended or the tender offer and consent solicitation are earlier terminated by IAC. Except for the extensions described above, the complete terms and conditions of the

tender offer and consent solicitation are described in the Offer to Purchase and related Letter of Transmittal and Consent.

IAC has retained Morgan Stanley & Co., Incorporated to act as the Dealer Manager for the tender offer and the Solicitation Agent for the consent solicitation. Questions regarding the tender offer and the consent solicitation may be directed to Morgan Stanley at (800) 624-1808 (toll-free) or (212) 761-1941 (collect) (Attn: Liability Management). Requests for documentation may be directed to MacKenzie Partners, Inc., the Information Agent for the tender offer and consent solicitation, at (800) 322-2885 (toll-free) or (212) 929-5500 (collect).

This press release is for informational purposes only and is neither an offer to purchase nor a solicitation of an offer to sell the Notes. This press release also is not a solicitation of consents to the proposed amendments to the indenture and the Notes. The tender offer and consent solicitation are being made solely by means of the tender offer and consent solicitation documents, including the Offer to Purchase that IAC has distributed to holders of Notes. The tender offer and consent solicitation are not being made to holders of Notes in any jurisdiction in which the making or acceptance thereof would not be in compliance with the securities, blue sky or other laws of such jurisdiction.

IAC AMENDS CASH TENDER OFFER AND CONSENT SOLICITATION FOR ITS 7% SENIOR NOTES DUE 2013

NEW YORK – July 24, 2008 - IAC (NASDAQ: IACI) announced today that it has amended its previously announced cash tender offer for any and all of its outstanding 7% Senior Notes due 2013 (the “Notes”) (CUSIP Nos. 902984AD5 & 902984AC7 / ISINs US902984AD51, US902984AC78 & USU9033KAA26) and related consent solicitation to amend the indenture governing the Notes. The tender offer and consent solicitation are made upon the terms and subject to the conditions set forth in the Amended and Restated Offer to Purchase and Consent Solicitation Statement dated July 24, 2008 (the “*Amended Offer to Purchase*”) and the related Amended and Restated Letter of Transmittal and Consent. Those documents more fully set forth the terms of the tender offer and consent solicitation. Holders who previously have tendered Notes do not need to retender their Notes or take any other action in response to the amendment.

The tender offer will expire at Midnight, New York City time, on Monday, August 11, 2008, unless extended or earlier terminated by IAC (the “*Expiration Time*”). In order to be eligible to receive the Total Consideration (as defined below) for tendered Notes, holders must validly tender and not validly withdraw their Notes at or prior to 5:00 p.m., New York City time, on Monday, August 4, 2008, unless extended or earlier terminated by IAC (the “*Consent Time*”). Tendered Notes may not be withdrawn and consents may not be revoked after the Consent Time except under very limited circumstances.

The total consideration (the “*Total Consideration*”) offered for each \$1,000 principal amount of Notes validly tendered and not validly withdrawn prior to the Consent Time, and accepted for payment pursuant to the tender offer and consent solicitation will be determined as specified in the tender offer and consent solicitation documents and will be equal to:

- the present value on the Settlement Date (as defined below) of all future cash flows on such Notes to January 15, 2013, the maturity date of the Notes (the “*Maturity Date*”), calculated in accordance with standard market practice as described in the Amended Offer to Purchase, based on the assumptions that the principal amount of the Notes would be repaid in full on the Maturity Date and that the yield to the Maturity Date is equal to the sum of (i) the yield on the 3.625% U.S. Treasury Note due December 31, 2012 (the “*Reference Security*”), as calculated by the Dealer Manager in accordance with standard market practice, based on the bid-side price for the Reference Security, as of 2:00 p.m., New York City time, on July 28, 2008, the tenth business day immediately preceding the currently scheduled Expiration Time, unless such pricing determination time is extended, as displayed on the Bloomberg Government Bond Trader, Page BBT5 (the “*Quotation Report*”) (or any recognized quotation source selected by the Dealer Manager in its discretion if the Quotation Report is not available or is manifestly erroneous), plus (ii) 100 basis points; minus
- any accrued and unpaid interest from the most recent interest payment date preceding the Settlement Date to, but excluding, the Settlement Date.

The Total Consideration includes a consent payment of \$30 per \$1,000 principal amount of the Notes, which will be payable only in respect of the Notes purchased in the tender offer that are tendered prior to the Consent Time. Holders who validly tender their Notes after the Consent Time and prior to the Expiration Time will not be eligible to receive the consent payment pursuant to the tender offer and consent solicitation, and accordingly will only be eligible to receive an amount equal to the Total Consideration less the consent payment pursuant to the tender offer and consent solicitation. Holders whose Notes are accepted for payment in the tender offer will also be paid accrued and unpaid interest, if any, from the most recent interest payment date preceding the Settlement Date to, but excluding, the Settlement Date.

Concurrently with the tender offer, IAC is soliciting consents to proposed amendments to the indenture governing the Notes, which would eliminate substantially all of the restrictive covenants and certain events of default provisions, eliminate certain provisions relating to mergers and consolidations of and transfers of assets by the IAC and make certain conforming and related changes to the indenture and the Notes. However, because IAC has obtained consents in accordance with the previously announced Notes Exchange and Consent Agreement in respect of an amount of Notes sufficient to approve the proposed amendments in accordance with the indenture, the delivery of additional consents pursuant to the consent solicitation is not required to approve the proposed amendments. Holders may not tender their Notes without also delivering consents or deliver consents pursuant to the consent solicitation without also tendering their Notes.

IAC expects to pay for any Notes purchased pursuant to the tender offer and consent solicitation in same-day funds promptly following the Expiration Time (the date of such payment, the "*Settlement Date*").

The tender offer and consent solicitation are subject to the satisfaction of certain conditions, including (i) the Spin-Off Condition, which requires that all conditions precedent to the previously announced proposed spin-offs to IAC's stockholders shall have been satisfied or waived by IAC and the distribution of shares of Interval Leisure Group, Inc. shall have occurred prior to the Expiration Time; and (ii) the Indenture Condition, which requires that the supplemental indenture implementing the proposed amendments shall have been executed by the indenture trustee. The tender offer is no longer conditioned on any minimum amount of Notes being tendered.

IAC is amending the terms of the tender offer and consent solicitation as set forth in the Amended Offer to Purchase pursuant to the Notes Exchange and Consent Agreement. In connection with this agreement, IAC stated that the issuance and exchange of new notes of Interval Acquisition Corp. ("Interval") for Notes pursuant to the agreement, together with the offer to purchase and consent solicitation as amended, are being made in connection with the spin-off of ILG, and are intended to give rise to a succession event (with Interval as the sole successor to IAC) for credit derivatives purposes.

IAC has retained Morgan Stanley & Co., Incorporated to act as the Dealer Manager for the tender offer and the Solicitation Agent for the consent solicitation. Questions regarding the tender offer and the consent solicitation may be directed to Morgan Stanley at (800) 624-1808 (toll-free) or (212) 761-1941 (collect) (Attn: Liability Management). Requests for documentation may be directed to MacKenzie Partners, Inc., the Information Agent for the tender offer and consent solicitation, at (800) 322-2885 (toll-free) or (212) 929-5500 (collect).

This press release is for informational purposes only and is neither an offer to purchase nor a solicitation of an offer to sell the Notes. This press release also is not a solicitation of consents to the proposed amendments to the indenture and the Notes. The tender offer and consent solicitation are being made solely by means of the tender offer and consent solicitation documents, including the Amended Offer to Purchase that IAC is distributing to holders of Notes. The tender offer and consent solicitation are not being made to holders of Notes in any jurisdiction in which the making or acceptance thereof would not be in compliance with the securities, blue sky or other laws of such jurisdiction.
